4. Fees, Duties and Taxes

The Issuer will pay any stamp, issue, registration, documentary and other fees, duties and taxes, including interest and penalties, payable (a) in Canada on or in connection with (i) the execution and delivery of this Trust Deed and the Security Agreement and (ii) the constitution and original issue and initial delivery of the Covered Bonds, the Receipts and the Coupons and the creation of the Security and (b) in any jurisdiction in connection with any action taken by or on behalf of the Bond Trustee or (where permitted hereunder so to do) any Covered Bondholder, Receiptholder or Couponholder or any other Secured

The Conditions shall be binding on the Issuer, the Guarantor LP, the Covered Bondholders, the Receiptholders and the Couponholders. The Bond Trustee shall be entitled to enforce the obligations of the Issuer and the Guarantor LP under the Covered Bonds, the Receipts and the Coupons as if the same were set out and contained in this Trust Deed, which shall be read and construed as one document with the Covered Bonds, the Receipts and the Coupons. The Bond Trustee may accept such certificate as conclusive evidence of redemption, purchase or replacement *pro tanto* of the Covered Bonds or payment of interest thereon or exchange of the relative Talons respectively and of cancellation of the relative Covered Bonds, Receipts and Coupons.

- 6.2 The Issuer shall use its best efforts to procure (i) that the Issuing and Paying Agent shall keep a full and complete record of all Covered Bonds, Receipts, Coupons and Talons issued by it (other than serial numbers of Receipts and Coupons) and of their redemption or purchase by or on behalf of the Issuer or the Guarantor LP, any cancellation or any payment or exchange (as the case may be) and of all replacement covered bonds, receipts, coupons or talons issued in substitution for lost, stolen, mutilated, defaced or destroyed Covered Bonds, Receipts, Coupons or Talons and (ii) that such records and copies thereof shall be made available to the Bond Trustee at all reasonable times.

7. Covered Bond Guarantee

- 7.1 (a) In consideration of the Advances to be made by the Issuer to the Guarantor LP pursuant to the Intercompany Loan Agreement, the payment of any Excess Proceeds to the Guarantor LP pursuant to Clause 11.2 and the payment by the Issuer to the Guarantor LP of the Guarantee Fee, the Guarantor LP unconditionally and irrevocably guarantees to the Bond Trustee, for the benefit of the Covered Bondholders, payment of the Guaranteed Amounts as and when the same become Due for Payment.
- (b) The Guarantor LP shall, as guarantor:
 - (i) following the delivery of a Notice to Pay, pay or procure to be paid on each Scheduled Payment Date (or on such later date provided for in Clause 8.1(b)) (in the manner described in Clause 8) to or to the order of the Bond Trustee (for the benefit of the Covered Bondholders), an amount equal to those Guaranteed Amounts which shall have become Due for

Payment in accordance with the terms hereof and of the Covered Bonds, but which have not been paid by the Issuer to the relevant Covered Bondholder, Receiptholders and/or Couponholders on the relevant date for payment (PROVIDED THAT, for greater certainty, no Notice to Pay shall be so served until an Issuer Acceleration Notice has been served by the Bond Trustee on the Issuer in accordance with Condition 7.01); and

- (ii) following the service by the Bond Trustee of a Guarantor LP Acceleration Notice, in accordance with Condition 7.02, on the Issuer and copied to the Guarantor LP, in respect of the Covered Bonds which have become immediately due and repayable, pay or procure to be paid to or to the order of the Bond Trustee (for the benefit of the Covered Bondholders) in the manner described in Clause 8.1, the Guaranteed Amounts,

(the “**Covered Bond Guarantee**”).

7.2 In relation to the Covered Bonds of each Series, the Covered Bond Guarantee:

- (a) is a continuing guarantee;
- (b) extends (in the case of the Guarantor LP) to the ultimate balance of the Guaranteed Amounts due to be paid by the Issuer on the relevant Scheduled Payment Dates in accordance with the terms hereof, the Covered Bonds, the Receipts or the Coupons, regardless of any intermediate payment or discharge in whole or in part of any Guaranteed Amounts due to be paid on the relevant Scheduled Payment Date;
- (c) shall not be discharged except by complete performance of the obligations in this Trust Deed, is additional to, and not instead of, any security or other guarantee or indemnity at any time existing in favour of any person (whether from the Guarantor LP or otherwise); and
- (d) shall remain in force, in relation to the Covered Bond Guarantee, until all moneys payable by the Guarantor LP pursuant to the terms of the Covered Bond Guarantee shall have been paid.

7.3 The Guarantor LP shall in respect of any payment due to be made pursuant hereto not be released from its obligations under or pursuant hereto in any circumstances (notwithstanding anything which but for this provision would release the Guarantor LP or would affect its liability under or pursuant hereto in respect of such payment) except upon the receipt by or for the account of the Bond Trustee of the full amount of such payment from the Issuer and the Guarantor LP in the currency, at the place and in the manner provided for herein PROVIDED THAT (except in the case of Excess Proceeds) every payment of principal, premium or interest in respect of the Covered Bonds, Receipts and/or Coupons made to the Issuing and Paying Agent in the manner provided in the Agency Agreement shall be in satisfaction *pro tanto* of the liability of the Guarantor LP hereunder and shall be deemed for the purpose of this sub clause to have been paid to the order of the Bond Trustee, except to the extent that the subsequent

payment thereof to the Covered Bondholders, the Receiptholders or the Couponholders in accordance with the Conditions is not made.

- 7.4 If any payment received by the Bond Trustee, the Issuing and Paying Agent or any Covered Bondholder, Receiptholder or Couponholder pursuant to the provisions hereof, on the subsequent bankruptcy, sequestration, liquidation, insolvency, corporate reorganisation or other such similar event of the Issuer or the Guarantor LP, be set aside or avoided in whole or in part under any laws relating to bankruptcy, sequestration, liquidation, insolvency, corporate reorganisation or other similar event, such payment shall not be considered as having discharged or diminished the liability of the Issuer or, as the case may be, the Guarantor LP and the Covered Bond Guarantee shall continue to apply in accordance with their terms as if the underlying payment in respect of which the liability of the Guarantor LP hereunder arose had at all times remained owing by such Issuer.
- 7.5 Without prejudice to the generality of the foregoing provisions of this Clause, the Guarantor LP agrees that if any or all of the Guaranteed Amounts are not duly paid by the Issuer and such Guaranteed Amounts are not recoverable under Section 7.1 in accordance with the terms of Section 7.1, for any reason whatsoever, the Guarantor LP will, as a separate and distinct obligation, indemnify and save harmless the Bond Trustee, for the benefit of the Covered Bondholders, from any loss (excluding indirect or consequential losses) resulting from the failure of the Guarantor LP to pay such Guaranteed Amounts in accordance with the terms of Section 7.1 and if for any reason whatsoever, the Bond Trustee, for the benefit of the Covered Bondholders, is not indemnified by the Guarantor LP in accordance with this Section 7.5, the Guaranteed Amounts will be recoverable from the Guarantor LP in the manner set out in Section 7.1, as a separate and distinct obligation of the Guarantor LP recoverable from the Guarantor LP, as if it were principal debtor and not merely as surety or guarantor and shall be absolute and unconditional, irrespective of, and unaffected by, any invalidity, irregularity, illegality or unenforceability of, or defect in, any provisions hereof or any other Transaction Document, or the absence of any action to enforce the same or the waiver, modification or consent by the Bond Trustee, any of the Covered Bondholders, Receiptholders or Couponholders in respect of any provisions of the same or the obtaining of any judgment or decree against the Issuer or any action to enforce the same or any other circumstances which might otherwise constitute a legal or equitable discharge or defence of a guarantor. Accordingly, the validity of the Covered Bond Guarantee shall not be affected by any invalidity, irregularity or unenforceability of all or any of the obligations of the Issuer hereunder or any other Transaction Document and the Covered Bond Guarantee shall not be discharged nor shall the liability of the Guarantor LP hereunder be affected by any act, thing or omission or means whatsoever whereby its liability would not have been discharged if it had been guarantor, indemnitor or principal debtor.
- 7.6 The liability of the Guarantor LP under the Covered Bond Guarantee shall not be lessened, affected, impaired or discharged by:
- (a) any time, waiver or indulgence granted to the Issuer by the Bond Trustee, any of the Covered Bondholders, the Receiptholders or Couponholders;

