RBC Capital Trust™

(a trust established under the laws of Ontario)

\$1,200,000,000

1,200,000 Trust Capital Securities — Series 2015 (RBC TruCS — Series 2015™)

RBC Capital Trust (the "Trust") is a closed-end trust established under the laws of Ontario by The Royal Trust Company (the "Trustee"), a subsidiary of Royal Bank of Canada (the "Bank"), pursuant to a declaration of trust (the "Declaration of Trust"). The Trust proposes to issue and sell to investors pursuant to this prospectus (the "Offering") a third series of transferable trust units called Trust Capital Securities — Series 2015 or "RBC TruCS — Series 2015". The Offering will provide the Bank with a cost-effective means of raising capital for Canadian bank regulatory purposes. The RBC TruCS — Series 2015 will constitute a third series of Trust Capital Securities (the "RBC TruCS") issued by the Trust, the first series in an amount of \$650,000,000 and designated Trust Capital Securities — Series 2010 (the "RBC TruCS — Series 2010") having been issued by the Trust on July 24, 2000 and the second series in an amount of \$750,000,000 and designated Trust Capital Securities — Series 2011 (the "RBC TruCS — Series 2011") having been issued by the Trust on December 6, 2000. The Trust is not a trust company and does not carry on business as a trust company and, accordingly, the Trust is not registered under the trust company legislation of any jurisdiction.

The Trust distributes its Net Distributable Funds (as defined herein) on the last day of June and December of each year (each, a "Distribution Date"). On each Distribution Date commencing June 30, 2006 to and including December 31, 2015, unless the Bank has failed to declare Dividends (as defined herein) on the basis described herein, a holder of RBC TruCS — Series 2015 will be entitled to receive a non-cumulative fixed cash distribution (an "Indicated Distribution") of \$24.35 per RBC TruCS — Series 2015, representing a per annum yield of 4.87% of the \$1,000 initial issue price. The initial distribution payable on December 31, 2005, if such date is a Regular Distribution Date (as defined herein), in respect of the period from and including the anticipated closing date for the Offering of October 28, 2005 (the "Closing Date") up to but excluding December 31, 2005 is estimated to be approximately \$8.54 per RBC TruCS — Series 2015. On each Regular Distribution Date following December 31, 2015, the Indicated Distribution per RBC TruCS — Series 2015 will be determined by multiplying \$1,000 by one half of the sum of the Bankers' Acceptance Rate (as herein defined) for the Distribution Period (as herein defined) immediately preceding such Distribution Date plus 150 basis points. Each Distribution Date will be either a Regular Distribution Date (as defined herein) or a Distribution Diversion Date (as defined herein). A Distribution Date will be a Regular Distribution Date if the Bank has declared Dividends in the ordinary course as described under "Description of the Trust Securities — The Trust Capital Securities — Series 2015 — Indicated Distribution". On a Regular Distribution Date, the applicable Indicated Distribution will be payable by the Trust on all RBC TruCS (including the RBC TruCS — Series 2015). If, on December 31 of any year, Net Distributable Funds (as defined herein) of the Trust remain after payment of the Indicated Distribution on each series of RBC TruCS on each Regular Distribution Date in such year, the Bank as sole holder of the Special Trust Securities (as defined herein) will be entitled to receive such remaining Net Distributable Funds on that date. Any Distribution Date will be a Distribution Diversion Date if the Bank has failed to declare Dividends on the basis described herein. **In such event, the Indicated Distribution will not be payable by the Trust on any RBC TruCS (including the RBC TruCS — Series 2015) on a Distribution Diversion Date and, instead, the Net Distributable Funds of the Trust as at such Distribution Diversion Date will be payable to the Bank as the sole holder of Special Trust Securities.**

Pursuant to the terms of a Bank Share Exchange Trust Agreement between the Bank, the Exchange Trustee (as defined herein) and the Trust (the "Bank Share Exchange Agreement"), the Bank has covenanted for the benefit of holders of RBC TruCS — Series 2015 (the "Dividend Stopper Undertakings") that if, on any Regular Distribution Date, the Trust fails to pay the Indicated Distribution in full on the RBC TruCS — Series 2015, the Bank will not declare dividends of any kind on any preferred shares or common shares of the Bank (the "Bank Common Shares" and collectively with preferred shares, the "Dividend Restricted Shares") until the month commencing immediately after the third Dividend Declaration Month (as defined herein) following the Trust's failure to pay the Indicated Distribution unless the Trust first pays such Indicated Distribution (or the unpaid portion thereof) to holders of RBC TruCS — Series 2015. **It is in the interest of the Bank to ensure, to the extent within its control, that the Trust pay the Indicated Distribution on the RBC TruCS — Series 2015 on each Regular Distribution Date so as to avoid triggering the Dividend Stopper Undertakings.** The Bank has had an uninterrupted history of paying dividends on the Bank Common Shares in each year since 1870. See "Description of the Trust Securities — The Trust Capital Securities — Series 2015 — Bank Dividend Stopper Undertakings" and "Risk Factors".

™ Trade marks of the Bank used under license by the Trust.

Each RBC TruCS — Series 2015 will be exchanged automatically (the “Automatic Exchange”), without the consent of the holder, for 40 newly issued non-cumulative, perpetual First Preferred Shares, Series Z of the Bank (“Bank Preferred Shares Series Z”) if: (i) an application for a winding-up order in respect of the Bank pursuant to the Winding-Up and Restructuring Act (Canada) is filed by the Attorney General of Canada or a winding-up order in respect of the Bank pursuant to that Act is granted by a court; (ii) the Superintendent of Financial Institutions (Canada) (the “Superintendent”) advises the Bank in writing that the Superintendent has taken control of the Bank or its assets pursuant to the Bank Act (Canada) (the “Bank Act”); (iii) the Superintendent advises the Bank in writing that the Superintendent is of the opinion that the Bank has a risk-based Tier 1 Capital ratio of less than 5.0% or a risk-based Total Capital Ratio of less than 8.0%; (iv) the Board of Directors advises the Superintendent in writing that the Bank has a risk-based Tier 1 Capital ratio of less than 5.0% or a risk-based Total Capital Ratio of less than 8.0%; or (v) the Superintendent directs the Bank pursuant to the Bank Act to increase its capital or provide additional liquidity and the Bank elects to cause the Automatic Exchange as a consequence of the issuance of such direction or the Bank does not comply with such direction to the satisfaction of the Superintendent within the time specified therein (each, a “Loss Absorption Event”). Following the Automatic Exchange, holders of RBC TruCS — Series 2015 will cease to have any claim or entitlement in relation to the RBC TruCS — Series 2015 or the Trust Assets (as defined herein). **If the Automatic Exchange were to occur and Bank Preferred Shares Series Z were issued in exchange for RBC TruCS — Series 2015, the cost-effective nature of the consolidated capital raised by the Bank through the issuance of the RBC TruCS — Series 2015 would be lost. Accordingly, it is in the interest of the Bank to ensure that a Loss Absorption Event does not occur, although the events that could give rise to a Loss Absorption Event may be beyond the control of the Bank.** See “Description of the Trust Securities — The Trust Capital Securities — Series 2015 — Automatic Exchange” and “Description of Bank Preferred Shares Series Z”.

Upon the occurrence of a Tax Event (as defined herein) or a Capital Disqualification Event (as defined herein and, collectively with the Tax Event, a “Special Event”), in each case prior to December 31, 2010, the Trust may, with Superintendent Approval, at its option, upon at least 30 and not more than 90 days’ prior written notice, redeem (the “Trust Special Event Redemption Right”) the RBC TruCS — Series 2015 in whole (but not in part) without the consent of the holders, for a cash amount per RBC TruCS — Series 2015 (the “Early Redemption Price”) equal to the greater of: (i) the Redemption Price (as defined herein); and (ii) the RBC TruCS — Series 2015 Canada Yield Price (as defined herein). See “Description of the Trust Securities — The Trust Capital Securities — Series 2015 — Trust Special Event Redemption Right”.

On December 31, 2010 and on any Distribution Date thereafter, the Trust may, with Superintendent Approval (as defined herein), at its option, upon at least 30 and not more than 60 days’ prior written notice, redeem (the “Trust Redemption Right”) the RBC TruCS — Series 2015 in whole (but not in part) without the consent of the holders, for a cash amount per RBC TruCS — Series 2015 equal to: (i) the Early Redemption Price if the redemption occurs prior to December 31, 2015; or (ii) the Redemption Price if the redemption occurs on or after December 31, 2015. See “Description of the Trust Securities — The Trust Capital Securities — Series 2015 — Trust Redemption Right”.

It is expected that the Trust Assets will be purchased primarily from the Bank or its affiliates. The Bank acts as Administrative Agent (as defined herein) to the Trust and the Bank or its affiliates collectively act as Servicer (as defined herein) of the Trust Assets. See “Business of the Trust — Description of Eligible Trust Assets” and “Business of the Trust — The Administrative Agent”.

An investment in RBC TruCS — Series 2015 could be replaced in certain circumstances, without the consent of the holder, by an investment in Bank Preferred Shares Series Z. Investors should therefore carefully consider the disclosure with respect to the Bank included and incorporated by reference in this prospectus. An investment in RBC TruCS — Series 2015 is subject to certain risks. See “Risk Factors”.

The Trust is a registered investment for purposes of the *Income Tax Act* (Canada) (the “Tax Act”) and, as such, the RBC TruCS — Series 2015 will be qualified investments for trusts governed by registered retirement savings plans, registered retirement income funds, deferred profit sharing plans and registered education savings plans. See “Eligibility for Investment”.

Price: \$1,000 per RBC TruCS — Series 2015

Each of the Trust and the Bank is a related issuer of RBC Dominion Securities Inc. under applicable securities legislation by virtue of the Bank’s interest in the Trust and RBC Dominion Securities Inc. See “Plan of Distribution”.** This prospectus also qualifies for distribution the Automatic Exchange and the Subscription Right (as defined herein).

PROSPECTUS SUMMARY

The following is a summary only and is qualified in its entirety by and should be read in conjunction with the more detailed information appearing elsewhere in this prospectus. Reference is made to the Glossary section for the meaning of certain defined terms.

THE OFFERING

Issuer:	RBC Capital Trust, a closed-end trust established under the laws of the Province of Ontario pursuant to the Declaration of Trust.
Offering:	1,200,000 Trust Capital Securities — Series 2015 (“RBC TruCS — Series 2015”), being a series of a class of units of the Trust.
Amount of Offering:	\$1,200,000,000
Price:	\$1,000 per RBC TruCS — Series 2015.
Ratings:	The RBC TruCS — Series 2015 have been provisionally rated “A” ^{yn} by Dominion Bond Rating Service Limited (“DBRS”), “A1” by Moody’s Investors Service, Inc., (“Moody’s”) and “P-1(low)” by Standard & Poor’s, a division of The McGraw-Hill Companies, Inc. (“S&P”). A security rating is not a recommendation to buy, sell or hold securities and may be subject to revision or withdrawal at any time by the assigning rating organization.
Use of Proceeds:	The estimated net proceeds to the Trust from the Offering of approximately \$1,187,600,000 (after deducting the estimated Underwriters’ fee and the estimated expenses of the Offering) will be used to fund the acquisition by the Trust of Trust Assets from the Bank. See “Use of Proceeds”.
Indicated Distribution:	Each RBC TruCS — Series 2015 entitles the holder to receive the Indicated Distribution of: (i) \$24.35 on the last day of June and December of each year commencing June 30, 2006 to and including December 31, 2015 provided that such date is a Regular Distribution Date, representing a per annum yield of 4.87% of the initial issue price; and (ii) on Regular Distribution Dates following December 31, 2015, an amount equal to the result obtained by multiplying \$1,000 by one half of the sum of the Bankers’ Acceptance Rate in effect during the Distribution Period immediately preceding the Relevant Distribution Date plus 150 basis points. The initial distribution, payable on December 31, 2005, is estimated to be approximately \$8.54 per RBC TruCS — Series 2015 for the period from and including the anticipated Closing Date of October 28, 2005 to but excluding December 31, 2005. A Distribution Date will be a Regular Distribution Date unless the Bank has failed to declare (such failure being a “Distribution Diversion Event”) regular dividends on preferred shares of the Bank, or if no such shares are then outstanding, on the Bank Common Shares, in accordance with the Bank’s ordinary dividend practice in effect from time to time (in either case, a “Dividend”) in the Reference Dividend Declaration Month. The Reference Dividend Declaration Month in respect of any Distribution Date (other than December 31, 2005) is the most recent Dividend Declaration Month preceding the commencement of the Distribution Period ending on the day preceding the Distribution Date. The Reference Dividend Declaration Month in respect of the December 31, 2005 Distribution Date for the RBC TruCS — Series 2015 is the month of August, 2005. Accordingly, whether the Indicated Distribution on any RBC TruCS — Series 2015 will be payable by the Trust on any Distribution Date will be determined prior to the commencement of the Distribution Period ended on the day preceding such Distribution Date. On

any Regular Distribution Date, the Indicated Distribution will be payable by the Trust to each holder of RBC TruCS — Series 2015. If, on December 31 of any year, Net Distributable Funds of the Trust remain after payment of the Indicated Distribution on each series of RBC TruCS on each Regular Distribution Date in such year, the Bank as sole holder of the Special Trust Securities will be entitled to receive such remaining Net Distributable Funds on that date. The Indicated Distribution on the RBC TruCS — Series 2015 will not be payable by the Trust on a Distribution Diversion Date. Instead, the Net Distributable Funds of the Trust will be distributed to the Bank as the sole holder of the Special Trust Securities. See “Description of the Trust Securities — The Trust Capital Securities — Series 2015 — Indicated Distribution”.

