

23rd Annual RBC RRSP Poll

Overall, the percentage of people who say they are at or ahead of where they should be in terms of retirement savings has been relatively steady for 4 years

Well ahead/Almost exactly where they should be

Q.B6 Right now, do you think you are ahead or behind in terms of saving for your retirement?
Base: Had determined the amount of money for retirement (2012; n=337)

Ipsos Reid