- (b) any dealings or transactions between the Issuer and the Bond Trustee, any of the Covered Bondholders, Receiptholders or Couponholders whether or not the Guarantor LP shall be a party to or cognisant of the same;
- (c) the dissolution of the Issuer or any change in the status, functions, control or ownership of the Issuer or any consolidation, merger, conveyance or transfer by the Issuer;
- (d) any composition between the Issuer and its creditors;
- (e) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, the Issuer or any other person or any non presentation or non observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (f) any incapacity or lack of powers, authority or legal personality of the Issuer or any other person;
- (g) any variation (however fundamental) or replacement of this Trust Deed, the Covered Bonds, the Receipts or the Coupons;
- (h) any failure on the part of the Issuer to pay all or any part of the guarantee fee payable by it to the Guarantor LP in connection herewith; or
- (i) any postponement, discharge, reduction, non provability or other similar circumstance affecting any obligation of the Issuer hereunder or any other Transaction Document resulting from any insolvency, liquidation or dissolution proceedings or from any law, regulation or order so that each such obligation shall for the purposes of the Guarantor LP's obligations under the Covered Bond Guarantee be construed as if there were no such circumstance.

7.7 Subject to its obligation to deliver a Notice to Pay, the Bond Trustee may determine from time to time whether it will enforce the Covered Bond Guarantee which it is entitled to enforce, without making any demand or taking any proceedings against the Issuer. Subject to the provisions of this Clause 7 with regard to the service of a Notice to Pay on the Guarantor LP, the Guarantor LP hereby waives any right to require proceedings first against the Issuer with respect to this Trust Deed, the Covered Bonds, Receipts or Coupons, diligence, presentment, demand of payment, filing of claims with a court in the event of dissolution, liquidation, merger or bankruptcy of the Issuer, protest or notice and all demands whatsoever.

7.8 (a) To the extent that the Guarantor LP makes, or there is made on its behalf, a payment under the Covered Bond Guarantee, the Issuer will on such payment being made become indebted to the Guarantor LP for an amount equal to such payment unless such amount shall have been set off with amounts owing under the Intercompany Loan Agreement. Until all amounts which may be or become payable by the Issuer hereunder, the Covered Bonds, Receipts or Coupons have been irrevocably paid in full, the Guarantor LP hereby waives irrevocably and

unconditionally:

- (i) all rights of subrogation, indemnity, contribution or otherwise (arising under common law, equity, statute or otherwise whatsoever) which it might otherwise have against the Issuer by virtue of any payment made by the Guarantor LP pursuant to the Covered Bond Guarantee; and
- (ii) all rights to claim, rank, prove or vote as creditor of the Issuer or its estate in competition with the Bond Trustee (on behalf of the Covered Bondholders) or to claim a right of set off,

subject always to the rights of the Guarantor LP to set off amounts owing by the Issuer to the Guarantor LP, in accordance with the Priorities of Payments, in respect of amounts paid by the Guarantor LP under the Covered Bond Guarantee against any amounts repayable by the Guarantor LP under the terms of the Intercompany Loan Agreement and net payments under the Swap Agreements, which shall remain unaffected.

If notwithstanding the foregoing, upon the bankruptcy, insolvency or liquidation of the Issuer, any payment or distribution of assets of the Issuer of any kind or character, whether in cash, property or securities, shall be received by the Guarantor LP or if the Guarantor LP is able to exercise any set off rights against the Issuer before payment in full of all amounts payable hereunder shall have been made to the Covered Bondholders, the Receiptholders and the Couponholders (it being understood that amounts netted or set-off under the terms of the Swap Agreements shall be excluded from the application of this provision), such payment and/or an amount equal to the amount so set off shall be received by the Guarantor LP and shall be held by the Guarantor LP on trust to pay the same over immediately, and in the case of any amount under the Intercompany Loan Agreement or the Swap Agreement in accordance with the Priorities of Payments, to the party making such payment or against whom such right of set-off has been exercised in accordance with the Priorities of Payments to the extent of the set-off of any amount paid by the Guarantor LP under the Covered Bond Guarantee against the repayment of any amount under the Intercompany Loan Agreement.

- 7.9 Any amounts from time to time received by the Bond Trustee under the Covered Bond Guarantee shall be applied by the Bond Trustee in accordance with the provisions of Clause 11.1 PROVIDED THAT any Excess Proceeds received by the Bond Trustee shall be applied by the Bond Trustee in accordance with the provisions of Clause 11.2.

8. Payments Under the Covered Bond Guarantee

- 8.1 (a) The Issuer shall notify the Bond Trustee in writing (copied to the Guarantor LP), no later than close of business on the fifth Toronto Business Day before each Interest Payment Date, of the amount of Scheduled Interest and/or Scheduled Principal which is due and payable by the Issuer on such Interest Payment Date

and shall confirm whether or not it shall have sufficient funds to make such payments of Scheduled Interest and/or Scheduled Principal on such Interest Payment Date. If the amount available for payment by the Issuer in respect of Scheduled Interest and/or Scheduled Principal on such Interest Payment Date will be insufficient to meet the amount of Scheduled Interest and/or Scheduled Principal due and payable on such Interest Payment Date (the “**Shortfall**”), the Issuer shall inform the Bond Trustee in writing (copied to the Guarantor LP) of the amount of the Shortfall. Following the occurrence of an Issuer Event of Default and service by the Bond Trustee of an Issuer Acceleration Notice on the Issuer pursuant to Condition 7.01, the Bond Trustee shall promptly deliver a Notice to Pay to the Issuer and the Guarantor LP with a copy to the Issuing and Paying Agent requiring the Guarantor LP to pay the Guaranteed Amounts as and when the same are Due for Payment in accordance with the terms of the Covered Bond Guarantee and this Trust Deed.

- (b) Following the service by the Bond Trustee of an Issuer Acceleration Notice on the Issuer and the service by the Bond Trustee of a Notice to Pay on the Guarantor LP but prior to a Guarantor LP Event of Default and delivery by the Bond Trustee of a Guarantor LP Acceleration Notice, payment by the Guarantor LP of the Guaranteed Amounts pursuant to the Covered Bond Guarantee shall be made in accordance with the Guarantee Priority of Payments set out in Section 6.4 of the Guarantor LP Agreement by noon (local time in the relevant financial centre of the payment or, in the case of a payment in euro, London time) on (a) the second London Business Day following service of a Notice to Pay on the Guarantor LP or, if later, (b) the Scheduled Payment Date on which the relevant Guaranteed Amount is Due for Payment.
- 8.2 The Bond Trustee shall direct the Guarantor LP to pay (or to procure the payment of) all sums payable under the Covered Bond Guarantee to the Issuing and Paying Agent subject always to the provisions of Clause 2.3.
- 8.3 At least one London Business Day before the date on which the Guarantor LP is obliged to make a payment under the Covered Bond Guarantee, it shall notify or procure the notification of the Issuing and Paying Agent of the irrevocable instructions to the Account Bank through which payment to the Issuing and Paying Agent is to be made.
- 8.4 All payments of Guaranteed Amounts by or on behalf of the Guarantor LP shall be made without withholding or deduction for, or on account of, any present or future tax, duties, assessment or other governmental charges of whatever nature, unless the withholding or deduction is required by law or regulation or administrative practice of any jurisdiction. If any such withholding or deduction is required, the Guarantor LP shall pay the Guaranteed Amounts net of such withholding or deduction and shall account to the appropriate tax authority for the amount required to be withheld or deducted. The Guarantor LP shall not be obliged to pay any additional amount to the Bond Trustee or any holder of Covered Bonds, Receipts and/or Coupons in respect of the amount of such withholding or deduction. In the event that such withholding or deduction is required, the Issuer shall be required to pay such additional amounts as will result in the holders of Covered Bonds, Receipts or Coupons receiving such amounts as they would have

received in respect of such Covered Bonds or Coupons had no such withholding or deduction been required in accordance with Condition 8.01.

