

Socially cautious

Fade up on exterior shot of Starbucks-style coffee bar. The sign says “Bean There, Done That.”

Barista

*I've got one magna-sized mocha, frappa, caramel
cappuccino with pumpkin spice ...*

Barista

... for Kalyani!"

Barista

Extra froth.

Kalyani

*Hey, I need something to look forward to on
Mondays.*

Shauna

Kalyani?

Kalyani

Shauna! Hi! What are you up to?

Shauna

Updating my CV and trying to expand my network.

Shauna

Not to mention getting free WiFi.

Kalyani

*Ah! Using LoopedIn, I see. Wow, you seem to have a
lot of connections already. Who's this person?*

Shauna

*Oh, Beatrice Whare? I don't know, but she asked to
connect. Adding her will put me in the much-
coveted 500+ club.*

Cut to a close up of Beatrice Whare's LoopedIn profile. Text on the screen includes:

Background

Kalyani
Beatrice Whare?

Shauna
Uh-huh!

Kalyani
Shauna, her name is Bea Whare. Beware?!

Shauna
Mmm-hmm.

Kalyani
So you've never worked with her or anyone who knows her?

Shauna
Does seeing her thumbnail photo on my screen 20 seconds ago count?

Kalyani
No.

Shauna
Then no.

Kalyani
Shauna, this person could be phishing.

Shauna
I like fish –

Kalyani
P-H phishing. Anyone with full access to your LoopedIn profile also has access to your contact info, your employment history, plus they now have access to your connections.

Shauna
All 499 of them!

Kalyani

*That's right. So now they know WHO YOU KNOW.
They know which people and organizations you
are in contact with. So, you could receive emails or
calls from people who seem legit ...*

Shauna
Mmm-hmm.

Kalyani
*... but they could be cyber scammers in disguise as
someone you trust in order to get sensitive
information like usernames, passwords, banking
details or information about your employers.*

Shauna
Oh!

Kalyani
*The best ways to protect yourself on social media
sites are to:
Keep your privacy settings on the highest level.*

Shauna
Uh-huh.

Kalyani
Choose a strong password you don't use for anything else.

Shauna
Mm-hm.

Kalyani
And don't link your social accounts.

Shauna
OK!

Kalyani
*Remember: only people you know should know you
back.*

Shauna
(playfully)
Uh, the barista certainly seems to know you.

Kalyani
Huh?

Cut to wider shot revealing the Barista standing behind Kalyani with a whipped-cream can.

Barista
You seem to be running out of your extra froth.

Kalyani
Hey, thanks. Go for it. I'll tell you when to stop.

Barista
Uh, Miss ...?

Kalyani
Oh, I'll tell you.

END.