Bank Dividend Stopper Undertakings:

Pursuant to the terms of a Bank Share Exchange Agreement, the Bank has covenanted for the benefit of holders of the RBC TruCS — Series 2015 that, if the Trust fails to pay the Indicated Distribution in full on the RBC TruCS — Series 2015 on any Regular Distribution Date, the Bank will not declare dividends of any kind on the Dividend Restricted Shares until the Dividend Declaration Resumption Month, being the month commencing immediately after the third Dividend Declaration Month following the Trust’s failure to pay the Indicated Distribution unless the Trust first pays such Indicated Distribution (or the unpaid portion thereof) to holders of the RBC TruCS — Series 2015. **It is in the interest of the Bank to ensure, to the extent within its control, that the Trust pay the Indicated Distribution on the RBC TruCS — Series 2015 on each Regular Distribution Date so as to avoid triggering the Dividend Stopper Undertakings.** The Bank has had an uninterrupted history of paying dividends on the Bank Common Shares in each year since 1870. See “Description of the Trust Securities — The Trust Capital Securities — Series 2015 — Bank Dividend Stopper Undertakings” and “Risk Factors”. Set forth below is a table indicating the relationship among the Reference Dividend Declaration Month, the Distribution Period, the Distribution Date and the Dividend Declaration Resumption Month for the RBC TruCS — Series 2015:

<u>Reference Dividend Declaration Month⁽¹⁾</u>	<u>Commencement of Current Distribution Period⁽²⁾</u>	<u>Distribution Date</u>	<u>Dividend Declaration Resumption Month⁽³⁾</u>
August, 2005	Closing Date	December 31, 2005	September, 2006
December, 2005	December 31, 2005	June 30, 2006	March, 2007
May, 2006	June 30, 2006	December 31, 2006	September, 2007

(1) The Reference Dividend Declaration Months and the Dividend Declaration Resumption Months are based on the Bank’s current practice with respect to declaring Dividends. If such practice were to change in the future in terms of the timing or frequency of the declaration of Dividends, the Reference Dividend Declaration Months and the Dividend Declaration Resumption Months referred to above may change. The Reference Dividend Declaration Month in respect of any Distribution Date would, in all events, continue to be the Dividend Declaration Month closest to but preceding the commencement of the Distribution Period ended on the day preceding such Distribution Date. Accordingly, whether the Bank declares Dividends in the months of February or August on its preferred shares or, if no such shares are then outstanding, on Bank Common Shares, will have no effect on whether the Indicated Distribution is payable on the RBC TruCS — Series 2015 on any Distribution Date.

(2) Prior to the commencement of any Distribution Period, the question of whether the Distribution Date falling on the day after the last day of such Distribution Period will be a Regular Distribution Date or a Distribution Diversion Date, and the entitlement of holders of the RBC TruCS — Series 2015, will have been determined.

- (3) The Dividend Declaration Resumption Month is only relevant if the Trust fails to pay the Indicated Distribution in full on the RBC TruCS — Series 2015 on any Regular Distribution Date.

Voting Rights:

The RBC TruCS (including the RBC TruCS — Series 2015) are non-voting except in certain limited circumstances. See “Description of the Trust Securities — Certain Provisions of the Trust Capital Securities as a Class — Voting Rights”.

Automatic Exchange:

Each RBC TruCS — Series 2015 will be exchanged automatically, without the consent of the holder, for 40 Bank Preferred Shares Series Z upon the occurrence of a Loss Absorption Event, being any one of the following: (i) an application for a winding-up order in respect of the Bank pursuant to the Winding-up and Restructuring Act (Canada) is filed by the Attorney General of Canada or a winding-up order in respect of the Bank pursuant to that Act is granted by a court; (ii) the Superintendent advises the Bank in writing that the Superintendent has taken control of the Bank or its assets pursuant to the Bank Act; (iii) the Superintendent advises the Bank in writing that the Superintendent is of the opinion that the Bank has a risk-based Tier 1 Capital ratio of less than 5.0% or a risk-based Total Capital ratio of less than 8.0%; (iv) the Board of Directors advises the Superintendent in writing that the Bank has a risk-based Tier 1 Capital Ratio of less than 5.0% or a risk-based Total Capital Ratio of less than 8.0%; or (v) the Superintendent directs the Bank pursuant to the Bank Act to increase its capital or provide additional liquidity and the Bank elects to cause the exchange as a consequence of the issuance of such direction or the Bank does not comply with such direction to the satisfaction of the Superintendent within the time specified therein. The Automatic Exchange shall occur as of 8:00 a.m. (Eastern time) on the date that a Loss Absorption Event occurs. Following the Automatic Exchange, holders of RBC TruCS — Series 2015 will cease to have any claim or entitlement in relation to the RBC TruCS — Series 2015 or the Trust Assets. If, for any reason, the Automatic Exchange does not result in the exchange of all RBC TruCS — Series 2015 then outstanding for Bank Preferred Shares Series Z, the Trust will redeem each RBC TruCS — Series 2015 not so exchanged for consideration consisting of 40 Bank Preferred Shares Series Z. **If the Automatic Exchange were to occur and Bank Preferred Shares Series Z were issued in exchange for the RBC TruCS — Series 2015, the cost-effective nature of the consolidated capital raised by the Bank through the issuance of the RBC TruCS — Series 2015 would be lost. Accordingly, it is in the interests of the Bank to ensure that a Loss Absorption Event does not occur, although the events that could give rise to a Loss Absorption Event may be beyond the Bank’s control.** See “Description of the Trust Securities — The Trust Capital Securities — Series 2015 — Automatic Exchange” and “Description of Bank Preferred Shares Series Z — Description of Bank Preferred Shares Series Z as a Series.”

The Bank Preferred Shares Series Z will pay semi-annual, non-cumulative per share cash dividends, as and when declared by the Board of Directors on the last day of June and December in each year (subject to adjustment on the first such payment date if the Bank Preferred Shares Series Z have been issued and outstanding for less than six months), equal to \$0.60625.

No Redemption at the Option of the Holder:

The RBC TruCS (including the RBC TruCS — Series 2015) are not redeemable at the option of the holder.

Trust Special Event Redemption Right:

Upon the occurrence of a Tax Event or a Capital Disqualification Event, in each case prior to December 31, 2010, the RBC TruCS — Series 2015 will be redeemable by the Trust at its option in whole (but not in part) without the consent of the holders thereof, upon at least 30 and not more than 90 days' prior written notice by the Trustee and with Superintendent Approval for a cash amount per RBC TruCS — Series 2015 equal to the Early Redemption Price, being the greater of: (i) the Redemption Price; and (ii) a price per RBC TruCS — Series 2015 calculated to provide an annual yield thereon to December 31, 2015 equal to the Government of Canada Yield plus 0.195% determined on the Business Day immediately preceding the date on which the Trust has given notice of the redemption of the RBC TruCS — Series 2015 as a consequence of the exercise of the Trust Special Event Redemption Right plus the Unpaid Indicated Distribution (the "RBC TruCS — Series 2015 Canada Yield Price"). THE TRUST

General

The Trust is a closed-end trust established under the laws of the Province of Ontario by the Trustee pursuant to a Declaration of Trust. The Offering will provide investors with the opportunity to invest in RBC TruCS and will provide the Bank with a cost-effective means of raising capital for Canadian bank regulatory purposes. All of the Special Trust Securities will be owned by the Bank. See “Description of the Trust Securities — The Special Trust Securities”.

Business of the Trust

The Trust’s business objective is to acquire and hold the Trust Assets that will generate net income for distribution to holders of Trust Securities. The Trust Assets consist primarily of: (i) Mortgage Co-Ownership Interests (as defined herein) in one or more pools of Residential Mortgages (as defined herein) originated by the Bank or its affiliates; or (ii) Mortgage-Backed Securities (as defined herein). The Bank has entered into a Mortgage Sales, Pooling and Servicing Agreement and has entered into and will enter into Purchase Agreements which, together, provide and will provide for the transfer of Mortgage Co-Ownership Interests. The Trust has acquired and intends to continue to acquire the Trust Assets primarily from the Bank or its affiliates. The Trust Assets are serviced directly or indirectly by the Bank or its affiliates. The Trust will, from time to time, purchase additional Eligible Trust Assets (as defined herein) out of proceeds received in connection with the Trust Assets. The price of any Trust Asset purchased by the Trust is intended to be equal to the fair market value thereof.

Capitalization

Immediately after the issuance by the Trust of the RBC TruCS — Series 2015 pursuant to the Offering and the purchase by the Trust of Trust Assets, the Trust will have approximately \$3,650,000,000 in Trust Assets, \$2,600,000,000 of capital attributable to the RBC TruCS and \$1,050,000,000 of capital attributable to the Special Trust Securities. See “Capitalization of the Trust” and “Risk Factors”.

Conflicts of Interest

Due to the nature of the Trust’s relationship with the Bank and its affiliates, it is possible that conflicts of interest may arise with respect to certain transactions between the parties. It is intended that any agreements or transactions between the Trust, on the one hand, and the Bank or its affiliates, on the other hand, will be fair to all parties and consistent with market terms for such types of transactions. However, there can be no assurance that any such agreement or transaction will be on terms as favourable to the Trust as would have been obtained from unaffiliated third parties. See “Business of the Trust — Conflict of Interest Policies”.

Servicing of Trust Assets

The Trust Assets will be serviced directly or indirectly by the Bank or its affiliates. The Trust Assets will generally be acquired by the Trust on a fully-serviced basis. See “Business of the Trust — Description of Eligible Trust Assets — General”.

Administration and Advisory Agreement

The Trustee has entered into the Administration and Advisory Agreement pursuant to which the Trustee retains the Bank, as Administrative Agent, to perform certain of its duties in relation to the Trust. The Bank, in its role as advisor and administrative agent under the Administration and Advisory Agreement, provides the Trust advice and counsel with respect to the management of the Trust Assets and administers the day-to-day operations of the Trust and provides other advice or counsel as may be requested from time to time by the Trust. The Administrative Agent may

from time to time delegate or sub-contract all or a portion of its obligations under the Administration and Advisory Agreement to one or more of its affiliates. The Bank and certain of its affiliates and their respective personnel have substantial experience in mortgage finance and in the administration of Trust Assets. See “Business of the Trust — The Administrative Agent”.

Liquidity

The Trust will only borrow funds from the Bank pursuant to the Credit Facility and will use borrowed funds only for the purposes of ensuring liquidity in the normal course of the Trust’s activities, including the payment of issuance costs and expenses in connection with offerings of Trust Securities by the Trust from time to time. The Bank will charge interest rates on any borrowings by the Trust that are not higher than prevailing market rates. See “Business of the Trust — Liquidity”.

RISK FACTORS

The purchase of RBC TruCS — Series 2015 is subject to certain risks, including those described below. See “Risk Factors”.

In certain specified circumstances, including at a time when the Bank’s financial condition is deteriorating or proceedings for the winding-up of the Bank have been commenced, the RBC TruCS — Series 2015 will be automatically exchanged for Bank Preferred Shares Series Z without the consent of the holders of RBC TruCS — Series 2015. As a result, holders of RBC TruCS — Series 2015 will have no claim or entitlement to the RBC TruCS — Series 2015 or the Trust Assets other than indirectly in their capacity as preferred shareholders of the Bank. There can be no assurance that the dividend payable on the Bank Preferred Shares Series Z will not be less than the prevailing market rate for similar instruments at the time of the Automatic Exchange or at the Closing Date.

The Indicated Distribution is not cumulative and, as a result, if the Indicated Distribution is not paid on a Distribution Date by reason of the occurrence of a Distribution Diversion Event, a holder of RBC TruCS — Series 2015 will not be entitled to receive such Indicated Distribution subsequently.

The RBC TruCS — Series 2015 have no fixed final maturity date and holders of RBC TruCS — Series 2015 have no rights to call for the redemption of the RBC TruCS — Series 2015.

There can be no assurance that the net income and gains derived from the Trust Assets by the Trust will be sufficient to satisfy the Indicated Distribution on the RBC TruCS — Series 2015 in full on Regular Distribution Dates.

There can be no assurance that an interest rate environment in which there is a significant decline in interest rates would not adversely affect the Trust’s ability to pay the Indicated Distribution on the RBC TruCS — Series 2015 in full on Regular Distribution Dates.

The ownership of shares of the Bank is subject to certain restrictions. Accordingly, holders of RBC TruCS — Series 2015 who are to acquire Bank Preferred Shares Series Z upon the operation of the Automatic Exchange may have some or all of such shares disposed of on their behalf.

The Trust will be dependent in virtually every phase of its operations on the diligence and skill of the Bank or its subcontractors and delegates under the Administration and Advisory Agreement and the Bank as Servicer. Conflicts of interest may arise between the Trust and the Bank and its affiliates.

There can be no assurance that an active trading market in the RBC TruCS — Series 2015 will develop or be sustained or that the RBC TruCS — Series 2015 may be resold at or above the initial public offering price.

THE TRUST

The Trust is a closed-end trust formed by the Trustee under the laws of Ontario pursuant to the Declaration of Trust. The Trust has been formed for the purposes of creating and selling the Trust Securities and acquiring the Trust Assets, which will generate income for distribution to holders of Trust Securities, and providing the Bank with a cost-effective means of raising capital.

The Trust has and it is expected that it will continue to acquire the Trust Assets from the Bank or its affiliates. However, the Trust may also from time to time acquire Trust Assets from unrelated third parties. Pursuant to the Administration and Advisory Agreement, the Trustee has retained the Bank to perform certain of its duties with respect to the Trust, as Administrative Agent. As Administrative Agent, the Bank provides advice and counsel to the Trust as set forth under “Business of the Trust — The Administrative Agent”. The Bank services the Trust Assets in its role as Servicer under the Mortgage Sales, Pooling and Servicing Agreement. Immediately following the Offering, the Trust will have outstanding 650,000 RBC TruCS — Series 2010, 750,000 RBC TruCS — Series 2011, 1,200,000 RBC TruCS — Series 2015 and the Special Trust Securities. Pursuant to a Bank Share Exchange Agreement, the Bank has covenanted for the benefit of holders of RBC TruCS — Series 2015 that, for so long as any RBC TruCS — Series 2015 are outstanding, the Bank will maintain direct ownership of 100% of the Special Trust Securities. For a further description of the operations of the Trust, see “Business of the Trust”.