- 8.5 The Issuer shall not be discharged from its obligations under the Covered Bonds, Receipts or Coupons and this Trust Deed by any payment made by the Guarantor LP under the Covered Bond Guarantee PROVIDED THAT this sub clause shall operate only for the purpose of the subrogation rights of the Guarantor LP contemplated by Clause 7.8.
- 8.6 Except in relation to Excess Proceeds, any payment made by the Guarantor LP to the Covered Bondholders, Receiptholders or the Couponholders in respect of the Covered Bonds, Receipts or Coupons may be made in accordance with the Conditions and the Agency Agreement, and any payments so made shall be a good discharge *pro tanto* of the relative covenant by the Guarantor LP (as the case may be) contained in Clauses 7 or 8 (as the case may be) save to the extent that there is default in the subsequent payment thereof in accordance with the trust presents to the relevant Covered Bondholders, Receiptholders or Couponholders (as the case may be).

9. Non Payment

Proof that with respect to any specified Covered Bond, Receipt or Coupon the Issuer or, as the case may be, the Guarantor LP has made default in paying any amount due in respect of such Covered Bond, Receipt or Coupon shall (unless the contrary be proved) be sufficient evidence that the same default has been made as regards all other Covered Bonds, Receipts or Coupons (as the case may be) in respect of which the relevant amount is due and payable.

10. Proceedings, Action and Indemnification

- 10.1 The Bond Trustee may at any time after an Issuer Acceleration Notice (in the case of the Issuer) or a Guarantor LP Acceleration Notice (in the case of the Guarantor LP), at its discretion and without further notice, take such proceedings as it may think fit against or in relation to the Issuer or, as the case may be, the Guarantor LP to enforce the provisions of this Trust Deed, the Covered Bonds, the Receipts and the Coupons. However, the Bond Trustee shall not be bound to take any such enforcement proceedings in relation to this Trust Deed, the Covered Bonds, the Receipts, the Coupons or any other Transaction Document unless directed or requested to do so (i) by an Extraordinary Resolution (with the Covered Bonds of all Series taken together as a single Series as provided in Clause 2.7) or (ii) in writing by the holders of not less than twenty five per cent of the Principal Amount Outstanding of the Covered Bonds then outstanding (with the Covered Bonds of all Series taken together as a single Series as aforesaid) and in either case then only if it shall be indemnified and/or secured to its satisfaction against all Liabilities to which it may thereby render itself liable or which it may incur by so doing.
- 10.2 Subject to Clause 10.1, the Bond Trustee shall not be bound to take any other action hereunder or any other Transaction Document unless directed or requested to do so (i) by an Extraordinary Resolution of the Covered Bondholders of the relevant one or more Series or (ii) in writing by the holders of not less than fifty per cent of the Principal Amount Outstanding of the Covered Bonds of the relevant one or more Series and in

either case then only if it shall be indemnified and/or secured to its satisfaction against all Liabilities to which it may thereby render itself liable or which it may incur by so doing.

- 10.3 Only the Bond Trustee may enforce the provisions hereof. No Covered Bondholder, Receiptholder or Couponholder shall be entitled to proceed directly against the Issuer or the Guarantor LP to enforce the performance of any of the provisions hereof or to directly enforce the provisions of the Security Agreement or any other Transaction Document unless the Bond Trustee having become bound as aforesaid to take proceedings fails to do so within 30 days and such failure is continuing (in which case each of such Covered Bondholder, Receiptholder or Couponholder shall be entitled to take any such steps and proceedings as it shall deem necessary other than the presentation of a petition for the winding up of, or for an administration order in respect of, the Issuer or the Guarantor LP).
- 10.4 Notwithstanding the foregoing, for so long as there are U.S. Registered Covered Bonds outstanding, in accordance with Section 316(b) of the Trust Indenture Act, the right of any holder to receive payment of principal and interest on the Covered Bonds on or after the due date for such principal or interest, or to institute suit for the enforcement of payment of that principal or interest, may not be impaired or affected without the consent of the Covered Bondholders, provided that no such right of enforcement shall exist (i) in respect of a postponement of an interest payment which has been consented to by the Covered Bondholders in accordance with the Trust Deed or (ii) to the extent that the institution or prosecution of such suit or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver or loss of the security granted pursuant to this Trust Deed or the relevant Security Agreements upon any property subject to such security.

11. Application of Moneys

- 11.1 All moneys (other than Excess Proceeds which shall be applied in the manner set out in Clause 11.2 below) received by the Bond Trustee hereunder from the Issuer or, as the case may be, the Guarantor LP or any administrator, administrative receiver, receiver, liquidator, trustee in sequestration or other similar official appointed in relation to the Issuer or the Guarantor LP (including any moneys which represent principal or interest in respect of Covered Bonds, Receipts or Coupons which have become void or in respect of which claims have become prescribed under Condition 10 (*Prescription*) and including the proceeds of any enforcement of the Security) shall, unless and to the extent attributable, in the opinion of the Bond Trustee and only as expressly permitted by the Guide, to a particular Series of the Covered Bonds, be apportioned *pari passu* and rateably between each Series of the Covered Bonds, and all moneys received by the Bond Trustee hereunder from the Issuer or, as the case may be, the Guarantor LP to the extent attributable in the opinion of the Bond Trustee and only as expressly permitted by the Guide to a particular Series of the Covered Bonds or which are apportioned to such Series as aforesaid, be held by the Bond Trustee upon trust to apply them (subject to Clause 13):

FIRST (except in relation to any such moneys received by the Bond Trustee following the occurrence of an Issuer Event of Default and the service by the Bond Trustee of an

Issuer Acceleration Notice and a Notice to Pay) in payment or satisfaction of all amounts then due and unpaid under Clauses 16 and/or 17(j) to the Bond Trustee and/or any Appointee;

SECONDLY in or towards payment *pari passu* and rateably of all principal and interest then due and unpaid in respect of the Covered Bonds of that Series;

THIRDLY in or towards payment *pari passu* and rateably of all principal and interest then due and unpaid in respect of the Covered Bonds of each other Series; and

FOURTHLY in payment of the balance (if any) to the Issuer (to the extent received from the Issuer) or the Guarantor LP (if received from the Guarantor LP).

Any Excess Proceeds received by the Bond Trustee shall discharge the obligations of the Issuer in respect of the Covered Bonds, Receipts and Coupons (to the extent of the amount so received) (but shall be deemed not to have done so for the purposes of subrogation rights of the Guarantor LP contemplated by Clause 7.8). However, the obligations of the Guarantor LP under the Covered Bond Guarantee are unconditional and irrevocable and the receipt by the Bond Trustee of any Excess Proceeds shall not reduce or discharge any such obligations.
- (b) By subscribing for Covered Bond(s), each Covered Bondholder shall be deemed to have irrevocably directed the Bond Trustee to pay the Excess Proceeds to the Guarantor LP in the manner as described above.

If that bank or institution is the Bond Trustee or a Subsidiary, holding or associated company of the Bond Trustee, it need only account for an amount of interest equal to the amount of interest which would, at then current rates, be payable by it on such a deposit to an independent customer. The Bond Trustee may at any time vary such Substitute Assets for or into other Substitute Assets or convert any moneys so deposited into any other currency and shall not be responsible for any loss resulting from any such Substitute Assets or deposits, whether due to depreciation in value, fluctuations

in exchange rates or otherwise (save where any loss results from the Bond Trustee's breach of trust, fraud, wilful default or negligence or that of its officers or employees).

- (i) The Bond Trustee shall not be liable to any person by reason of having accepted as valid or not having rejected any Covered Bond, Receipt or Coupon purporting to be such and subsequently found to be forged or not authentic.

