

4-in-10 retired boomers think they'll have to provide care giving to another adult at some point

QB10NEW. Have you ever, do you now or do you expect to provide informal caregiving to another adult? By adult caregiving, we mean providing care and/or support to an adult family member, friend or neighbour who has a physical or mental disability, is chronically ill or is frail.
 Base: All respondents

↓ ↑ = significant difference compared to 2011.

○ = Statistically significant difference