The principal office of the Trust is located at 200 Bay Street, South Tower, Royal Bank Plaza, Toronto, Ontario M2J 2J5. The Trustee is a wholly-owned subsidiary of the Bank.

The Trust is not a trust company and does not carry on business as a trust company and, accordingly, the Trust is not registered under the trust company legislation of any jurisdiction. Trust Securities are not “deposits” within the meaning of the *Canadian Deposit Insurance Corporation Act* (Canada) and are not insured under the provisions of that Act or any other legislation.

Exemptions from Certain Continuous Disclosure Requirements

The Trust is a reporting issuer in each of the provinces and territories of Canada where such concept exists. The Trust has received from the securities regulatory authorities in these provinces (the “Commissions”) exemptions from certain continuous disclosure requirements prescribed by provincial securities legislation for reporting issuers. The Trust will file an application in certain territories from the continuous disclosure requirements prescribed by territorial securities legislation for reporting issuers.

The exemptions are conditional upon holders of RBC TruCS receiving the Bank’s interim and annual audited financial statements and annual reports and the Bank continuing to file with the Commissions its interim and annual audited financial statements, proxy solicitation material in connection with any meetings of the Bank’s security holders and annual reports (with L’Autorité des marchés financiers). Provided such conditions are met, the Trust is not required to file with the Commissions interim and annual audited financial statements, an annual filing in lieu of an information circular (an “annual filing”), an annual information form, including management discussion and analysis of the financial conditions and results of operation of the Trust (an “AIF”), and, in the case of L’Autorité des marchés financiers, an annual report, and holders of RBC TruCS will not receive such financial statements and annual reports.

This exemptive relief was granted based upon the following terms and conditions of the RBC TruCS and for the following reasons. The operating activity of the Trust consists of acquiring and holding Trust Assets for the purpose of generating income for distribution to holders of RBC TruCS (and Special Trust Securities). Accordingly, the information relating to the financial condition and operations of a reporting issuer that is contained in an AIF and an annual filing would not, in respect of the Trust, be meaningful to holders of RBC TruCS. The payment of the Indicated Distribution on RBC TruCS is dependent on the payment of Dividends by the Bank because the Indicated Distribution will not be payable if the Bank fails to declare Dividends in the Reference Dividend Declaration Month (see “Description of the Trust Securities — The Trust Capital Securities — Series 2015 — Indicated Distribution”). Furthermore, in certain circumstances including at a time when the Bank’s financial condition is deteriorating or proceedings for the winding-up of the Bank have been commenced (see “Description of the Trust Securities — The Trust Capital Securities — Series 2015 — Automatic Exchange”), the RBC TruCS will be automatically exchanged for Bank Preferred Shares. As a result of the foregoing, details of the Bank’s financial condition (as opposed to that of the Trust) will be of interest to holders of RBC TruCS.

Prior to the filing of this prospectus, the Trust submitted an application for exemptive relief from the obligation to include interim and audited annual financial statements and earnings coverage information of the Trust in this

prospectus. Such exemptive relief has been granted and is evidenced by the receipt issued for this prospectus.

THE BANK

General

The Bank is a bank listed in Schedule I to the Bank Act which constitutes its charter and governs its operations. The Bank's principal executive offices are located at Royal Bank Plaza, 200 Bay Street, Toronto, Ontario, Canada M5J 2J5 and its head office is located at 1 Place Ville Marie, Montréal, Québec, Canada H3C 3A9.

Subsidiaries

A list of the principal subsidiaries directly or indirectly owned or controlled by the Bank as at October 31, 2004 is included in the Bank's annual information form dated December 20, 2004.

Business

The Bank and its subsidiaries operate under the master brand name of RBC Financial Group. It is Canada's largest bank as measured by assets and is one of North America's leading diversified financial services companies. It provides personal and commercial banking, wealth management services, insurance, corporate and investment banking, and transaction processing services on a global basis. The Bank and its subsidiaries employ over 60,000 people who serve more than 14 million personal, business and public sector clients through offices in North America and some 30 countries around the world.

Effective November 1, 2004, the Bank realigned its organizational structure, resources and processes to meet the financial needs of its clients more effectively across all the Bank's businesses. As part of the realignment, the Bank's five business segments (RBC Banking, RBC Insurance, RBC Investments, RBC Capital Markets and RBC Global Services) were realigned into three business segments structured around client needs and geographic location: (i) Canadian Personal and Business (including the Bank's banking and investment businesses in Canada and the Bank's global insurance business); (ii) U.S. and International Personal and Business (including banking and retail brokerage businesses in the U.S., banking in the Caribbean, and private banking internationally); and (iii) Global Capital Markets (providing a wide range of investment banking, sales and trading, research and related products and services to corporations, governments and institutional clients in North America and specialized products and services globally). All other enterprise level activities that were not allocated to these three business segments are reported by the Bank under a fourth segment, Corporate Support. This new management structure is now the basis on which the Bank reports its segmented information.

Certain information regarding the Bank is incorporated by reference into this Prospectus. See "Documents Incorporated by Reference".

Recent Developments

On September 29, 2005, the Bank announced that it expects to take a charge of U.S.\$130 million after-tax in the fourth quarter ending October 31, 2005 for expected claims relating to damage caused by Hurricanes Katrina and Rita in the southern U.S. The amount of the charge has been estimated after a review of reinsurance contracts in force and industry assessments of exposures and preliminary indications from clients and brokers.

On October 18, 2005, the Bank announced that it plans to establish a litigation reserve of U.S.\$500 million (U.S.\$255 million after-tax), to be recorded in the fourth quarter ending October 31, 2005 in respect of Enron-related matters. The Bank is a defendant in certain pending Enron-related actions.

Limitations Affecting Holders of Bank Shares

The Bank Act contains restrictions on the issue, transfer, acquisition, beneficial ownership and voting of all shares of a chartered bank. The following is a summary of such restrictions. No person shall be a major shareholder of a bank if the bank has equity of \$5 billion or more (which would include the Bank). A person is a major shareholder of a bank where: (i) the aggregate of shares of any class of voting shares owned by that person, by entities controlled by that person and by any person associated or acting jointly or in concert with that person is more than 20% of that class of voting shares; or (ii) the aggregate of shares of any class of non-voting shares beneficially owned by that person, by entities controlled by that person and by any person associated or acting jointly or in concert with that person is more

than 30% of that class of non-voting shares. No person shall have a significant interest in any class of shares of a bank, including the Bank, unless the person first receives the approval of the Minister of Finance (Canada). For purposes of the Bank Act, a person has a significant interest in a class of shares of a bank where the aggregate of any shares of the class beneficially owned by that person, by entities controlled by that person and by any person associated or acting jointly or in concert with that person exceeds 10% of all of the outstanding shares of that class of shares of such bank.

Purchasers of RBC TruCS — Series 2015 (and Participants) may be required to furnish declarations relating to ownership (and ownership by clients of such Participants) in a form prescribed by the Bank. The Bank may not register a transfer or issue shares to a person who has failed to obtain any requisite approval of the Minister of Finance as described above and such person is prohibited from exercising any voting rights attaching to such shares of the Bank.

The Bank Act also prohibits the registration of a transfer or issue of any shares of the Bank to Her Majesty in right of Canada or of a province or any agent or agency of Her Majesty in either of those rights, or to the government of a foreign country or any political subdivision, agent or agency of any of them.

The Bank Act prohibits any person from exercising voting rights attached to shares of the Bank beneficially owned by Her Majesty in right of Canada or of a province or any agent or agency of Her Majesty in either of those rights, or by the government of a foreign country, or any political subdivision, agent or agency of any of them.

Under the Bank Act, the Bank cannot redeem or purchase any of its shares, including the Bank Preferred Shares unless the consent of the Superintendent has been obtained. In addition, the Bank Act prohibits the payment to purchase or redeem any shares or the payment of a dividend if there are reasonable grounds for believing that the Bank is, or the payment would cause the Bank to be, in contravention of the Bank Act requirement to maintain, in relation to its operations, adequate capital and appropriate forms of liquidity and to comply with any regulations or directions of the Superintendent in relation thereto. In addition, under the Bank Act, the Bank is restricted from declaring and paying a dividend in any financial year without Superintendent Approval if, on the day the dividend is declared, the total of all dividends paid by the Bank in that year would exceed the aggregate of the Bank's net income up to that day in the year and of its retained net income for the preceding two financial years.

Consolidated Capitalization of the Bank

The following table sets forth the consolidated capitalization of the Bank at July 31, 2005 and the adjusted consolidated capitalization of the Bank at July 31, 2005 after giving effect to the Offering. This table should be read in conjunction with the Bank's consolidated financial statements and the Bank's management's discussion and analysis of financial condition and results of operations incorporated by reference in this prospectus.

Total Shareholders' Equity	20,242	20,242
Total Capitalization	<u>\$ 31,588</u>	<u>\$32,788</u>

- (1) On November 1, 2004, the Bank adopted the revisions to CICA Handbook Section 3860, *Financial Instruments — Disclosure and Presentation*, with a retroactive restatement of prior period comparatives. As a result, the Preferred Share Liabilities and Trust Capital Securities were reclassified as liabilities on the Bank's consolidated balance sheet. For more information on this change, refer to significant accounting policies provided in Note 1 to the Bank's October 31, 2004 annual consolidated financial statements and to Note 1 to the July 31, 2005 unaudited interim financial statements of the Bank. The reclassification does not impact the regulatory status of these securities and they continue to represent Tier 1 Capital for the Bank.

Capital Adequacy Requirements

The Bank Act requires the Bank to maintain adequate capital in relation to its operations. The Superintendent has established risk-based capital targets for Canadian chartered banks of 7% (Tier 1 Capital) and 10% (Total Capital). The Superintendent has issued guidelines concerning the maintenance of adequate capital (the “Capital Guidelines”) and has statutory authority pursuant to subsection 485(3) of the Bank Act to direct the Bank to increase its capital even if the Bank is in compliance with the Capital Guidelines. The Bank has no reason to believe that the Superintendent intends to direct the Bank to increase its capital. Pursuant to the Capital Guidelines, requirements are applied to the Bank on a consolidated basis including all subsidiaries except insurance subsidiaries or other regulated financial institutions whose leverage is inappropriate for a deposit taking institution and which, because of their size, would have a material impact on the leverage of the consolidated entity.

The following table sets forth the risk-based Tier 1 Capital ratios and risk-based Total Capital ratios of the Bank as at the dates indicated:

	Risk-Based Tier 1 Capital Ratio	Risk-Based Total Capital Ratio
July 31, 2005	9.7%	13.4%
October 31, 2004	8.9%	12.4%
October 31, 2003	9.7%	12.8%
October 31, 2002	9.3%	12.7%
October 31, 2001	8.7%	11.8%
October 31, 2000	8.6%	12.0%

The Offering will provide the Bank with a cost-effective means of raising Tier 1 Capital for Canadian bank regulatory purposes (assuming that the Superintendent approves the inclusion of the RBC TruCS — Series 2015 as Tier 1 capital of the Bank). After giving effect to the proceeds of this Offering, the risk-based Tier 1 Capital ratio and risk-based Total Capital ratio levels of the Bank as at July 31, 2005, adjusted for such event, would have been 10.0% and 14.0%, respectively.

BUSINESS OF THE TRUST

General and Capitalization

The Trust’s business objective is to acquire and hold Trust Assets that will generate income for distribution to holders of Trust Securities. Immediately after the issuance by the Trust of the RBC TruCS — Series 2015 pursuant to the Offering, the subscription by the Bank for additional Special Trust Securities and the purchase by the Trust of additional Trust Assets, the Trust will have approximately \$3,650,000,000 in Trust Assets, \$2,600,000,000 of capital attributable to the RBC TruCS and \$1,050,000,000 of capital attributable to the Special Trust Securities. See “Capitalization of the Trust”.

Description of Eligible Trust Assets

General

The Trust Assets may consist of Residential Mortgages, Mortgage Co-Ownership Interests, Mortgage-Backed Securities, Eligible Investments and contractual rights in respect of the business and operations of the Trust (the “Eligible Trust Assets”). On the Closing Date, the Trust Assets will consist primarily of Mortgage Co-Ownership Interests or Mortgage-Backed Securities. The Trust has to date and intends to continue to acquire the Trust Assets primarily from the Bank or its affiliates and the assets so acquired are and will be serviced directly or indirectly by the Bank or its affiliates. The price of any Trust Asset purchased by the Trust has been and is intended to continue to be equal to the fair market value. The net income and gains received by the Trust from the Trust Assets will be distributed by way of payment of the aggregate Indicated Distribution on the RBC TruCS on Regular Distribution Dates. Any balance will be distributed to the Bank as holder of the Special Trust Securities. Substantially all of the amounts received in respect of the principal amount of Trust Assets will be reinvested in additional Eligible Trust Assets. There can be no assurance that the net income and gains derived from the Trust Assets by the Trust, from time to time, will be sufficient to satisfy the Indicated Distribution in full on the RBC TruCS on any Regular Distribution Date. However, it is in the interest of the Bank to ensure, to the extent within its control, that the Trust complies with its obligation to pay the Indicated Distribution on the RBC TruCS on each Regular Distribution Date so as to avoid triggering the Dividend

Stopper Undertakings. See “Description of the Trust Securities — The Trust Capital Securities — Series 2015 — Bank Dividend Stopper Undertakings” and “Risk Factors”.