Every such determination, whether or not relating in whole or in part to the acts or proceedings of the Bond Trustee, shall be conclusive and shall bind the Bond Trustee and the Covered Bondholders, the Receipholders, the Couponholders and the other Secured Creditors.
- (p) In connection with the exercise by it of any of its trusts, powers, authorities or discretions hereunder (including, without limitation, any modification, waiver, authorisation, determination or substitution), the Bond Trustee shall have regard to the general interests of the Covered Bondholders of each Series as a class (but shall not have regard to any interests arising from circumstances particular to individual Covered Bondholders, Receipholders or Couponholders whatever their number) and, in particular but without limitation, shall not have regard to the consequences of such exercise for individual Covered Bondholders, Receipholders and Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub division thereof and the Bond Trustee shall not be entitled to require, nor shall any Covered Bondholder, Receipholder or Couponholder be entitled to claim, from the Issuer, the Guarantor LP, the Bond Trustee or any other person any indemnification or payment in respect of any tax consequences of any such exercise upon individual Covered Bondholders, Receipholders and/or Couponholders, except to the extent already provided for in Condition 8 (*Taxation*) and/or in any undertaking or covenant given in addition thereto or in substitution therefor hereunder.
- (q) Any trustee hereof being a lawyer, accountant, broker or other person engaged in any profession or business shall be entitled to charge and be paid all usual and proper professional and other charges for business transacted and acts done by him or his firm in connection with the trusts hereof or any other of the Transaction Documents to which the Bond Trustee is a party and also his reasonable charges in addition to disbursements for all other work and business done and all time spent by him or his firm in connection with matters arising in connection herewith including matters which might or should have been attended to in person by a trustee not being a lawyer, accountant, broker or other professional person.
- (r) The Bond Trustee may whenever it thinks fit delegate by power of attorney or

otherwise to any person or persons or fluctuating body of persons (whether being a joint trustee of the trust presents or not) all or any of its trusts, powers, authorities and discretions hereunder. Such delegation may be made upon such terms (including power to sub delegate) and subject to such conditions and regulations as the Bond Trustee may in the interests of the Covered Bondholders think fit. Provided the Bond Trustee has exercised reasonable care in the selection of any such delegate, the Bond Trustee shall not be under any obligation to supervise the proceedings or acts of any such delegate or sub delegate or be in any way responsible for any Liability incurred by reason of any misconduct or default on the part of any such delegate or sub delegate. The Bond Trustee shall within a reasonable time after any such delegation or any renewal, extension or termination thereof give notice thereof to the Issuer.

- (s) The Bond Trustee may in the conduct of the trusts hereof instead of acting personally employ and pay an agent (whether being a lawyer or other professional person) to transact or conduct, or concur in transacting or conducting, any business and to do, or concur in doing, all acts required to be done in connection herewith (including the receipt and payment of money). Provided the Bond Trustee has exercised reasonable care in the selection of any such agent, the Bond Trustee shall not be in any way responsible for any Liability incurred by reason of any misconduct or default on the part of any such agent or be bound to supervise the proceedings or acts of any such agent.
- (t) The Bond Trustee shall not be responsible for the execution, delivery, legality, effectiveness, adequacy, genuineness, validity, enforceability or admissibility in evidence of this Trust Deed and the Transaction Documents or any other document relating or expressed to be supplemental thereto and shall not be liable for any failure to obtain any licence, consent or other authority for the execution, delivery, legality, effectiveness, adequacy, genuineness, validity, performance, enforceability or admissibility in evidence of this Trust Deed and the Transaction Documents or any other document relating or expressed to be supplemental thereto.
- (u) The Bond Trustee may appoint and pay any person to act as a custodian or nominee on any terms in relation to such assets of the trusts constituted hereby as the Bond Trustee may determine, including for the purpose of depositing with a custodian this Trust Deed or any document relating to the trusts constituted hereby and the Bond Trustee shall not be responsible for any Liability incurred by reason of the misconduct, omission or default on the part of any person appointed by it hereunder or be bound to supervise the proceedings or acts of such person; the Bond Trustee is not obliged to appoint a custodian if the Bond Trustee invests in securities payable to bearer.
- (v) Subject to the requirements, if any, of the Stock Exchange, any corporation into which the Bond Trustee shall be merged or with which it shall be consolidated or any company resulting from any such merger or consolidation shall be a party hereto and shall be the Bond Trustee under the trust presents without executing or

filing any paper or document or any further act on the part of the parties thereto.

- (w) Unless notified to the contrary, the Bond Trustee shall be entitled to assume without enquiry (other than requesting a certificate pursuant to Clause 15(o)) that no Covered Bonds are held by, for the benefit of, or on behalf of, the Issuer or the Guarantor LP.
- (x) The Bond Trustee shall have no responsibility whatsoever to the Issuer, the Guarantor LP, any Covered Bondholder, Receipholder or Couponholder or any other person for the maintenance of or failure to maintain any rating of any of the Covered Bonds by any Rating Agency.
- (y) The Bond Trustee shall not be liable or responsible for any Liabilities or inconvenience which may result from anything done or omitted to be done by it in accordance with the provisions hereof.
- (z) If, in connection with the exercise of its powers, trusts, authorities or discretions, in accordance with the terms of the Transaction Documents, the Bond Trustee is of the opinion that the interest of the holders of the Covered Bonds of any one or more Series would be materially prejudiced thereby, the Bond Trustee shall not exercise such power, trust, authority or discretion without the approval of the Covered Bondholders by Extraordinary Resolution or by a written resolution of such Covered Bondholders of not less than fifty per cent. of the Principal Amount Outstanding of the Covered Bonds of the relevant Series then outstanding.
- (aa) The Bond Trustee will not be responsible for any loss, expense or liability, which may be suffered as a result of any Loans or Related Security, or any deeds or documents of title thereto, being uninsured or inadequately insured or being held by clearing organisations or their operators or by intermediaries such as banks, brokers or other similar persons on behalf of the Bond Trustee. The Bond Trustee will not be responsible for (i) supervising the performance by the Issuer or any other party to the Transaction Documents of their respective obligations under the Transaction Documents and the Bond Trustee will be entitled to assume, until it has written notice to the contrary, that all such persons are properly performing their duties; (ii) considering the basis on which approvals or consents are granted by the Issuer or any other party to the Transaction Documents under the Transaction Documents; (iii) monitoring the Portfolio, including, without limitation, whether the Portfolio is in compliance with the Asset Coverage Test or the Amortisation Test; or (iv) monitoring whether Loans and Related Security satisfy the Eligibility Criteria. The Bond Trustee will not be liable to any Covered Bondholder or other Secured Creditor for any failure to make or to cause to be made on their behalf the searches, investigations and enquiries which would normally be made by a prudent chargee in relation to the Security and have no responsibility in relation to the legality, validity, sufficiency and enforceability of the Security and the Transaction Documents.

- (bb) Where hereunder, the Bond Trustee is required to consider whether any event or the exercise by it of any of its powers, authorities or discretions is or will be materially prejudicial to the interests of the Covered Bondholders of one or more Series, the Bond Trustee shall be entitled to call for and rely and act upon the advice or opinion of any reputable financial or other adviser (whether or not such financial adviser shall be a Secured Creditor or otherwise party to any Transaction Document) and if relied upon by the Bond Trustee shall be binding on the Covered Bondholders of all Series and the Bond Trustee shall not incur any Liability by reason of so acting or relying.
- (cc) Notwithstanding anything in this Trust Deed, the Bond Trustee shall retain the right not to act (and will not be held liable for refusing to act) unless it has received a clear and unambiguous request, direction, order, instruction, authorization and/or certification, as applicable, which complies with the terms of this Trust Deed. Furthermore, the Bond Trustee shall retain the right not to act if, in its own discretion, it petitions a court of competent jurisdiction to clarify and adjudicate any uncertain or ambiguous matter relating to this Trust Deed.

None of the provisions contained in this Trust Deed shall require the Bond Trustee to expend or risk its own funds or otherwise incur financial liability on the performance of any of its duties or in the exercise of any of its rights or powers if there are any reasonable grounds for believing that the reimbursement of such expenditure or indemnity satisfactory to the Bond Trustee against such risk or liability is not assured to it, provided that the Bond Trustee, shall forthwith upon making such a determination, deliver notice of the same to the Issuer and the Guarantor LP, which notice shall include the grounds for such belief.

