

Concerns about accounting, auditing or internal accounting controls

The spirit and intent of the RBC Code of Conduct is based on the principles of honesty, integrity and the highest ethical standards. In particular, we recognize our stakeholders rely on the accuracy of our financial reporting.

We have made it easy to raise concerns or report allegations of wrongdoing relating to accounting, auditing or internal accounting controls. The RBC Conduct Hotline, administered independently by ClearView Strategic Partners, is a secure, anonymous, fully accessible 24/7 method (sometimes referred to as a whistleblowing hotline) to report concerns online at <https://www.clearviewconnects.com>.

Reports can also be made by telephone. Please review the numbers below to locate the toll-free number for the country from which you are originating your call. If there is no toll-free number for your country, you can make a collect call to ClearView at +1 416-385-6138 (contact your local operator for assistance).