As contemplated by the Mortgage Sales, Pooling and Servicing Agreement, the Trust, the Bank and the Custodian will, on the Closing Date, enter into the Purchase Agreements in respect of the Trust Assets which will provide, among other things, for: (i) the sale and conveyance to the Trust of a Mortgage Co-Ownership Interest in specified Residential Mortgages to be held by the Custodian on behalf of the Bank and the Co-Owners, as undivided co-owners, and (ii) the principal terms and attributes of such Mortgage Co-Ownership Interest, including the right of the Trust to participate as an undivided co-owner in the income and gains derived therefrom and to receive its proportionate share of principal collections therefrom. The Residential Mortgages forming part of the Co-Ownership Assets will remain registered in the name of the Bank unless the Bank is replaced as Servicer.

Residential Mortgages

“Residential Mortgages” mean CMHC-insured first mortgages on residential property situated in Canada such as single family dwellings, semi-detached dwelling units, duplexes, townhouses, condominium units or multiple-unit family dwellings and such other first mortgages on residential property situated in Canada (or interests therein whether on a pooled basis or otherwise) including, without limitation, Privately Insured Residential Mortgages and other first mortgages on residential property situated in Canada or lines of credit secured by first mortgages on residential property situated in Canada as long as, in all cases, they are Eligible Investments. CMHC-insured mortgages are mortgages securing loans made by an approved lender in respect of which the principal amount is insured by CMHC as agent of the Government of Canada. Privately Insured Residential Mortgages are first mortgages on residential property situated in Canada that are insured by an insurance company, including a Genworth Financial-insured mortgage. The insurable amount of these mortgages is determined by CMHC or the insurance company, as the case may be, and, under current regulations, the loans may be up to 95% of the lesser of the purchase price and the appraised value. These loans are generally drawn for a term of one to five years and have an amortization period which is generally 25 years or less.

Mortgage Co-Ownership Interests

Mortgage Co-Ownership Interests are undivided co-ownership interests in one or more pools of Residential Mortgages.

Mortgage-Backed Securities

“Mortgage-Backed Securities” mean securities representing undivided interests in a pool of Residential Mortgages. The Trust Assets underlying such Mortgage-Backed Securities will be secured by single-family residential properties located throughout Canada. The Trust intends to acquire only investment-grade Mortgage-Backed Securities. The Trust does not intend to acquire any interest-only, principal-only or high-risk Mortgage-Backed Securities.

Eligible Investments

To the extent that the proceeds of the Trust Assets are not invested in Residential Mortgages, Mortgage Co-Ownership Interests or Mortgage-Backed Securities, the Trust will invest any remaining proceeds in “Eligible Investments”, which is money and any debt obligations that are qualified investments under the Tax Act for trusts governed by registered retirement savings plans, registered retirement income funds, deferred profit sharing plans and registered education savings plans, except where the qualification of such property contains conditions regarding the annuitant, the beneficiary, the employer or the subscriber under the plan, unless the Trust is satisfied such conditions are satisfied.

Liquidity

The Trust will only borrow funds from the Bank pursuant to the Credit Facility extended by the Bank to the Trust and will use borrowed funds only for the purposes of ensuring liquidity in the normal course of the Trust’s activities, including the payment of issuance costs and expenses in connection with offerings of Trust Securities by the Trust from time to time. The Bank will charge interest rates on any borrowings by the Trust that are not higher than prevailing market rates.

The Administrative Agent

The Trustee has entered into the Administration and Advisory Agreement with the Bank, as Administrative Agent, pursuant to which the Trustee has retained the Bank to perform certain of its obligations in relation to the administration of the Trust. The Bank and its affiliates and their respective personnel have substantial experience in mortgage finance and in the administration of assets such as the Trust Assets.

The Administrative Agent, at the request of the Trustee, provides advice and counsel with respect to the acquisition, disposition and origination of Trust Assets and such other matters as may be requested by the Trustee from time to time. The Administrative Agent may, from time to time, delegate or sub-contract all or a portion of its obligations under the Administration and Advisory Agreement to one or more of its qualified affiliates. The Administrative Agent will not, in connection with the delegation or sub-contracting of any of such obligations, be discharged or relieved in any respect from its obligations under the Administration and Advisory Agreement. The Administrative Agent is entitled to receive an annual administration fee consistent with market terms and conditions.

As a result of the relationship between the Bank and the Trust, certain conflicts of interest may arise. See “Risk Factors — Dependence Upon the Bank and its Affiliates”.

Conflict of Interest Policies

Due to the nature of the Trust’s relationship with the Bank and its affiliates, it is possible that conflicts of interest will arise with respect to certain transactions including, without limitation, the Trust’s acquisition of Trust Assets from, or disposition of Trust Assets to, the Bank or its affiliates. In addition, the entity acting as the Trustee, the Exchange Trustee and the Custodian is an indirect wholly-owned subsidiary of the Bank. It will be the Trust’s policy that the terms of any financial dealings with the Bank or any of its affiliates will be consistent with those available from third parties.

Conflicts of interest between the Trust and the Bank or its affiliates may also arise in connection with making decisions that bear upon the credit arrangements that the Bank or one of its affiliates may have with a borrower or in connection with actions taken by the Bank as the holder of the Special Trust Securities. It is intended that any agreements and transactions between the Trust, on the one hand, and the Bank or its affiliates, on the other hand, including, without limitation, the Mortgage Sales, Pooling and Servicing Agreement and the Administration and Advisory Agreement, will be fair to all parties and consistent with market terms for such types of transactions. However, there can be no assurance that any such agreement or transaction will be on terms as favourable to the Trust as would have been obtained from unaffiliated third parties.

CAPITALIZATION OF THE TRUST

The following table sets forth the capitalization of the Trust as of the date of this prospectus and as adjusted to reflect: (i) the closing of the Offering; and (ii) the use of the proceeds of the Offering as described under “Use of Proceeds”.

DESCRIPTION OF THE TRUST SECURITIES

Certain Provisions of the Trust Capital Securities as a Class

Priority

RBC TruCS of each series rank on a parity with RBC TruCS of every other series with respect to the payment of Indicated Distributions and the distribution of property in the event of termination of the Trust.

Redemption at the Option of the Holder

The RBC TruCS are not redeemable at the option of the holder.

Purchase for Cancellation

On or after the date that is five years after the date of issuance, the RBC TruCS may be purchased, in whole or in part, by the Trust, with Superintendent Approval, in the open market or by tender or private contract at any price. RBC TruCS purchased by the Trust shall be cancelled and shall not be reissued.

Voting Rights

The RBC TruCS are non-voting, except in the limited circumstances set forth in the Declaration of Trust involving changes to the terms and conditions of the RBC TruCS. The Declaration of Trust provides that such terms and conditions may be changed if authorized by the holders of RBC TruCS by way of Extraordinary Resolution. Any such change must be approved by the Bank and, in addition, any such change that would affect the status of the RBC TruCS as capital of the Bank is subject to Superintendent Approval. The quorum at any such meeting shall be one or more registered holders of RBC TruCS present in person or represented by proxy and owning or representing not less than 25% of the aggregate number of RBC TruCS then outstanding, provided that if a quorum is not present and the meeting is adjourned, at the meeting following such adjournment those registered holders present in person or represented by proxy shall constitute a quorum notwithstanding that they may not represent not less than 25% of the aggregate number of RBC TruCS then outstanding. The Trustee may, without the consent of holders of RBC TruCS, execute instruments supplemental to the Declaration of Trust and any other relevant instruments for certain limited purposes, including curing ambiguities or defects and making any modification that, in the opinion of the Trustee, would not be prejudicial to the interest of holders of RBC TruCS and making such changes as may be required to conform with applicable regulatory requirements from time to time.

Issue of Additional Trust Securities

The Trust may, at any time and from time to time, issue additional Special Trust Securities or Trust Capital Securities of any series without the authorization of holders of RBC TruCS. In the event that the Trust issues additional series of Trust Capital Securities, the rights, privileges, restrictions and conditions attached to such additional series may vary materially from those of any other series of RBC TruCS. The right of the holders of any other series of RBC TruCS to receive the Indicated Distribution from the Net Distributable Funds of the Trust on any Regular Distribution Date and the right of the holder of any other series of RBC TruCS to receive property of the Trust on a termination of the Trust ranks *pari passu* with the rights of the holders of Trust Capital Securities of any other series.

The Trust Capital Securities — Series 2015

The following is a summary of the rights, privileges, restrictions and conditions attaching to the RBC TruCS — Series 2015. This summary is qualified in its entirety by the provisions of the Declaration of Trust. For information concerning the Bank Preferred Shares Series Z into which the RBC TruCS — Series 2015 are, in certain circumstances, automatically exchanged as described below, see “Description of Bank Preferred Shares Series Z — Description of Bank Preferred Shares Series Z as a Series”. Holders of RBC TruCS shall have no recourse to the assets of the Trustee in connection with any payments in respect of the RBC TruCS.

Indicated Distribution

The annual yield payable on the RBC TruCS — Series 2015 will be 4.87% to December 31, 2015 and, thereafter, the sum of the Bankers’ Acceptance Rate (reset semi-annually) plus 150 basis points, as more particularly set forth below.

Each RBC TruCS — Series 2015 entitles the holder to receive an Indicated Distribution of \$24.35 on each Regular Distribution Date on or before December 31, 2015, other than December 31, 2005, representing a per annum

yield of 4.87% of the initial issue price. The initial distribution, payable on December 31, 2005, will be approximately \$8.54 per RBC TruCS — Series 2015 for the period from and including the anticipated Closing Date of October 28, 2005 to but excluding December 31, 2005. For each Regular Distribution Date after December 31, 2015, the Indicated Distribution will be an amount determined by multiplying \$1,000 by one half of the sum of the Bankers' Acceptance Rate for the Distribution Period immediately preceding such Distribution Date plus 150 basis points, payable on the last day of June and December of each year commencing June 30, 2016.

The Indicated Distribution in respect of each series of RBC TruCS is payable by the Trust on the RBC TruCS on each Distribution Date that is a Regular Distribution Date. The determination of whether any Distribution Date is a Regular Distribution Date or a Distribution Diversion Date will depend on whether the Bank has declared Dividends in the Reference Dividend Declaration Month. The Reference Dividend Declaration Month in respect of any Distribution Date will be that Dividend Declaration Month closest to but preceding the commencement of the Distribution Period terminating on the day preceding such Distribution Date. If the Bank declares Dividends in the Reference Dividend Declaration Month, the Distribution Date in question will be a Regular Distribution Date, with the result that the Trust will be obligated to pay the Indicated Distribution on the RBC TruCS to the holders thereof. If, on December 31 of any year, Net Distributable Funds of the Trust remain after payment of the Indicated Distribution on each series of RBC TruCS on each Regular Distribution Date during such year (if any) the Bank as the sole holder of the Special Trust Securities will be entitled to receive such remaining Net Distributable Funds on that date.

If the Bank fails to declare Dividends in such Reference Dividend Declaration Month, the Distribution Date in question will be a Distribution Diversion Date, with the result that the Trust will not be obligated to and will not pay the Indicated Distribution on the RBC TruCS and, instead, the Net Distributable Funds of the Trust will be payable to the Bank as holder of the Special Trust Securities. On any Regular Distribution Date, if the Net Distributable Funds of the Trust determined in respect of such Regular Distribution Date are insufficient to meet the obligations of the Trust to pay the aggregate Indicated Distribution on all series of RBC TruCS outstanding (the amount of such insufficiency, the "Indicated Distribution Deficit"), such Indicated Distribution Deficit shall constitute the Indicated Distribution for each series of RBC TruCS in respect of such Regular Distribution Date that remains unpaid and there will be added to the Accumulated Unpaid Indicated Distribution in respect of each series of RBC TruCS an amount determined by multiplying the Indicated Distribution Deficit by the percentage that the Indicated Distribution on the particular series of RBC TruCS represents of the aggregate Indicated Distribution on all series of RBC TruCS in respect of such Regular Distribution Date (the "Indicated Distribution Ratio") and the Trust will pay to holders of each series of RBC TruCS the amount of the Net Distributable Funds determined by multiplying the Net Distributable Funds by the Indicated Distribution Ratio in respect of the particular series of RBC TruCS. Holders of RBC TruCS shall have no right to sue the Trust to accelerate payment of the Indicated Distribution Deficit. Such amounts, which will form part of the Accumulated Unpaid Indicated Distribution, may be paid by the Trust to holders of RBC TruCS at the time and in the manner as the Trustee may, in its sole discretion, determine.