18. Representations, Warranties, Covenants and Liability of Bond Trustee

Representations, Warranties and Covenants of the Bond Trustee

- 18.1 The Bond Trustee represents, warrants and covenants (and continues to represent, warrant and covenant for as long as it continues to be bond trustee) as follows, and acknowledges that the Issuer and the Guarantor LP are relying on such representations, warranties and covenants in entering into, and performing their obligations under, this Trust Deed:

19. Bond Trustee Contracting with the Issuer and the Guarantor LP

Neither the Bond Trustee nor any director or officer or holding company, Subsidiary or associated company of a corporation acting as a trustee hereunder shall by reason of its or his fiduciary position be in any way precluded from:

20. Waiver, Authorisation and Determination and Substitution

- 20.1 The Bond Trustee (without the consent of the Covered Bondholders) or the Covered Bondholders by Extraordinary Resolution (without the consent of the Bond Trustee) may without the consent of the related Receipholders and/or Couponholders or any of the other Secured Creditors and without prejudice to its or their rights in respect of any subsequent breach, Issuer Event of Default, Potential Issuer Event of Default, Guarantor LP Event of Default or Potential Guarantor LP Event of Default from time to time and at any time but only if in so far as in its or their opinion the interests of the Covered Bondholders shall not be materially prejudiced thereby, waive or authorise any breach or proposed breach by the Issuer or the Guarantor LP of any of the covenants or provisions contained herein or the other Transaction Documents (other than the Priorities of Payment, except to the extent consented to by each Secured Creditor (other than the Covered Bondholders) adversely affected by such waiver or authorization) or determine that any Issuer Event of Default, Potential Issuer Event of Default, Guarantor LP Event of Default or Potential Guarantor LP Event of Default shall not be treated as such for the purposes hereof PROVIDED ALWAYS THAT the Bond Trustee or the Covered Bondholders, as applicable, shall not exercise any powers conferred on it or them by this Clause in contravention of any express direction given by Extraordinary Resolution or by a request under Condition 7 (*Events of Default*) but so that no such direction or request shall affect any waiver, authorisation or determination previously given or made. Any

such waiver, authorisation or determination may be given or made on such terms and subject to such conditions (if any) as the Bond Trustee or the Covered Bondholders by Extraordinary Resolution, as applicable, may determine, shall be binding on the Secured Creditors and, if, but only if, the Bond Trustee or the Covered Bondholders by Extraordinary Resolution, as applicable, shall so require, shall be notified by the Issuer to the Covered Bondholders in accordance with Condition 14 (*Notices*) as soon as practicable thereafter.

Modification

- 20.2 (a) Subject to Clause 20.2(c), the Bond Trustee may without the consent or sanction of any of the Secured Creditors at any time and from time to time concur with the Issuer, the Guarantor LP and any other party in making any modification (and for this purpose the Bond Trustee may disregard whether any such modification relates to a Series Reserved Matter) (i) to this Trust Deed and/or the other Transaction Documents which in the opinion of the Bond Trustee may be expedient to make PROVIDED THAT the Bond Trustee is of the opinion that such modification will not be materially prejudicial to the interests of any of the Covered Bondholders, except to the extent that such modification is in respect of the Priorities of Payment, in which case the consent of each Secured Party (other than the Covered Bondholders) adversely affected by such modification shall be required, or (ii) to this Trust Deed or the other Transaction Documents which is of a formal, minor or technical nature or to correct a manifest error or an error established as such to the satisfaction of the Bond Trustee or to comply with mandatory provisions of law. Any such modification may be made on such terms and subject to such conditions (if any) as the Bond Trustee may determine, shall be binding upon the Secured Creditors and, unless the Bond Trustee otherwise agrees, shall be notified by the Issuer to the Covered Bondholders in accordance with Condition 14 (*Notices*) and the other Secured Creditors as soon as practicable thereafter.
- (b) Notwithstanding Clause 20.1 or 20.2(a), the Bond Trustee may without the consent of any other party make modifications to this Trust Deed or the other Transaction Documents to remove any references to the Trust Indenture Act, provided that there are no U.S. Registered Covered Bonds outstanding. Any such modification may be made on such terms and subject to such conditions (if any) as the Bond Trustee may determine, shall be binding upon the Secured Creditors and, unless the Bond Trustee otherwise agrees, shall be notified by the Issuer to the Covered Bondholders in accordance with Condition 14 (*Notices*) and the other Secured Creditors as soon as practicable thereafter.
- (c) The prior consent of the Bond Trustee and the Secured Creditors will not be required and will not be obtained in relation to the accession of any New Seller to the Programme PROVIDED THAT the relevant conditions precedent in the Transaction Documents are satisfied at the time of the intended accession.

Substitution

- 20.3 (a) If so requested by the Issuer, the Bond Trustee shall, without the consent of the Covered Bondholders, Receiptholders or Couponholders agree with the Issuer and the Guarantor LP to the substitution in place of the Issuer (or of the previous substitute under this Clause) as the principal debtor hereunder and all other Transaction Documents of any Subsidiary of the Issuer (such substituted issuer being hereinafter called the “**New Company**”) PROVIDED THAT in each case that a trust deed is executed and other forms of undertaking are given by the New Company in the form and manner satisfactory to the Bond Trustee, agreeing to be bound by the provisions hereof and the other Transaction Documents and with any consequential amendments which the Bond Trustee may deem appropriate as fully as if the New Company had been named herein and the other Transaction Documents as the principal debtor in place of the Issuer (or of the previous substitute under this Clause).
- (b) The following further conditions shall apply to (a) above:
- (i) the Issuer and the Guarantor LP shall deliver to the Bond Trustee a certificate of two directors of the Issuer and a certificate of a the Managing GP of the Guarantor LP stating that immediately after giving effect to such transaction no Issuer Event of Default (in respect of the Issuer) or Guarantor LP Event of Default, respectively and no Potential Issuer Event of Default (in respect of the Issuer) or Potential Guarantor LP Event of Default, respectively, shall have happened and be continuing;
 - (ii) the Issuer shall execute and deliver to the Bond Trustee (in such form reasonably acceptable to the Bond Trustee) an undertaking to be bound by the Covered Bond Guarantee in the same manner and to the same extent as the Guarantor LP pursuant hereto;
 - (iii) where the New Company is incorporated, domiciled or resident in, or subject generally to the taxing jurisdiction of, a territory other than or in addition to the Tax Jurisdiction, undertakings or covenants shall be given by the New Company in terms corresponding to the provisions of Condition 8 (*Taxation*) with the substitution for (or, as the case may be, the addition to) the references to the Tax Jurisdiction of references to that other or additional territory in which the New Company is incorporated, domiciled or resident or to whose taxing jurisdiction it is subject and, where such undertaking or covenant is provided, references in Condition 6.02 (*Early Redemption for Taxation Reasons*) to the Tax Jurisdiction shall be deemed to be amended accordingly; and
 - (iv) the Covered Bond Guarantee remaining in place *mutatis mutandis* in relation to the obligations of the New Company.

Breach

- 20.4 Any breach of or failure to comply by the Issuer or the Guarantor LP with any such terms and conditions as are referred to in sub clauses 20.1, 20.2 and 20.4 of this Clause shall constitute a default by the Issuer or the Guarantor LP in the performance or observance of a covenant or provision binding on it under or pursuant hereto.

21. Holder of Definitive Covered Bond Assumed to be Receiptholder and Couponholder

- 21.1 Wherever herein the Bond Trustee is required or entitled to exercise a power, trust, authority or discretion hereunder, except as ordered by a court of competent jurisdiction or as required by applicable law, the Bond Trustee shall, notwithstanding that it may have express notice to the contrary, assume that each Covered Bondholder is the holder of all Receipts and Coupons appertaining to each Definitive Covered Bond of which he is the holder.

No Notice to Receiptholders of Couponholders

- 21.2 Neither the Bond Trustee nor the Issuer shall be required to give any notice to the Receiptholders or Couponholders for any purpose hereunder and the Receiptholders or Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Covered Bonds in accordance with Condition 14 (*Notices*).

22. Currency Indemnity

Each of the Issuer and, following the occurrence of a Covered Bond Guarantee Activation Event the Guarantor LP shall, jointly and severally indemnify the Bond Trustee, every Appointee, the Covered Bondholders, the Receiptholders and the Couponholders and keep them indemnified against:

- (a) any Liability incurred by any of them arising from the non payment by the Issuer or the Guarantor LP of any amount due to the Bond Trustee or the holders of the Covered Bonds and the relative Receiptholders or Couponholders hereunder by reason of any variation in the rates of exchange between those used for the purposes of calculating the amount due under a judgment or order in respect thereof and those prevailing at the date of actual payment by the Issuer or the Guarantor LP; and
- (b) any deficiency arising or resulting from any variation in rates of exchange between (i) the date as of which the local currency equivalent of the amounts due or contingently due hereunder (other than this Clause) is calculated for the purposes of any bankruptcy, insolvency or liquidation of the Issuer or, as the case may be, the Guarantor LP and (ii) the final date for ascertaining the amount of claims in such bankruptcy, insolvency or liquidation. The amount of such deficiency shall be deemed not to be reduced by any variation in rates of exchange occurring between the said final date and the date of any distribution of assets in connection with any such bankruptcy, insolvency or liquidation.

