Faits saillants de 2011

Nous fournissons un soutien important et ciblé dans les cinq domaines clés suivants qui sont importants pour nos clients et pour notre entreprise.

Projet Eau bleue RBC^{sc}

Partout dans le monde, les gens et les entreprises dépendent de l'eau douce. Le Projet Eau Bleue RBC est notre

engagement de 50 millions de dollars visant à appuyer des centaines d'organismes du monde entier voués à la protection de l'eau. En 2011 :

- Nous avons versé plus de 7,6 million de dollars à des organismes sans but lucratif œuvrant dans ce domaine, ce qui porte le total des subventions que nous nous sommes engagés à verser ou que nous avons distribuées depuis 2007 à plus de 34 millions de dollars à 460 organismes partout dans le monde.
- Nous avons fait la promotion de la valeur économique de l'eau et avons commandité des événements et initiatives visant à informer le public sur la valeur et la fragilité des ressources en eau.

Projet Santé mentale des enfants RBC

Un enfant sur cinq est atteint d'une maladie mentale ; cela peut avoir des conséquences

sérieuses sur les enfants, les familles et les collectivités. Voilà pourquoi nous avons mis sur pied le Projet Santé mentale des enfants RBC, un engagement philanthropique pluriannuel visant à appuyer des programmes communautaires et en milieu hospitalier ayant pour objectif de dissiper les préjugés, de favoriser une intervention précoce et de sensibiliser le public aux problèmes de santé mentale des enfants. En 2011 :

- Nous avons versé, dans l'ensemble du Canada, près de 3,5 millions de dollars à 109 organismes, ce qui porte le total des subventions que nous avons versées depuis 2008 à 9,5 millions de dollars à 155 organismes.
- Nous avons commandité des événements et initiatives visant à sensibiliser le public à la question de la santé mentale des enfants.

Projet de subvention d'activités parascolaires RBC

À RBC, nous croyons qu'en plus de contribuer à

leur développement, investir dans le mieux-être des enfants permet de renforcer les familles, d'enrichir les collectivités et de bâtir un pays prospère. Voilà pourquoi nous avons mis sur pied le Projet de subvention d'activités parascolaires RBC, dont l'objectif est de donner aux enfants l'accès à des activités intéressantes dans un environnement sécuritaire propice à l'apprentissage.

- En 2011, nous avons versé plus de 2,6 millions de dollars à 99 programmes communautaires d'activités parascolaires dans 68 villes partout au Canada.
- Depuis 1999, nous avons versé plus de 25 millions de dollars sous forme de subventions à 227 programmes communautaires d'activités parascolaires qui ont aidé près de 24 000 enfants à développer leur confiance en soi et à acquérir de nouvelles aptitudes dans un environnement sécuritaire.

Projet Artistes émergents RBC

Nous croyons que le rayonnement des arts permet d'enrichir notre vie et nos collectivités.

Le Projet Artistes émergents RBC vise à contribuer au développement de la carrière d'artistes prometteurs. En 2011 :

- Nous avons versé plus de 2,4 millions de dollars à des programmes d'apprentissage, de stage et de mise en valeur des talents offerts par 114 organismes dans 38 villes canadiennes.
- Nous avons consolidé des partenariats à long terme avec des organismes dont les programmes permettent de faire le pont entre les études et la carrière.
- Nous avons commandité le Concours de peintures canadiennes de RBC pour une treizième année consécutive, offrant ainsi à des artistes visuels canadiens émergents un financement et des occasions de se faire mieux connaître.

La diversité à l'œuvre.

Nous croyons que l'ouverture à la diversité renforce les collectivités et

contribue à la prospérité. En 2011 :

- Nous avons versé près de 5,7 millions de dollars à des initiatives en faveur de la diversité au Canada.
- Nous avons concentré nos efforts sur les peuples autochtones, les personnes handicapées, les nouveaux arrivants, les marchés culturels, les femmes et les lesbiennes, gais, bisexuels et transgenres (LGBT).