Bank Dividend Stopper Undertakings

In the event that the Trust fails, on any Regular Distribution Date, to pay the Indicated Distribution on the RBC TruCS — Series 2015 in full, the Bank has, pursuant to a Bank Share Exchange Agreement, covenanted for the benefit of holders of RBC TruCS — Series 2015 that it will not declare dividends of any kind on the Dividend Restricted Shares until the Dividend Declaration Resumption Month, being the month that commences immediately after the third Dividend Declaration Month following the Trust's failure to pay the Indicated Distribution in full on the RBC TruCS — Series 2015 unless the Trust first pays such Indicated Distribution (or the unpaid portion thereof) to holders of RBC TruCS — Series 2015. The duration of the Bank Dividend Stopper Undertaking will vary depending upon the frequency of the Dividend Declaration Months. If, for example, the Bank changes its current practice of declaring dividends quarterly to declaring dividends monthly, the amount of time for which the Bank will be prohibited from declaring dividends on the Dividend Restricted Shares will be less than it would have been under current practice. Any Indicated Distribution (or portion thereof) that the Trust fails to pay to the holders of RBC TruCS — Series 2015 on a Regular Distribution Date will form part of the Accumulated Unpaid Indicated Distribution and is payable on the occurrence of any event giving rise to the obligation of the Trust to pay or cause the payment of the Early Redemption Price or the Redemption Price, as the case may be, as part of such price. The first dividend in respect of the Dividend Restricted Shares declared by the Bank in or following the Dividend Declaration Resumption Month shall be paid by the Bank no earlier than would ordinarily be the case. **It is in the interest of the Bank to ensure, to the extent within its control, that the Trust pay the Indicated Distribution on the RBC TruCS — Series 2015 on each Regular Distribution Date so as to avoid triggering the Dividend Stopper Undertakings.**

Set forth below is a table indicating the relationship among the Reference Dividend Declaration Month, the Distribution Period, the Distribution Date and the Dividend Declaration Resumption Month for the RBC TruCS — Series 2015:

<u>Reference Dividend Declaration Month⁽¹⁾</u>	<u>Commencement of Current Distribution Period⁽²⁾</u>	<u>Distribution Date</u>	<u>Dividend Declaration Resumption Month⁽³⁾</u>
August, 2005	Closing Date	December 31, 2005	September, 2006
December, 2005	December 31, 2005	June 30, 2006	March, 2007
May, 2006	June 30, 2006	December 31, 2006	September, 2007

- (1) The Reference Dividend Declaration Months and the Dividend Declaration Resumption Months are based on the Bank's current practice with respect to declaring Dividends. The Bank has had an uninterrupted history of paying dividends on Bank Common Shares in each year since 1870. If such practice were to change in the future in terms of the timing or frequency of the declaration of Dividends, the Reference Dividend Declaration Months and the Dividend Declaration Resumption Months referred to above may change. The Reference Dividend Declaration Month in respect of any Distribution Date would, in all events, continue to be the Dividend Declaration Month closest to but preceding the commencement of the Distribution Period ended on the day preceding such Distribution Date. Accordingly, whether the Bank declares Dividends in the months of February or August on any preferred shares or, if no such shares are then outstanding, on Bank Common Shares, will have no effect on whether the Indicated Distribution is payable on the RBC TruCS — Series 2015 on any Distribution Date.
- (2) Prior to the commencement of any Distribution Period, the question of whether the Distribution Date falling on the day after the last day of such Distribution Period will be a Regular Distribution Date or a Distribution Diversion Date, and the entitlement of holders of RBC TruCS — Series 2015, will have been determined.
- (3) The Dividend Declaration Resumption Month is only relevant if the Trust fails to pay the Indicated Distribution in full on the RBC TruCS on any Regular Distribution Date.

Automatic Exchange

Each RBC TruCS will be exchanged automatically (the "Automatic Exchange"), without the consent of the holder thereof, for Bank Preferred Shares (40 Bank Preferred Shares Series Z in the case of RBC TruCS — Series 2015) upon the occurrence of a Loss Absorption Event, being any of the following: (i) an application for a winding-up order in respect of the Bank pursuant to the Winding-up and Restructuring Act (Canada) is filed by the Attorney General of Canada or a winding-up order in respect of the Bank pursuant to that Act is granted by a court; (ii) the Superintendent advises the Bank in writing that the Superintendent has taken control of the Bank or its assets pursuant to the Bank Act; (iii) the Superintendent advises the Bank in writing that the Superintendent is of the opinion that the Bank has a risk-based Tier 1 Capital ratio of less than 5.0% or a risk-based Total Capital ratio of less than 8.0%; (iv) the Board of Directors advises the Superintendent in writing that the Bank has a risk-based Tier 1 Capital Ratio of less than 5.0% or a risk-based Total Capital Ratio of less than 8.0%; or (v) the Superintendent directs the Bank pursuant to the Bank Act to increase its capital or to provide additional liquidity and the Bank elects to cause the exchange as a consequence of the issuance of such direction or the Bank does not comply with such direction to the satisfaction of the Superintendent within the time specified therein.

The Automatic Exchange shall occur as of 8:00 a.m. (Eastern time) on the date that a Loss Absorption Event occurs. As of the time of exchange, each holder of RBC TruCS shall be deemed to have exchanged and transferred to the Bank all of such holder's right, title and interest in and to its RBC TruCS and shall cease to be a holder thereof and all rights of such holder as a securityholder of the Trust will cease and such person shall therefrom be deemed to be and shall be for all purposes a holder of Bank Preferred Shares. If, for any reason, the Automatic Exchange does not result in the exchange of all RBC TruCS then outstanding for Bank Preferred Shares, the Trust will redeem each RBC TruCS not so exchanged for consideration consisting of Bank Preferred Shares (40 Bank Preferred Shares Series Z in the case of RBC TruCS — Series 2015). The Trust will, pursuant to the Subscription Right, have the right to require the Bank to issue to it, upon receipt of appropriate consideration therefor, a sufficient number of Bank Preferred Shares to enable the Trust to allow it to redeem the RBC TruCS, if any, remaining outstanding following the Automatic Exchange. As of the time of redemption, each holder of RBC TruCS so redeemed shall cease to be a holder thereof and all rights of such holder as a securityholder of the Trust will cease and such person shall therefrom be deemed to be and shall be for all purposes a holder of Bank Preferred Shares unless payment in the form of Bank Preferred Shares is not made. It shall not be necessary for the Trust, in such circumstances, to provide any prior written notice of redemption to holders of RBC TruCS. The Trust will acquire the Bank Preferred Shares required by it for purposes of such redemption, if any, from the Bank pursuant to the Subscription Right. The Bank will mail notice of the occurrence of the Loss Absorption Event to the Trustee within 10 days of such event.

Upon an Automatic Exchange or a redemption of the RBC TruCS for Bank Preferred Shares, the Bank reserves the right not to issue Bank Preferred Shares to Ineligible Persons or to persons who would as a result of the Automatic Exchange become Significant Shareholders. In such circumstances, all Bank Preferred Shares that would otherwise be issued to Ineligible Persons or Significant Shareholders, will be delivered to the Exchange Trustee, as their agent, and the Exchange Trustee will attempt to sell such Bank Preferred Shares (to parties other than the Bank and its affiliates) on behalf of such Ineligible Persons or Significant Shareholders. Such sales, if any, will be made at such times and at such prices as the Exchange Trustee may, in its sole discretion, determine. Neither the Bank, the Trustee or the Exchange Trustee will be subject to any liability for failure to sell such Bank Preferred Shares on behalf of such Ineligible Persons or Significant Shareholders or at any particular price on any particular day. The net proceeds received by the Exchange Trustee from the sale of any such Bank Preferred Shares will be divided among the Ineligible Persons or Significant Shareholders in proportion to the number of Bank Preferred Shares that would otherwise have been issuable to them, after deducting the costs of sale, net of any applicable withholding taxes. The Exchange Trustee will provide a cheque representing the aggregate net proceeds to CDS (if the RBC TruCS are then held in the book-entry only system) or to the Trustee (in all other cases) for distribution to such Ineligible Persons or Significant Shareholders in accordance with CDS Procedures or otherwise.

If the Automatic Exchange were to occur and Bank Preferred Shares were issued in exchange for RBC TruCS as a result thereof, the cost-effective nature of the consolidated capital raised by the Bank through the issuance of the RBC TruCS would be lost. Accordingly, it is in the interests of the Bank to ensure that a Loss Absorption Event does not occur, although the events that could give rise to a Loss Absorption Event may be beyond the Bank's control.

Trust Special Event Redemption Right

Upon the occurrence of a Tax Event or a Capital Disqualification Event, in each case prior to December 31, 2010, the RBC TruCS — Series 2015 will, upon at least 30 and not more than 90 days' prior written notice by the Trustee, with Superintendent Approval, be redeemable by the Trust at its option in whole (but not in part) and without the consent of the holders thereof, for a cash price per RBC TruCS — Series 2015 equal to the Early Redemption Price, being the greater of: (i) the Redemption Price; and (ii) the RBC TruCS — Series 2015 Canada Yield Price, being a price per RBC TruCS — Series 2015 calculated to provide an annual yield thereon to December 31, 2015 equal to the Government of Canada Yield plus 0.195% determined on the Business Day immediately preceding the date on which the Trust has given notice of the Redemption of the RBC TruCS — Series 2015 as a consequence of the exercise of the Trust Special Event Redemption Right plus the Unpaid Indicated Distribution. A Tax Event can occur where there is more than an insubstantial risk that, as a result of a change in law or certain other circumstances, the Bank becomes subject to more than a de minimus amount of taxes, duties or other governmental charges or civil liabilities, even if such change is not related to the Trust.

Trust Redemption Right

On December 31, 2010 and on any Distribution Date thereafter, the Trust may, at its option, redeem the RBC TruCS — Series 2015 in whole (but not in part) and without the consent of the holders thereof, upon at least 30 and not more than 60 days' prior written notice and with Superintendent Approval, for a cash amount per RBC TruCS — Series 2015 equal to: (i) the Early Redemption Price if the redemption occurs prior to December 31, 2015; or (ii) the Redemption Price if the redemption occurs on or after December 31, 2015.

Purchase for Cancellation

On or after the date that is five years after the Closing Date, the RBC TruCS — Series 2015 may be purchased, in whole or in part, by the Trust, with Superintendent Approval, in the open market or by tender or private contract at any price. RBC TruCS — Series 2015 purchased by the Trust shall be cancelled and shall not be reissued.

Rights on Termination of the Trust

As long as any RBC TruCS are outstanding, the Trust may only be terminated with the approval of the Bank, as sole holder of the Special Trust Securities, and with Superintendent Approval: (i) upon the occurrence of a Special Event prior to December 31, 2010; or (ii) for any reason on December 31, 2010 or any Distribution Date thereafter. The Declaration of Trust provides that holders of RBC TruCS are not entitled to initiate proceedings for the termination of the Trust.

Pursuant to a Bank Share Exchange Agreement, the Bank has covenanted for the benefit of holders of RBC TruCS — Series 2015 that, as long as any RBC TruCS — Series 2015 are outstanding, the Bank will not approve the termination of the Trust unless the Trust has sufficient funds to pay the Early Redemption Price (if the termination is as a result of action taken by the Bank and occurs prior to December 31, 2015) or the Redemption Price (in all other cases).

Holders of RBC TruCS and holders of Special Trust Securities will rank *pari passu* in the distribution of the property of the Trust in the event of a termination of the Trust, after the discharge of claims of creditors, if any. The entitlement of the holder of each RBC TruCS on a termination of the Trust will be determined by multiplying the Early Redemption Price (if the termination is as a result of action taken by the Bank and occurs prior to a date specified with respect to each series (December 31, 2015 in the case of RBC TruCS — Series 2015)) or the Redemption Price (in all other cases), in either case, by the Termination Distribution Ratio. The entitlement of the Bank, as the sole holder of the Special Trust Securities, shall be determined by multiplying the invested amount of the Bank in respect of all Special Trust Securities then outstanding by the Termination Distribution Ratio.

Additional Bank Covenants

In addition to the Dividend Stopper Undertakings, the Bank has covenanted, for the benefit of holders of RBC TruCS — Series 2015 pursuant to a Bank Share Exchange Agreement, that:

- (i) all of the outstanding Special Trust Securities will be held at all times by the Bank; and
- (ii) as long as any RBC TruCS — Series 2015 are outstanding, the Bank will not take any action to cause the termination of the Trust except as set forth under “Description of the Trust Securities — The Trust Capital Securities — Series 2015 — Rights on Termination of the Trust” and only with Superintendent Approval.

The Bank may assign or otherwise transfer its obligations under the Bank Share Exchange Agreements only in the event of a merger, consolidation, amalgamation or reorganization or a sale of all or substantially all of the assets of the Bank.

Issue of Bank Preferred Shares Series Z in Connection with the Automatic Exchange

All corporate action necessary for the Bank to issue Bank Preferred Shares Series Z pursuant to the Automatic Exchange will be completed prior to the completion of the Offering. The issuance of Bank Preferred Shares Series Z pursuant to the Automatic Exchange is subject to the obtaining of an exemption under applicable securities legislation in one of the territories of Canada and Superintendent Approval. Applications for the foregoing exemption and approval have been filed by the Bank.

Bank Share Exchange Agreement

Contemporaneously with the completion of the Offering, the Trust, the Bank and the Exchange Trustee, as trustee for the holders of the RBC TruCS — Series 2015, will enter into a Bank Share Exchange Agreement providing for the Dividend Stopper Undertakings as well as the grant of and certain rights and obligations relating to the Automatic Exchange and the Subscription Right. Pursuant to such Bank Share Exchange Agreement, the Bank will grant to the Exchange Trustee for the benefit of the holders of RBC TruCS — Series 2015 the right to exchange RBC TruCS — Series 2015 for Bank Preferred Shares Series Z upon an Automatic Exchange and the Exchange Trustee on behalf of the holders of RBC TruCS — Series 2015 will grant to the Bank the right to exchange RBC TruCS — Series 2015 for Bank Preferred Shares Series Z upon an Automatic Exchange. Pursuant to the Bank Share Exchange Agreement, the Bank will covenant to take or refrain from taking certain actions so as to ensure that holders of RBC TruCS — Series 2015 will receive the benefit of the Automatic Exchange, including obtaining the requisite approval of holders of the RBC TruCS — Series 2015 to any amendment to the provisions of the Bank Preferred Shares Series Z (other than any amendments relating to the Bank Preferred Shares as a class).

Voting Rights

The RBC TruCS — Series 2015 are non-voting, except in the limited circumstances set forth in the Declaration of Trust involving changes to the terms and conditions of the RBC TruCS. The Declaration of Trust provides that where such changes affect the terms and conditions of the RBC TruCS — Series 2015 differently than any other series of RBC TruCS then outstanding, the terms and conditions may be changed only if authorized by the holders of RBC TruCS — Series 2015 by way of a resolution passed by holders of RBC TruCS — Series 2015 representing not

less than 66 $\frac{2}{3}$ % of the total number of outstanding RBC TruCS - Series 2015 represented and voted at a meeting of such holders at which a quorum is present, or a resolution in writing signed by such holders representing not less than 66 $\frac{2}{3}$ % of the outstanding RBC TruCS — Series 2015. Any such change must be approved by the Bank and, in addition, any such change that would affect the status of the RBC TruCS — Series 2015 as capital of the Bank is subject to Superintendent Approval. The quorum at any such meeting shall be one or more registered holders of RBC TruCS — Series 2015 present in person or represented by proxy and owning or representing not less than 25% of the aggregate number of RBC TruCS — Series 2015 then outstanding, provided that if a quorum is not present and the meeting is adjourned, at the meeting following such adjournment those registered holders present in person or represented by proxy shall constitute a quorum notwithstanding that they may not represent not less than 25% of the aggregate number of RBC TruCS — Series 2015 then outstanding. The Trustee may, without the consent of holders of RBC TruCS — Series 2015, execute instruments supplemental to the Declaration of Trust and any other relevant instruments for certain limited purposes, including curing ambiguities or defects and making any modifications that, in the opinion of the Trustee, would not be prejudicial to the interest of holders of RBC TruCS — Series 2015 and making such changes as may be required to conform with applicable regulatory requirements from time to time.