The above indemnities shall constitute obligations of the Issuer and the Guarantor LP separate and independent from their other obligations under the other provisions hereof

and shall apply irrespective of any indulgence granted by the Bond Trustee or the Covered Bondholders, the Receiptholders or the Couponholders from time to time and shall continue in full force and effect notwithstanding the judgment or filing of any proof or proofs in any bankruptcy, insolvency or liquidation of the Issuer or, as the case may be, the Guarantor LP for a liquidated sum or sums in respect of amounts due hereunder (other than this Clause). Any such deficiency as aforesaid shall be deemed to constitute a loss suffered by the Covered Bondholders, the Receiptholders and the Couponholders and no proof or evidence of any actual loss shall be required by the Issuer or the Guarantor LP or its or their liquidator or liquidators.

23. New Bond Trustee

The power to appoint a new bond trustee hereof shall be vested solely in the Issuer and the Guarantor LP jointly but, subject as otherwise provided in Clause 25, no person shall be appointed who shall not previously have been approved by an Extraordinary Resolution of all the Covered Bondholders. One or more persons may hold office as bond trustee or bond trustees hereof but such bond trustee or bond trustees shall be or include a Trust Corporation and provided that so long as there are U.S. Registered Covered Bonds outstanding, at least one person holding office as bond trustee shall be a trustee who shall be qualified to act under Sections 310(a)(1), 310(a)(2) and 310(a)(5) of the Trust Indenture Act and in each case shall satisfy any requirements applicable to a bond trustee under the Guide. If for so long as there are U.S. Registered Covered Bonds outstanding, a Bond Trustee has or shall acquire any "conflicting interest" within the meaning of Section 310(b) of the Trust Indenture Act, the Bond Trustee and the Issuer shall comply with the provisions of Section 310(b) of the Trust Indenture Act; provided, however, that there shall be excluded from the operation of Section 310(b)(1) of the Trust Indenture Act any deed or deeds under which other securities or certificates of interest or participation in other securities of the Issuer are outstanding if the requirements for such exclusion set forth in Section 310(b)(1) of the Trust Indenture Act are met. If at any time a Bond Trustee shall cease to be eligible in accordance with the provisions of this Clause 23, such Bond Trustee shall retire promptly in the manner and with the effect specified in Clause 25. Whenever there shall be more than two bond trustees the majority of such bond trustees shall be competent to execute and exercise all the duties, powers, trusts, authorities and discretions vested in the Bond Trustee hereby PROVIDED THAT a Trust Corporation shall be included in such majority. Any appointment of a new bond trustee hereof shall as soon as practicable thereafter be notified by the Issuer to the Issuing and Paying Agent and the Covered Bondholders.

24. Separate and Co Bond Trustees

Notwithstanding the provisions of Clause 23 above, the Bond Trustee may, upon giving prior notice to the Issuer and the Guarantor LP (but without the consent of the Issuer, the Guarantor LP, the Covered Bondholders, Receiptholders or Couponholders), appoint any person established or resident in any jurisdiction (whether a Trust Corporation or not), provided such person satisfies all requirements applicable to a bond trustee under the Guide, to act either as a separate bond trustee (if the Bond Trustee shall not be qualified

to act as such in such jurisdiction) or as a co bond trustee jointly with the Bond Trustee:

- (a) if the Bond Trustee considers such appointment to be in the interests of the Covered Bondholders;
- (b) for the purposes of conforming to any legal requirements, restrictions or conditions in any jurisdiction in which any particular act or acts is or are to be performed; or
- (c) for the purposes of obtaining a judgment in any jurisdiction or the enforcement in any jurisdiction of either a judgment already obtained or any of the provisions hereof against the Issuer or the Guarantor LP.

Each of the Issuer and the Guarantor LP irrevocably appoints the Bond Trustee to be its attorney in its name and on its behalf to execute any such instrument of appointment. Such a person shall (subject always to the provisions hereof) have such trusts, powers, authorities and discretions (not exceeding those conferred on the Bond Trustee hereby) and such duties and obligations as shall be conferred or imposed by the instrument of appointment. The Bond Trustee shall have power in like manner to remove any such person. Such reasonable remuneration as the Bond Trustee may pay to any such person, together with any attributable Liabilities incurred by it in performing its function as such separate bond trustee or co bond trustee, shall for the purposes hereof be treated as Liabilities incurred by the Bond Trustee.

25. Bond Trustee's Retirement and Removal

- 25.1 A bond trustee hereof may retire at any time on giving not less than three months' prior written notice to the Issuer and the Guarantor LP without giving any reason and without being responsible for any Liabilities incurred by reason of such retirement. The Covered Bondholders may by Extraordinary Resolution of all the Covered Bondholders remove any bond trustee or bond trustees for the time being hereof.
- 25.2 The Guarantor LP may remove any bond trustee upon a default by the bond trustee in the performance or observance of any of its covenants and obligations under this Trust Deed (including the representations, warranties and covenants contained in Section 18.1) if such breach continues unremedied for a period of thirty (30) days after the earlier of the bond trustee becoming aware of such default and receipt by the bond trustee of written notice from the Guarantor LP requiring the same to be remedied.
- 25.3 Each of the Issuer and the Guarantor LP undertakes that in the event of the only bond trustee hereof which is a Trust Corporation giving notice under this Clause or being removed by Extraordinary Resolution or pursuant to Section 25.2, it will use all reasonable endeavours to procure that a new bond trustee hereof being a Trust Corporation, whose appointment complies with the requirements in the Guide, is appointed as soon as reasonably practicable thereafter. The retirement of any such bond trustee pursuant to Section 25.1 shall not become effective until a successor bond trustee being a Trust Corporation and satisfying all requirements applicable to a bond trustee under the Guide is appointed. If, in such circumstances, no appointment of such new

bond trustee has become effective within 60 days of the date of such notice or Extraordinary Resolution or removal pursuant to Section 25.2, the Bond Trustee shall be entitled to appoint a Trust Corporation as bond trustee hereof provided such appointment is in compliance with the Guide, but no such appointment shall take effect unless previously approved by an Extraordinary Resolution. For greater certainty, a Bond Trustee who has resigned or been removed while there are U.S. Registered Covered Bonds outstanding shall be subject to Section 311(a) of the Trust Indenture Act to the extent provided therein, excluding any creditor relationship listed in Section 311(b) of the Trust Indenture Act.

26. Incorporation of the Trust Indenture Act

The parties agree that for so long as U.S. Registered Covered Bonds are outstanding, the provisions of the Trust Indenture Act (including Sections 310 through 318, inclusive, thereof) that impose duties on any Person (including the provisions automatically deemed included unless expressly excluded by this Trust Deed) are part of and govern the applicable provisions of this Trust Deed, whether or not physically contained herein. If and to the extent that any provision of this Trust Deed limits, qualifies, or conflicts with the duties imposed by, or with another provision (an “**incorporated provision**”) included in this Trust Deed by operation of Sections 310 to 318, inclusive, of the Trust Indenture Act, such imposed duties or incorporated provision shall control and such Trust Deed provision shall be deemed modified thereby.

27. Bond Trustee’s Powers to be Additional

The powers conferred upon the Bond Trustee hereby shall be in addition to any powers which may from time to time be vested in the Bond Trustee by the general law or as a holder of any of the Covered Bonds, Receipts or Coupons.

28. Notices

Any notice or demand to the Issuer, the Guarantor LP or the Bond Trustee to be given, made or served for any purposes hereunder or the Security Agreement shall be given, made or served by sending the same by pre-paid post (first class if inland, first class airmail if overseas) or facsimile transmission or email or by delivering it by hand as follows:

The failure of the addressee to receive such confirmation shall not invalidate the relevant notice or demand given by facsimile transmission.

29. Amendments and Waiver

Subject to the terms of Clause 20, and except as otherwise expressly provided in this Trust Deed, the provisions in this Trust Deed (i) may be amended or modified only by written agreement of all of the parties hereto, and (ii) may be waived only by written agreement by each of the parties hereto adversely affected by such waiver, and if any such amendment or waiver is determined to be material in the opinion of the Guarantor LP, Rating Agency Confirmation shall be required in respect thereof. The Guarantor LP (or the Cash Manager on its behalf) shall deliver notice to the Rating Agencies of any amendment or waiver which does not require Rating Agency Confirmation provided that failure to deliver such notice shall not constitute a breach of the obligations of the Guarantor LP under this Trust Deed. This Trust Deed (and the benefits and obligations contained in it) may not be assigned by any party without the prior written consent of each of the other parties hereto and Rating Agency Confirmation having been obtained in respect of such assignment.

30. Non-Petition

The Issuer and the Bond Trustee agree that they shall not institute or join any other Person or entity in instituting against, or with respect to, the Guarantor LP, or any of the general partners of the Guarantor LP, any bankruptcy or insolvency event so long as any Covered Bonds issued by the Issuer under the Programme shall be outstanding or there shall not have elapsed one year plus one day since the last day on which any such Covered Bonds shall have been outstanding. If any provision in or obligation under this Trust Deed and any trust deed supplemental hereto is or becomes invalid, illegal or unenforceable in any respect under the law of any jurisdiction, that will not affect or impair (i) the validity, legality or enforceability under the law of that jurisdiction of any other provision in or obligation under this Trust Deed and any trust deed supplemental hereto, and (ii) the validity, legality or enforceability under the law of any other jurisdiction of that or any other provision in or obligation under this Trust Deed and any trust deed supplemental hereto

TERMS AND CONDITIONS OF THE COVERED BONDS

*With the exception of N Covered Bonds, the following are the terms and conditions of the Covered Bonds (the “**Terms and Conditions**”), which as supplemented, modified or replaced in relation to any Covered Bonds by the applicable Final Terms (as defined below), will be applicable to each Series of Covered Bonds issued after the date of this document unless otherwise specified in the applicable Final Terms. Either (i) the full text of these Terms and Conditions (subject to simplification by deletion of non-applicable provisions) together with the relevant provisions of the Final Terms or (ii) these Terms and Conditions as so supplemented, modified or replaced (subject to simplification by deletion of non-applicable provisions) shall be endorsed on the definitive Bearer Covered Bonds and Registered Covered Bonds, attached to the Temporary Global Covered Bond or the Permanent Global Covered Bond or otherwise incorporated or endorsed on such other forms of Covered Bonds as shall be agreed upon by the Issuer, the Guarantor LP, the relevant Dealer(s) or Covered Bondholder(s), as the case may be, and the Bond Trustee. All capitalized terms that are not defined in these Terms and Conditions will have the meanings given to them in the Final Terms. In relation to Covered Bonds of any Series of N Covered Bonds, the terms and conditions of such Series will be as set out in the N Covered Bond (Namensschuldverschreibung) together with the N Covered Bond Conditions attached thereto and in the N Covered Bond Agreement, in each case as supplemented, modified or replaced in relation to any Series of N Covered Bonds by the applicable Final Terms. For greater certainty, any reference to a “Condition” other than in this section shall be deemed to be, as applicable, a reference to the relevant provision of the N Covered Bond (Namensschuldverschreibung), the N Covered Bond Conditions attached thereto or the provisions of the N Covered Bond Agreement relating thereto; provided however, for greater certainty, that the preamble to these Terms and Conditions shall apply with respect to the issuance of N Covered Bonds.*

This Covered Bond is one of a Series (as defined below) of Covered Bonds issued by Royal Bank of Canada (the “**Issuer**” or the “**Bank**”) as part of the Issuer’s Global Covered Bond Programme (the “**Programme**”) and constituted by a trust deed initially entered into on the Programme Establishment Date and most recently amended and restated as of July 5, 2019 (as amended, supplemented, restated or replaced, the “**Trust Deed**”), between the Issuer, RBC Covered Bond Guarantor Limited Partnership, as guarantor (the “**Guarantor LP**”) and Computershare Trust Company of Canada, as bond trustee (in such capacity, the “**Bond Trustee**” which expression shall include any successor as bond trustee).

The Covered Bonds have the benefit of an agency agreement initially entered into on the Programme Establishment Date and most recently amended and restated as of July 5, 2019 (as amended, supplemented, restated or replaced, the “**Agency Agreement**”) between the Issuer, the Guarantor LP, the Bond Trustee, The Bank of New York Mellon in its capacities as U.S. registrar (the “**U.S. Registrar**”, which expression should include any successor in this capacity), U.S. paying agent (the “**U.S. Paying Agent**”), transfer agent and exchange agent (the “**Exchange Agent**”, which expression shall include any successor in this capacity), The Bank of New York Mellon, London branch, in its capacities as issuing and principal paying agent (the “**Issuing and Paying Agent**”, and which expression shall include any successor to The Bank of New York Mellon, London branch, in such capacity), and as calculation agent (the “**Calculation Agent**”, which expression shall include any successor to The Bank of New York Mellon, London branch in its capacity as such and any substitute calculation agent appointed in accordance with the Agency Agreement either with respect to the Programme or with respect to a particular Series) and as transfer agent, The Bank of New York Mellon SA/NV, Luxembourg Branch as European registrar and transfer agent (the “**European Registrar**”, which expression shall include any successor to The Bank of New York Mellon SA/NV, Luxembourg Branch in its capacity as such, BNY Trust Company of Canada, as Canadian registrar (the “**Canadian Registrar**”, which expression shall include any successor to BNY Trust Company of Canada in its capacity as such), BTA Institutional Services Australia Limited (ABN 48 002 916 396), in its capacity as issuing and paying agent and registrar in respect of Australian dollar denominated Covered Bonds (the “**Australian Registrar, Issuing and Paying Agent**”) and the “**Registrar**” or “**Registrars**” for a Tranche (as defined below) shall be as specified in the applicable Final Terms (as defined below) and any substitute or additional paying agents appointed in accordance with the terms of such Agency Agreement either with respect to the Programme or with respect to a particular Series (the “**Paying Agents**”, which expression shall, unless the context otherwise requires, include the Issuing and Paying Agent and the U.S. Paying Agent) and any substitute or additional transfer agents appointed in accordance with the terms of such Agency Agreement (the “**Transfer Agents**”, which expression shall, unless the context otherwise requires, include the European Registrar, the Canadian Registrar and the U.S. Registrar). As used herein, “**Agents**” shall mean the Paying Agents,

the Registrar or Registrars, the Exchange Agent and the Transfer Agents. A branch of a bank is not a subsidiary and does not comprise a separate legal entity.

Save as provided in Conditions 7 and 13, references in these Terms and Conditions to **“Covered Bonds”** are to Covered Bonds of this Series and shall mean:

- (a) in relation to any Covered Bonds represented by a global covered bond (a **“Global Covered Bond”**), units of each Specified Denomination in the Specified Currency;
- (b) any Global Covered Bond;
- (c) any definitive Covered Bonds in bearer form (**“Bearer Definitive Covered Bonds”**) issued in exchange for a Global Covered Bond in bearer form; and
- (d) any definitive Covered Bonds in registered form (**“Registered Definitive Covered Bonds”**) including without limitation U.S. Registered Covered Bonds (as defined below), and any N Covered Bonds (whether or not issued in exchange for a Global Covered Bond in registered form).

Save as provided in Conditions 7 and 13, any references to **“Coupons”** (as defined in Condition 1.06), **“Receipts”** (as defined in Condition 1.07) or **“Talons”** (as defined in Condition 1.06) are to Coupons, Receipts and Talons relating to Covered Bonds of this Series.

References in these Terms and Conditions to the Final Terms are, unless otherwise specified, to Part A of the Final Terms(s) prepared in relation to the Covered Bonds of the relevant Tranche or Series.