Capital Reorganizations and Amalgamations

In the event of a capital reorganization, merger or amalgamation of the Bank, the terms and conditions of the RBC TruCS — Series 2015 provide that holders of RBC TruCS — Series 2015 shall be entitled to receive pursuant to the Automatic Exchange, after such capital reorganization, merger or amalgamation, the number of shares of the Bank or other securities or consideration of the Bank or of a corporation resulting, surviving or continuing from the capital reorganization, merger or amalgamation that such holder would have received had his or her RBC TruCS — Series 2015 been exchanged, pursuant to the Automatic Exchange, for Bank Preferred Shares Series Z immediately prior to the record date of the capital reorganization, merger or amalgamation. The entitlement of the Trust under the Subscription Right shall be similarly adjusted.

Book-Entry Only Form

Except as otherwise provided below, the RBC TruCS — Series 2015 will be issued in “book-entry only” form and must be purchased or transferred through Participants in the depository service of CDS. Participants include securities brokers and dealers, banks and trust companies. On the Closing Date, the Trust will cause a global certificate representing the RBC TruCS — Series 2015 to be delivered to, and registered in the name of, CDS. Except as described below, no holder of RBC TruCS — Series 2015 will be entitled to a certificate or other instrument from the Trust or CDS evidencing that holder’s ownership, and no holder will be shown on the records maintained by CDS except through a book-entry account of a Participant acting on behalf of such holder. Each holder of RBC TruCS — Series 2015 will receive a customer confirmation of purchase from the registered dealer from which the RBC TruCS — Series 2015 are purchased in accordance with the practices and procedures of that registered dealer. The practices of registered dealers may vary, but generally customer confirmations are issued promptly after execution of a customer order.

CDS will be responsible for establishing and maintaining book-entry accounts for its Participants having interests in the RBC TruCS — Series 2015. If: (i) required to do so by applicable law or the rules of any securities exchange; (ii) the book-entry only system ceases to exist; (iii) the Trust determines that CDS is no longer willing or able to discharge properly the responsibilities as depository with respect to the RBC TruCS — Series 2015 and the Trust is unable to locate a qualified successor; or (iv) the Trust at its option elects, or is required by law, to withdraw the RBC TruCS — Series 2015 from the book-entry only system, then physical certificates representing the RBC TruCS — Series 2015 will be issued to holders or their nominees.

None of the Bank, the Trustee or the Underwriters will assume any liability for: (i) any aspect of the records relating to the beneficial ownership of the RBC TruCS — Series 2015 held by CDS or the payments or deliveries relating thereto; (ii) maintaining, supervising or reviewing any records relating to the RBC TruCS — Series 2015; or (iii) any advice or representation made by or with respect to CDS relating to the rules governing CDS or any action to be taken by CDS or at the direction of Participants. The rules governing CDS provide that it acts as the agent and depository for the Participants. As a result, Participants must look solely to CDS, and persons other than Participants having an interest in the RBC TruCS — Series 2015 must look solely to Participants, for payments or deliveries made by or on behalf of the Trust or the Bank to CDS in respect of the RBC TruCS — Series 2015.

Transfers

Transfers of ownership of the RBC TruCS — Series 2015 will be effected only through records maintained by CDS for such RBC TruCS — Series 2015 with respect to interests of Participants and on the records of Participants with respect to interests of persons other than Participants. Holders of RBC TruCS — Series 2015 who are not Participants, but who desire to purchase, sell or otherwise transfer ownership of or other interests in the RBC TruCS — Series 2015, may do so only through Participants. The ability of a holder to pledge RBC TruCS — Series 2015 or otherwise take action with respect to such holder's interest in RBC TruCS — Series 2015 (other than through a Participant) may be limited due to the lack of a physical certificate. See "Risk Factors — Liquidity of and Dealings in RBC TruCS — Series 2015".

Payments and Deliveries

The Trust will make or cause to be made payments of the Indicated Distribution in respect of RBC TruCS — Series 2015 to CDS as the registered holder of the RBC TruCS — Series 2015 and the Trust understands that such payments will be forwarded by CDS to Participants in accordance with CDS Procedures. Deliveries of Bank Preferred Shares Series Z in respect of the operation of the Automatic Exchange or upon a redemption of the RBC TruCS — Series 2015 by the Trust in the limited circumstances described under "Description of the Trust Securities — The Trust Capital Securities — Series 2015 — Automatic Exchange" will be made by the Bank or the Trust, as the case may be, to CDS as the registered holder of the RBC TruCS — Series 2015 and the Bank and the Trust understand that such shares will be forwarded by CDS to Participants in accordance with CDS Procedures. As long as CDS is the registered owner of the RBC TruCS — Series 2015, CDS will be considered the sole owner of the RBC TruCS — Series 2015 for the purposes of receiving payments on the RBC TruCS — Series 2015 or the delivery of Bank Preferred Shares Series Z upon the operation of the Automatic Exchange or upon a redemption of the RBC TruCS — Series 2015 by the Trust. As long as the RBC TruCS — Series 2015 are held in the CDS book-entry only system, the responsibility and liability of the Trustee or the Bank in respect of the RBC TruCS — Series 2015 is limited to making payment of any amount due on the RBC TruCS — Series 2015 or making delivery of Bank Preferred Shares Series Z to CDS or its nominee, as registered holder of RBC TruCS — Series 2015.

RBC TruCS — Series 2010

On July 24, 2000, the Trust issued 650,000 of the initial series of RBC TruCS designated Trust Capital Securities — Series 2010 (the "RBC TruCS — Series 2010") at a price of \$1,000 per RBC TruCS — Series 2010 for total gross proceeds of \$650,000,000. Holders of RBC TruCS — Series 2010 are entitled to receive an Indicated Distribution of \$36.44 per RBC TruCS — Series 2010. RBC TruCS — Series 2010 may be exchanged on and after June 30, 2010 at the option of the holder, or automatically under certain circumstances, for Bank Preferred Shares Series Q, paying a semi-annual non-cumulative cash dividend of \$0.911 per share.

On December 6, 2000, the Trust issued 750,000 of the second series of RBC TruCS designated Trust Capital Securities — Series 2011 (the "RBC TruCS — Series 2011") at a price of \$1,000 per RBC TruCS — Series 2011 for total gross proceeds of \$750,000,000. Holders of RBC TruCS — Series 2011 are entitled to receive an Indicated Distribution of \$35.92 per RBC TruCS — Series 2011. RBC TruCS — Series 2011 may be exchanged on and after December 31, 2011 at the option of the holder, or automatically under certain circumstances, for Bank Preferred Shares Series R, paying a semi-annual non-cumulative cash dividend of \$0.898 per share.

The RBC TruCS — Series 2010, the RBC TruCS — Series 2011 and the RBC TruCS — Series 2015 rank *pari passu* in distribution of the property of the Trust in the event of a termination of the Trust (together with the Bank as sole holder of the Special Trust Securities) and rank *pari passu* in respect of the Indicated Distributions payable on each series of RBC TruCS.

The Special Trust Securities

Voting Rights

The Declaration of Trust provides that the Special Trust Securities are voting. Pursuant to the Declaration of Trust, holders of Special Trust Securities are entitled to vote in respect of, among other things: (i) the termination of the Trust as set forth under "Description of the Trust Securities — The Trust Capital Securities — Series 2015 — Rights on

Termination of the Trust”; (ii) the removal and replacement of the Trustee; and (iii) the removal and replacement of the Administrative Agent.

Distributions

If on December 31 of any year Net Distributable Funds of the Trust remain after payment of the Indicated Distribution on each series of RBC TruCS on each Regular Distribution Date during such year (if any), the Bank as sole holder of the Special Trust Securities will be entitled to receive such remaining Net Distributable Funds on that date. On a Distribution Date that is a Distribution Diversion Date, the Bank as sole holder of the Special Trust Securities, shall be entitled to receive the Net Distributable Funds of the Trust and no payment of the Indicated Distribution shall be made on the RBC TruCS.

Redemption

The issued and outstanding Special Trust Securities are not redeemable at the option of the Trust or the holder. However, in the future, the Trust may issue Special Trust Securities to the Bank that are redeemable at the option of the Trust with the consent of the holder.

Rights on Termination of the Trust

In the event of a termination of the Trust, after the discharge of the obligations of the Trust to creditors, the Bank, as sole holder of the Special Trust Securities, will be entitled to participate, *pari passu* with the holders of the RBC TruCS, in the distribution of the remaining property of the Trust. On a termination of the Trust, the Bank, as sole holder of the Special Trust Securities, will be entitled to receive an amount equal to the invested amount of the Bank in respect of all Special Trust Securities then outstanding multiplied by the Termination Distribution Ratio.

DESCRIPTION OF BANK PREFERRED SHARES SERIES Z

The Bank Preferred Shares of each series rank on a parity with the Bank Preferred Shares of every other series and are entitled to preference over the Bank Common Shares and over any other shares ranking junior to the Bank Preferred Shares with respect to the payment of dividends and in the distribution of property in the event of the liquidation, dissolution or winding-up of the Bank.

Creation and Issues of Shares

Pursuant to the Bank Act, the Bank may not, without the approval of the holders of the Bank Preferred Shares, create any other class of shares ranking equal with or superior to the Bank Preferred Shares. In addition, the Bank may not, without the prior approval of the holders of the Bank Preferred Shares as a class given as specified below under “Shareholder Approvals” (in addition to such approvals as may be required by the Bank Act or any other legal requirement), (i) create or issue any shares ranking in priority to the Bank Preferred Shares; or (ii) create or issue any additional series of Bank Preferred Shares or any shares ranking *pari passu* with the Bank Preferred Shares unless at the date of such creation or issuance all cumulative dividends up to and including the dividend payment for the last completed period for which such cumulative dividends shall be payable shall have been declared and paid or set apart for payment in respect of each series of cumulative Bank Preferred Shares then issued and outstanding and any declared and unpaid non-cumulative dividends shall have been paid or set apart for payment in respect of each series of non-cumulative Bank Preferred Shares then issued and outstanding. Currently, there are no outstanding Bank Preferred Shares which carry the right to cumulative dividends.

Issue Price

The Bank Preferred Shares Series Z will have an issue price of \$25.00 per share.

Dividends

The holders of the Bank Preferred Shares Series Z will be entitled to receive, in respect of each Bank Preferred Share Series Z, semi-annual non-cumulative preferential cash dividends, as and when declared by the Board of Directors, payable on the last day of June and December in each year (subject to adjustment on the first such payment date if the Bank Preferred Shares Series Z have been issued and outstanding for less than 6 months) equal to \$0.60625.

Written notice of any redemption will be given by the Bank at least 30 and not more than 60 days prior to the date fixed for redemption. If less than all the outstanding Bank Preferred Shares Series Z are at any time to be redeemed, the shares to be redeemed will be selected by lot or pro rata disregarding fractions or in such other manner as the Bank may determine. Reference is also made to “The Bank — Limitations Affecting Holders of Bank Shares”.

Conversion into Another Series of Bank Preferred Shares at the Option of the Holder

The Bank may, by resolution of the Board of Directors, constitute a further series of Bank Preferred Shares (the “New Bank Preferred Shares”) having rights, privileges, restrictions and conditions attaching thereto which would qualify such New Bank Preferred Shares as risk-based Tier 1 Capital of the Bank under the then current Capital Guidelines if applicable, and if not applicable having such rights, privileges, restrictions and conditions as the Board of Directors may determine, provided that, in each case, such New Bank Preferred Shares do not constitute “short term preferred shares” under the Tax Act. In such event, the Bank may, with Superintendent Approval, give holders of the Bank Preferred Shares Series Z written notice that they have the right, pursuant to the terms of the Bank Preferred Shares Series Z, at their option, to convert their Bank Preferred Shares Series Z on the date specified in the notice into fully-paid New Bank Preferred Shares on a share for share basis. Notice shall be given by the Bank in writing not more than 60 days and not less than 30 days prior to such Conversion Date.

Upon exercise by the holder of this right to convert Bank Preferred Shares Series Z into New Bank Preferred Shares, the Bank reserves the right not to issue New Bank Preferred Shares to any Ineligible Person. See “The Bank — Limitations Affecting Holders of Bank Shares”.

Presentation for Conversion, Redemption or Sale

A conversion, redemption or sale to the Bank of Bank Preferred Shares Series Z will be effected by the holder transferring such holder’s Bank Preferred Shares Series Z to be converted, redeemed or sold, as the case may be, to the

account of the Bank in CDS (or, in the event that the Bank Preferred Shares Series Z are not then issued in book-entry only form, by depositing with the transfer agent for the Bank Preferred Shares Series Z, at one of its principal offices, certificates representing such Bank Preferred Shares Series Z).

Purchase for Cancellation

Subject to the provisions of the Bank Act and to Superintendent Approval and to the provisions described below under “Description of the Bank Preferred Shares Series Z — Description of Bank Preferred Shares Series Z as a Series — Restrictions on Dividends and Retirement of Shares”, the Bank may at any time purchase for cancellation any Bank Preferred Share Series Z at the lowest price or prices at which in the opinion of the Board of Directors such shares are obtainable.

Rights on Liquidation

In the event of the liquidation, dissolution or winding-up of the Bank, the holders of the Bank Preferred Shares Series Z shall be entitled to receive \$25.00 per share, together with the amount of declared and unpaid dividends to the date of payment before any amount shall be paid or any assets of the Bank distributed to the holders of Bank Common Shares or any shares ranking junior to the Bank Preferred Shares Series Z. The holders of the Bank Preferred Shares Series Z shall not be entitled to share in any further distribution of the property or assets of the Bank.

Restrictions on Dividends and Retirement of Shares

So long as any of the Bank Preferred Shares Series Z are outstanding, the Bank will not, without the approval of the holders of the Bank Preferred Shares Series Z given as specified below:

- (a) declare any dividend on the Bank Common Shares or any other shares ranking junior to the Bank Preferred Shares Series Z (other than stock dividends on shares ranking junior to the Bank Preferred Shares Series Z); or
- (b) redeem, purchase or otherwise retire any Bank Common Shares or any other shares ranking junior to the Bank Preferred Shares Series Z (except out of the net cash proceeds of a substantially concurrent issue of shares ranking junior to the Bank Preferred Shares Series Z); or
- (c) redeem, purchase or otherwise retire less than all the Bank Preferred Shares Series Z; or
- (d) except pursuant to any purchase obligation, sinking fund, retraction privilege or mandatory redemption provisions attaching to any series of preferred shares of the Bank, redeem, purchase or otherwise retire any other shares ranking on a parity with the Bank Preferred Shares Series Z;

unless all dividends up to and including those payable on the dividend payment date for the last completed period for which dividends shall be payable shall have been declared and paid or set apart for payment in respect of each series of cumulative Bank Preferred Shares then issued and outstanding and on all other cumulative shares ranking on a parity with the Bank Preferred Shares and there shall have been paid or set apart for payment all declared dividends in respect of each series of non-cumulative Bank Preferred Shares (including the Bank Preferred Shares Series Z) then issued and outstanding and on all other non-cumulative shares ranking on a parity with the Bank Preferred Shares.

Issue of Additional Series of Bank Preferred Shares

The Bank may issue other series of Bank Preferred Shares ranking on a parity with the Bank Preferred Shares Series Z, without the authorization of the holders of the Bank Preferred Shares Series Z, if at the date of such issuance all cumulative dividends up to and including the dividend payment for the last completed period for which such cumulative dividends shall be payable shall have been declared and paid or set apart for payment in respect of each series of cumulative Bank Preferred Shares then issued and outstanding and any declared and unpaid non-cumulative dividends shall have been paid or set apart for payment in respect of each series of non-cumulative Bank Preferred Shares then issued and outstanding.

Shareholder Approvals

The approval of any amendments to the rights, privileges, restrictions and conditions attaching to the Bank Preferred Shares Series Z may be given by a resolution carried by the affirmative vote of not less than $66\frac{2}{3}\%$ of the votes cast at a meeting of holders of Bank Preferred Shares Series Z at which a majority of the outstanding Bank Preferred Shares Series Z is represented or, if no quorum is present at the meeting, at a meeting following such

adjourned meeting at which no quorum would apply. Pursuant to a Bank Share Exchange Agreement, the Bank has covenanted that for so long as any RBC TruCS — Series 2015 are outstanding no amendment will be made to the rights, privileges, restrictions and conditions of the Bank Preferred Shares Series Z (other than any amendments relating to the Bank Preferred Shares as a class) without the prior approval of 66⅔% of the holders of the RBC TruCS — Series 2015.

In addition to the aforementioned approval, the Bank may from time to time with the approval of the Superintendent, make such deletions or variations which might affect the classification afforded to the Bank Preferred Shares Series Z for capital adequacy requirements pursuant to the Bank Act.

Voting Rights

The holders of the Bank Preferred Shares Series Z as such will not be entitled to receive notice of or to attend or to vote at any meeting of the shareholders of the Bank unless and until the first time at which the Board of Directors of the Bank has not declared the whole dividend on the Bank Preferred Shares Series Z in any semi-annual period. In that event, the holders of the Bank Preferred Shares Series Z will be entitled to receive notice of, and to attend, all meetings of shareholders at which directors are to be elected and will be entitled to one vote for each share held. The voting rights of the holders of the Bank Preferred Shares Series Z shall forthwith cease upon payment by the Bank of the first dividend on the Bank Preferred Shares Series Z to which the holders are entitled subsequent to the time such voting rights first arose. At such time as the rights of such holders to any undeclared dividends on the Bank Preferred Shares Series Z have again become extinguished, such voting rights shall become effective again and so on from time to time.

Book-Entry Only Form

Unless the Bank elects otherwise, the Bank Preferred Shares Series Z will be issued in “book-entry only” form, and may be purchased, held and transferred in substantially the same manner as the RBC TruCS. See “Description of the Trust Securities — The Trust Capital Securities — Series 2015 — Book-Entry Only Form”.

CANADIAN FEDERAL INCOME TAX CONSIDERATIONS

In the opinion of McCarthy Tétrault LLP, counsel to the Bank and the Trust, and Osler, Hoskin & Harcourt LLP, counsel to the Underwriters, the following is a summary of the principal Canadian federal income tax considerations generally applicable to the Trust and a holder of RBC TruCS — Series 2015 who acquires RBC TruCS — Series 2015 under the Offering and who, for purposes of the Tax Act and at all relevant times, is resident or deemed to be resident in Canada, deals at arm’s length and is not affiliated with the Bank and the Trust, holds the RBC TruCS — Series 2015 and any Bank Preferred Shares Series Z as capital property, is not exempt from tax under Part I of the Tax Act, and does not hold the RBC TruCS — Series 2015, any Bank Preferred Shares Series Z acquired on an exchange or redemption of RBC TruCS — Series 2015 or any New Bank Preferred Shares in a Deferred Income Plan. This summary does not take into account (other than in respect of the Trust) the “mark-to-market” rules contained in the Tax Act which apply to certain financial institutions. Furthermore, the part of this summary dealing with the Bank Preferred Shares Series Z does not apply to a “specified financial institution” (as defined in the Tax Act) that, either alone or together with non-arms’ length persons, receives (or is deemed to receive) in the aggregate dividends in respect of more than 10% of the Bank Preferred Shares Series Z outstanding at the time a dividend is received. This summary also assumes that all issued and outstanding Bank Preferred Shares Series Z are listed on a prescribed stock exchange in Canada (as defined in the Tax Act) at such time as dividends (including deemed dividends) are paid or received on such shares.

The summary is of a general nature only and is not intended to be, nor should it be construed to be, legal or tax advice to any particular investor. Consequently, investors are urged to consult their own tax advisers with respect to their particular circumstances.

This summary is based upon the current provisions of the Tax Act and the regulations issued thereunder, all specific proposals to amend the Tax Act and the regulations thereunder publicly announced by the Minister of Finance (Canada) prior to the date hereof and counsel’s understanding of the current administrative and assessing policies of the Canada Revenue Agency. This summary is not exhaustive of all possible Canadian federal income tax considerations and, except as mentioned above, does not take into account any changes in law or administrative and assessing policies, whether by legislative, governmental or judicial decision or action, nor does it take into account or consider any other federal tax considerations or provincial, territorial or foreign tax considerations.

RBC TruCS — Series 2015

Taxation of the Trust

In each taxation year of the Trust, the net income and net realized capital gains, if any, of the Trust as would otherwise be taxable in the Trust will be payable to holders of RBC TruCS or the Bank as sole holder of the Special Trust Securities. Consequently, the Trust will not be liable for income tax under Part I of the Tax Act. Capital or income losses incurred by the Trust cannot be allocated to holders of the RBC TruCS or the Bank as sole holder of the Special Trust Securities but may, subject to certain limitations, be deducted by the Trust from taxable capital gains or net income realized in other years.

As a registered investment, the Trust is potentially subject to special taxes under the Tax Act. The Trust intends to restrict its investments in a manner that it will not be subject to any of these special taxes.

The Tax Act provides for a special tax on the designated income of certain trusts which have designated beneficiaries. This special tax will not apply to the Trust.

Taxation of Holders of RBC TruCS — Series 2015

Distributions

A holder of RBC TruCS — Series 2015 will be required to include in computing the holder's income for a taxation year all net income and net realized capital gains, if any, payable to the holder by the Trust in such taxation year. Substantially all of the amounts payable to holders of RBC TruCS — Series 2015 are expected to be treated as income from a trust, rather than capital gains, for income tax purposes.

Disposition

A holder of RBC TruCS — Series 2015 who disposes of or is deemed to dispose of the RBC TruCS — Series 2015 will generally realize a capital gain (or sustain a capital loss) to the extent that the proceeds of disposition, net of any reasonable costs of disposition, exceed (or are less than) the adjusted cost base of the RBC TruCS — Series 2015 to the holder. A disposition or deemed disposition of a holder's RBC TruCS — Series 2015 will be considered to occur on, amongst other events (a) an exchange of the RBC TruCS — Series 2015 for Bank Preferred Shares Series Z pursuant to the Automatic Exchange (on which event a holder's proceeds of disposition will be equal to the fair market value of the Bank Preferred Shares Series Z received on the exchange), (b) a redemption of the RBC TruCS — Series 2015 on the exercise of the Trust Special Event Redemption Right or the Trust Redemption Right (on which event a holder's proceeds of disposition will be equal to the Early Redemption Price or the Redemption Price, as the case may be, minus any Unpaid Indicated Distribution), and (c) a termination of the Trust.

One-half of any such capital gain will be included in computing the holder's income as a taxable capital gain and one-half of any such loss may be deducted from the holder's taxable capital gains in accordance with the rules contained in the Tax Act. Taxable capital gains of a Canadian-controlled private corporation may be subject to an additional refundable tax of 6 $\frac{2}{3}$ % of such taxable gains. Capital gains realized by an individual may give rise to alternative minimum tax under the Tax Act.

Automatic Exchange

The Bank and the Exchange Trustee have been advised by RBC Dominion Securities Inc. that the value to holders of the RBC TruCS — Series 2015 of the Automatic Exchange is nominal. Based on that valuation, no gain will be realized by holders of RBC TruCS — Series 2015 upon the granting of such rights. Counsel expresses no opinion as to the appropriateness or accuracy of this valuation. Any determination of value is not binding upon the Canada Revenue Agency.

Bank Preferred Shares Series Z

Dividends

Dividends (including deemed dividends) received on the Bank Preferred Shares Series Z by an individual will be included in the individual's income and will be subject to the gross-up and dividend tax credit rules normally applicable to taxable dividends received from taxable Canadian corporations. Dividends (including deemed dividends) on the

Bank Preferred Shares Series Z received by a corporation will be included in computing its income and will generally be deductible in computing its taxable income.

The Bank Preferred Shares Series Z will be taxable preferred shares as defined in the Tax Act. The terms of the Bank Preferred Shares Series Z require the Bank to make the necessary election under Part VI.1 of the Tax Act so that corporate shareholders will not be subject to tax under Part IV.1 of the Tax Act on dividends received (or deemed to be received) on the Bank Preferred Shares Series Z.

A private corporation, as defined in the Tax Act, or any other corporation controlled whether by reason of a beneficial interest in one or more trusts or otherwise by or for the benefit of an individual or a related group of individuals, will generally be liable to pay a 33 $\frac{1}{3}$ % refundable tax under Part IV of the Tax Act on dividends received (or deemed to be received) on the Bank Preferred Shares Series Z to the extent such dividends are deductible in computing its taxable income.

Disposition

A holder of Bank Preferred Shares Series Z who disposes of or is deemed to dispose of the Bank Preferred Shares Series Z (either on purchase for cancellation or redemption of the shares for cash or otherwise but not on a conversion of the Bank Preferred Shares Series Z into New Bank Preferred Shares) will generally realize a capital gain (or sustain a capital loss) to the extent that the proceeds of disposition, net of any reasonable costs of disposition, exceed (or are less than) the adjusted cost base of such shares to the holder thereof. The amount of any deemed dividend arising on the redemption, acquisition or cancellation by the Bank of the Bank Preferred Shares Series Z will generally not be included in computing a holder's proceeds of disposition for purposes of computing the capital gain or loss arising on the disposition of such shares. If the shareholder is a corporation, any capital loss may in certain circumstances be reduced by the amount of any dividends, including deemed dividends, which have been received on such shares. Analogous rules apply to a partnership or trust of which a corporation, trust or partnership is a member or beneficiary. See "Canadian Federal Income Tax Considerations — RBC TruCS — Series 2015 — Taxation of Holders of RBC TruCS — Series 2015 — Disposition" for a discussion of the tax treatment of capital gains or losses.

Redemption and Conversion

If the Bank redeems for cash or otherwise acquires the Bank Preferred Shares Series Z, other than by a purchase in the manner in which shares are normally purchased by a member of the public in the open market or by reason of a conversion of the Bank Preferred Shares Series Z into another series of Bank Preferred Shares, the holder will be deemed to have received a dividend equal to the amount, if any, paid by the Bank in excess of the paid-up capital of such shares at such time. The difference between the amount paid and the amount of the deemed dividend will be treated as proceeds of disposition for the purposes of computing the capital gain or capital loss arising on the disposition of such shares. In the case of a corporate shareholder, it is possible that in certain circumstances all or part of the amount so deemed to be a dividend may be treated as proceeds of disposition and not as a dividend.

The conversion of the Bank Preferred Shares Series Z for New Bank Preferred Shares by the holder will be deemed not to be a disposition of property and accordingly will not give rise to any deemed dividend or capital gain or capital loss. The cost to a holder of New Bank Preferred Shares will be deemed to be equal to the holder's adjusted cost base of the Bank Preferred Shares Series Z so converted.

PLAN OF DISTRIBUTION

Pursuant to an agreement (the “Underwriting Agreement”) dated October 20, 2005 between the Trust, the Bank and RBC Dominion Securities Inc., TD Securities Inc., BMO Nesbitt Burns Inc., CIBC World Markets Inc., Scotia Capital Inc., HSBC Securities (Canada) Inc., Merrill Lynch Canada Inc., National Bank Financial Inc., Desjardins Securities Inc., J.P. Morgan Securities Canada Inc. and Laurentian Bank Securities Inc. (collectively, the “Underwriters”), the Trust has agreed to sell, and the Underwriters have severally agreed to purchase, on October 28, 2005, or on such other date not later than October 31, 2005 as may be agreed upon all but not less than all of the 1,200,000 RBC TruCS — Series 2015 at a price of \$1,000 per RBC TruCS — Series 2015, subject to the terms and conditions set forth therein. The Trust has agreed to pay to the Underwriters a fee per RBC TruCS — Series 2015 equal to \$10 per RBC TruCS — Series 2015 for an aggregate Underwriters’ fee of \$12,000,000.

The Underwriting Agreement also provides that the Underwriters may, at their discretion, terminate their obligations thereunder upon the occurrence of certain stated events. The Underwriters are, however, obligated to take up and pay for all the RBC TruCS — Series 2015 if any of the RBC TruCS — Series 2015 are purchased under the Underwriting Agreement.

The Offering is being made concurrently in all provinces and territories of Canada. The RBC TruCS — Series 2015 have not been and will not be registered under the U.S. Securities Act. The Underwriters have agreed not to, directly or indirectly, offer for sale or sell the RBC TruCS — Series 2015 in the United States, its territories or its possessions or to or for the account or benefit of any U.S. Person within the meaning of Regulation S under the U.S. Securities Act.

RBC Dominion Securities Inc., one of the Underwriters, is an indirect wholly owned subsidiary of the Bank. Each of the Trust and the Bank is a related issuer of RBC Dominion Securities Inc. under applicable securities legislation by virtue of the Bank’s interest in the Trust and RBC Dominion Securities Inc. The terms of the Offering were negotiated at arm’s length between the Bank, the Trust and the Underwriters. RBC Dominion Securities Inc. will not receive any benefit in connection with the Offering other than as described herein. TD Securities Inc., an underwriter in respect of which neither the Trust nor the Bank is a related or connected issuer, has participated in the structuring and pricing of the Offering, and in the due diligence activities performed by the Underwriters for the Offering.

Pursuant to policy statements of certain securities regulators, the Underwriters may not, throughout the period of distribution under this prospectus, bid for or purchase RBC TruCS — Series 2015. The foregoing restriction is subject to certain exceptions, as long as the bid or purchase is not engaged in for the purpose of creating actual or apparent active trading in or raising the price of such securities. These exceptions include a bid or purchase permitted under the Universal Market Integrity Rules administered by Market Regulation Services Inc. relating to market stabilization and passive market making activities and a bid or purchase made for and on behalf of a customer when the order was not solicited during the period of distribution provided that the bid or purchase was not engaged in for the purpose of creating actual or apparent active trading in, or raising the price of, such securities. In connection with this Offering and subject to applicable law, the Underwriters may effect the transactions which stabilize or maintain the market price of such securities at levels other than those which might otherwise prevail on the open market. Such transactions, if commenced, may be discontinued at any time.

RATINGS

The RBC TruCS — Series 2015 have been provisionally rated “P-1(low)” by S&P using S&P’s Canadian national scale for preferred shares and “A” by S&P using S&P’s global scale for preferred shares. The “P-1(low)” rating is the highest of eight categories of ratings used by S&P on its Canadian preferred share scale, and the “A” rating is the second highest of the nine categories used by S&P on its global preferred share scale. A reference to “high”, “low” or “+/-” reflects the relative strength within the rating category. The absence of either a “high”, “low” or “+/-” designation indicates the rating is in the middle of the category where such designations are used. Preferred share ratings address the issuer’s capacity and willingness to pay dividends and principal on a timely basis. They address the likelihood of timely payment of dividends, notwithstanding the legal ability to pass on or defer a dividend payment.

The RBC TruCS — Series 2015 have been provisionally rated “A”yn with a stable trend by DBRS. The “A”yn rating is the third highest of nine categories of ratings available from DBRS for long term debt generally. A

reference to “high” or “low” reflects the relative strength within the rating category and the stable trend refers to DBRS’s outlook regarding the rating. The absence of either a “high” or “low” designation indicates the rating is in the middle of the category where such designations are used. The reference to “y” designates a hybrid instrument and “n” signifies non-cumulative. The DBRS long term debt rating scale is meant to give an indication of the risk that a borrower will not fulfill its obligations in a timely manner, with respect to both interest and principal commitments. Long term debt rated “A” is of satisfactory credit quality.

The RBC TruCS — Series 2015 have been provisionally rated “A1” by Moody’s. The “A1” rating is the third highest of nine categories of ratings available from Moody’s for debt generally. Moody’s uses “1”, “2”, and “3” modifiers to indicate the relative standing of the securities being rated within a particular rating category.

Prospective purchasers of The RBC TruCS — Series 2015 should consult the rating organization with respect to the interpretation and implications of the foregoing provisional ratings. Neither of the foregoing ratings should be construed as a recommendation to buy, sell or hold The RBC TruCS — Series 2015 offered hereby. Either of the foregoing ratings may be revised or withdrawn at any time by the assigning rating organization.

RISK FACTORS

Investors should carefully consider the risks described below before deciding whether to invest in any RBC TruCS-Series 2015. Investors should also carefully consider any risks that may be described in other filings the Bank makes with securities or banking regulators including, without limitation, the Bank's Management's Discussion and Analysis of Financial Condition and Results of Operations incorporated by reference in this Prospectus. Additional risks and uncertainties not presently known to the Bank may also impair its business operations. If it does not successfully address any of the risks described below or in other filings incorporated by reference, there could be a material adverse effect on its business, financial condition or results of operations. As a result, the Bank cannot assure an investor that it will successfully address these risks.

Automatic Exchange of RBC TruCS — Series 2015 for Bank Preferred Shares Series Z

The purchase of RBC TruCS — Series 2015 involves risk with respect to the capital levels and solvency of the Bank. In the event of decline in the capital levels of the Bank or the Bank becoming insolvent or bankrupt or resolving to wind-up or liquidate or being ordered wound-up or liquidated or the occurrence of any other event constituting a Loss Absorption Event, the RBC TruCS — Series 2015 will be automatically exchanged for Bank Preferred Shares Series Z, without the consent of the holders. Such shares are an investment in the Bank and not in the Trust. Holders of RBC TruCS — Series 2015 could become shareholders of the Bank at a time when the Bank's financial condition was deteriorating or when the Bank had become insolvent or bankrupt or resolved to wind-up or had been ordered wound-up or liquidated or upon the occurrence of any other event constituting a Loss Absorption Event.

The Indicated Distribution payable on the RBC TruCS — Series 2015 after December 31, 2015 will be based on a floating rate and will vary from time to time. The Bank Preferred Shares Series Z that will be issued to holders upon the operation of the Automatic Exchange will pay a fixed semi-annual, non-cumulative preferential cash dividend of \$0.60625. There can be no guarantee that, if the Automatic Exchange occurs after December 31, 2015, the dividend payable on the Bank Preferred Shares Series Z will not be less than the Indicated Distribution that would otherwise have been payable on the RBC TruCS — Series 2015 had the Automatic Exchange not occurred or that such dividend will not be less than then prevailing market rates for similar instruments. In addition, the dividend payable on the Bank Preferred Shares Series Z may not reflect a market rate for similar instruments at the Closing Date.

An investment in the Bank is also subject to certain risks that are distinct from the risks associated with an investment in the Trust. In the event of a liquidation of the Bank, the claims of depositors and creditors of the Bank would be entitled to a priority of payment over the claims of holders of equity interests such as the Bank Preferred Shares Series Z. As a result, if the Bank were to become insolvent or bankrupt or resolved to wind-up or was ordered wound-up or liquidated after the Automatic Exchange or if the Automatic Exchange were to occur after the insolvency of the Bank, the holders of the Bank Preferred Shares Series Z may receive, if anything, substantially less than the holders of the RBC TruCS — Series 2015 would have received had the RBC TruCS — Series 2015 not been exchanged for Bank Preferred Shares Series Z.

Potential investors in the RBC TruCS — Series 2015 should carefully consider the description of the Bank set forth under "The Bank". See also "Description of the Trust Securities — The Trust Capital Securities — Series 2015 — Automatic Exchange".

Indicated Distribution is Non-Cumulative

The Indicated Distribution on the RBC TruCS — Series 2015 is non-cumulative. The Indicated Distribution on the RBC TruCS — Series 2015 is payable by the Trust on each Regular Distribution Date out of Net Distributable Funds of the Trust. If the Indicated Distribution on the RBC TruCS — Series 2015 for any Distribution Date is not paid by reason of the occurrence of a Distribution Diversion Event, holders of RBC TruCS — Series 2015 will not be entitled to receive such Indicated Distribution. See "Description of the Trust Securities — The Trust Capital Securities — Series 2015 — Indicated Distribution".

Perpetual Nature of RBC TruCS — Series 2015

The RBC TruCS — Series 2015 have no fixed final maturity date and holders of RBC TruCS — Series 2015 have no rights to call for the redemption of the RBC TruCS — Series 2015.

Income From Trust

There can be no assurance that the net income and gains derived from the Trust Assets by the Trust will be sufficient to satisfy the Indicated Distribution on the RBC TruCS — Series 2015 in full on Regular Distribution Dates.

Interest Rate Risk

The Trust's income will consist primarily of interest payments on the Trust Assets held by it. Because the Indicated Distribution in respect of the RBC TruCS — Series 2015 is fixed until December 31, 2015, there can be no assurance that an interest rate environment in which there is a significant decline in interest rates would not adversely affect the Trust's ability to pay the Indicated Distribution on the RBC TruCS — Series 2015 in full on each Regular Distribution Date. It is, however, in the Bank's interest to ensure, to the extent within its control, that the Trust complies with its obligation to pay the Indicated Distribution on the RBC TruCS — Series 2015 on each Regular Distribution Date to avoid triggering the Dividend Stopper Undertakings.

Restrictions on Ownership of Bank Shares

Under the Bank Act, no person, or persons acting jointly or in concert, is permitted to have a significant interest in the Bank, unless such person first receives the approval of the Minister of Finance (Canada). See "The Bank — Limitations Affecting Holders of Bank Shares". Accordingly, certain holders of RBC TruCS — Series 2015 who are to acquire Bank Preferred Shares Series Z upon operation of the Automatic Exchange may have some or all of such shares disposed of on their behalf pursuant to the procedures referred to under "Description of the Trust Securities — The Trust Capital Securities — Series 2015 — Automatic Exchange".

Dependence Upon the Bank and its Affiliates

The Trust will be dependent for the selection, structuring and monitoring of the Trust Assets on the diligence and skill of the employees of the Bank as Administrative Agent. In addition, potential conflicts of interest may arise between the Trust and the Bank and its affiliates. See "Business of the Trust — Conflict of Interest Policies". The Administrative Agent may also retain other persons to perform all or a portion of its obligations under the Administration and Advisory Agreement, including one or more affiliates involved in the business of managing assets such as the Trust Assets. In the event that the Administrative Agent retains other persons to perform its obligations in such a manner, the Trust will be dependent upon the subcontractor to provide services however, the Bank will not be discharged or relieved in any respect from its obligations under the Administration and Advisory Agreement. See "Business of the Trust — The Administrative Agent".

The Trust will be dependent upon the expertise of the Servicer for the servicing of the assets acquired under the Mortgage Sales, Pooling and Servicing Agreement and the Purchase Agreements. In addition, potential conflicts of interest may arise between the Trust and the Bank and its affiliates. The Servicer of the Trust Assets may also subcontract all or a portion of its obligations under the Mortgage Sales, Pooling and Servicing Agreement to one or more affiliates involved in the business of managing assets such as the Trust Assets. In the event that the Servicer subcontracts its obligations in such a manner, the Trust will be dependent upon the subcontractor to provide services, however, the Servicer will not be discharged or relieved in any respect from its obligations under the Mortgage Sales, Pooling and Servicing Agreement.

The Trustee is a wholly-owned subsidiary of the Bank. See "The Trust".

Liquidity of and Dealings in RBC TruCS — Series 2015

There can be no assurance that an active trading market will develop or be sustained or that the RBC TruCS — Series 2015 may be resold at or above the initial public offering price.

The ability of a holder to pledge RBC TruCS — Series 2015 or otherwise take action with respect to such holder's interest in RBC TruCS — Series 2015 (other than through a Participant) may be limited due to the lack of a physical certificate.

PRINCIPAL HOLDERS OF SECURITIES

The Bank presently owns and it is intended that, at all times following the Closing Date, the Bank will continue to own all of the Special Trust Securities. See "Capitalization of the Trust" and "Use of Proceeds".

INTERESTS OF THE BANK AND ITS AFFILIATES IN MATERIAL TRANSACTIONS

Pursuant to the Administration and Advisory Agreement, the Bank provides certain advice to the Trust and administers the day-to-day operations of the Trust. In addition, the Bank or its affiliates service the Trust Assets acquired pursuant to the Mortgage Sales, Pooling and Servicing Agreement and the Purchase Agreements and may service other Trust Assets acquired by the Trust from the Bank or its affiliates. In addition, RBC Dominion Securities Inc. is an affiliate of the Bank and will receive a portion of the underwriting fee payable by the Trust on account of services rendered in connection with the Offering. See “Plan of Distribution”.

The Bank and its affiliates may have interests which are not identical to those of the Trust. Consequently, conflicts of interest may arise with respect to transactions, including, without limitation, the sale of Trust Assets, future acquisitions and dispositions of Trust Assets from or to the Bank or its affiliates, and the renewal, termination or modification of the Administration and Advisory Agreement or the Mortgage Sales, Pooling and Servicing Agreement. It is the intention of the Trust and the Bank that any agreements and transactions between the Trust, on the one hand, and the Bank or its affiliates, on the other hand, are fair to all parties and consistent with market terms, including the prices paid and received for Trust Assets or in connection with the servicing of Trust Assets.