In respect of any Covered Bonds, references herein to these “Terms and Conditions” are to these terms and conditions as supplemented or modified or (to the extent thereof) replaced by Part A of the Final Terms and any reference herein to a **“Condition”** is a reference to the relevant Condition of the Terms and Conditions of the relevant Covered Bonds.

The Covered Bonds are issued in series (each, a **“Series”**), and each Series (except in the case of N Covered Bonds) may comprise one or more tranches (**“Tranches”** and each, a **“Tranche”**) of Covered Bonds. Each Tranche or in the case of N Covered Bonds, each Series, will be the subject of Final Terms, a copy of which will be available free of charge during normal business hours at the specified office of the Issuing and Paying Agent and/or, as the case may be, the applicable Registrar and each other Paying Agent. In the case of a Tranche (or Series in the case of N Covered Bonds) of Exempt Covered Bonds, copies of the Final Terms will only be available for inspection by a Holder of or, as the case may be, a Relevant Account Holder (each as defined herein) in respect of, such Covered Bonds.

The Bond Trustee acts for the benefit of the Holders for the time being of the Covered Bonds (the **“holders of the Covered Bonds”**, which expression shall, in relation to any Covered Bonds represented by a Global Covered Bond, be construed as provided below, the holders of the Receipts (the **“Receiptholders”**) and the holders of the Coupons (the **“Couponholders”**, which expression shall, unless the context otherwise requires, include the holders of the Talons (as defined in Condition 1.06 below)), and for holders of each other series of Covered Bonds in accordance with the provisions of the Trust Deed.

The Guarantor LP has, in the Trust Deed, irrevocably and unconditionally guaranteed the due and punctual payment of the Guaranteed Amounts in respect of the Covered Bonds as and when the same shall become due for payment on certain dates and in accordance with the Trust Deed (**“Due for Payment”**), but only after the occurrence of a Covered Bond Guarantee Activation Event.

The security for the obligations of the Guarantor LP under the Covered Bond Guarantee and the other Transaction Documents to which it is a party has been created in and pursuant to, and on the terms set out in, a security agreement (such security agreement as amended, supplemented or replaced the **“Security Agreement”**) entered into on the Programme Establishment Date and most recently amended and restated as of June 24, 2013, between the Guarantor LP, the Bond Trustee and certain other Secured Creditors.

These Terms and Conditions include summaries of and are subject to, the provisions of the Trust Deed, the Security Agreement and the Agency Agreement.

Copies of the Trust Deed, the Security Agreement, the Master Definitions and Constructions Agreement (as defined below), the Agency Agreement and each of the other Transaction Documents (other than subscription agreements in respect of certain Exempt Covered Bonds) are available for inspection during normal business hours at the registered office for the time being of the Bond

Trustee being as of the date of this document at 100 University Avenue, 11th Floor, North Tower, Toronto, Ontario, Canada, M5J 2Y1 and at the specified office of each of the Paying Agents.

Copies of the applicable Final Terms of all Covered Bonds of each Series (other than in relation to Exempt Covered Bonds) are obtainable during normal business hours of the specified office of each of the Paying Agents, and any holder of the Covered Bonds must produce evidence satisfactory to the Issuer and the Bond Trustee or, as the case may be, relevant Paying Agent as to its holding of Covered Bonds and identity. The holders of the Covered Bonds, the Receipholders and Couponholders are deemed to have notice of, or are bound by, and are entitled to the benefit of, all the provisions of, and definitions contained in, the Trust Deed, the Security Agreement, the Master Definitions and Construction Agreement, the Agency Agreement, each of the other Transaction Documents and the applicable Final Terms which are applicable to them and to have notice of each set of Final Terms relating to each other Series (other than subscription agreements in respect of certain Exempt Covered Bonds to the extent not generally available for inspection).

Except where the context otherwise requires, capitalized terms used or otherwise defined in these Terms and Conditions shall bear the meanings given to them in the applicable Final Terms and/or the master definitions and construction agreement, initially entered into between the parties to the Transaction Documents on the Programme Establishment Date and, most recently amended and restated as of July 5, 2019 (the “**Master Definitions and Construction Agreement**”), a copy of each of which may be obtained as described above.

1. Form and Denomination

1.01 Covered Bonds are issued in bearer form (“**Bearer Covered Bonds**”) or in registered form (“**Registered Covered Bonds**”), or in such other form as shall be agreed upon by the Issuer, the Guarantor LP, the relevant Dealer(s) or Covered Bondholder(s), as the case may be, and the Bond Trustee, as specified in the Final Terms and are serially numbered. Registered Covered Bonds will not be exchangeable for Bearer Covered Bonds and *vice versa*.

The Covered Bond may be a Fixed Rate Covered Bond, a Floating Rate Covered Bond, a Zero Coupon Covered Bond or an Indexed Linked Interest Covered Bond or any appropriate combination thereof, depending on the Interest Basis specified in the applicable Final Terms. The Covered Bond may also be an Index Linked Redemption Covered Bond (collectively with Index Linked Interest Covered Bonds, “**Index-Linked Covered Bonds**” and each an “**Index-Linked Covered Bond**”), a Dual Currency Covered Bond, an Instalment Covered Bond or in a combination of any of the foregoing, depending on the Redemption/Payment Basis specified in the applicable Final Terms.

The Covered Bond may also be a Covered Bond to which payment of principal and/or interest is linked to any other source or of a type not referred to above (including Equity Linked Covered Bonds, Commodity Linked Covered Bonds and Credit Linked Covered Bonds) the terms of which will be specified in the applicable Final Terms.

1.02 For so long as any of the Covered Bonds is represented by a Temporary Global Covered Bond and/or Permanent Global Covered Bond held on behalf of Euroclear and/or Clearstream or so long as The Depository Trust Company (“**DTC**”) or its nominee or CDS or its nominee is the registered holder of a Registered Global Covered Bond, each person (other than Euroclear or Clearstream, DTC or CDS) who is for the time being shown in the records of Euroclear or of Clearstream, DTC or CDS as the holder of a particular principal amount of such Covered Bonds (a “**Relevant Account Holder**”) (in which regard any certificate or other document issued by Euroclear or Clearstream, DTC or CDS as to the principal amount of such Covered Bonds standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest or proven error) shall be treated by the Issuer, the Guarantor LP, the Bond Trustee, the Issuing and Paying Agent, the Registrar and any other Agent as the holder of such principal amount of such Covered Bonds for all purposes, in accordance with and subject to the Terms and Conditions of the relevant Global Covered Bond and the Trust Deed, other than with respect to the payment of principal or interest on the Covered Bonds, and, in the case of DTC or its nominee or CDS or its nominee, voting, giving consents and making requests, for which purpose the bearer of the relevant Temporary Global Covered Bond and/or Permanent Global Covered Bond or registered holder of a Registered Global Covered Bond (or in either case, the Bond Trustee in accordance with the Trust Deed) shall be treated by the Issuer, the Guarantor LP, the Bond Trustee, the Issuing and Paying Agent and any Agent and any Registrar as the holder of such principal amount of such Covered Bonds in accordance with and subject to the terms of the relevant Global Covered Bond and the expression “**Holder**” and related expressions shall be construed accordingly. Similar rights as those made available to Relevant Account Holders in the

preceding sentence may be made available to Relevant Account Holders in other relevant clearing systems as more fully provided in the Final Terms. Covered Bonds which are represented by a Global Covered Bond will be transferable only in accordance with the then current rules and procedures of Euroclear or of Clearstream, DTC or CDS or any other relevant clearing system, as the case may be.

References to DTC, CDS, Euroclear or Clearstream shall, whenever the context so permits (but not in the case of any NGCB or Registered Global Covered Bond to be held under the new safekeeping structure for registered global securities which are intended to constitute eligible collateral for Eurosystem monetary policy and intra-day credit operations (the “**NSS**”)), be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms as may otherwise be approved by the Issuer, the Issuing and Paying Agent and the Bond Trustee.

Bearer Covered Bonds

1.03 The Final Terms shall specify whether U.S. Treasury Regulation § 1.163-5(c)(2)(i)(D) (or any successor U.S. Treasury regulation section, including, without limitation, successor regulations issued in accordance with IRS Notice 2012-20 or otherwise in connection with the United States *Hiring Incentives to Restore Employment Act of 2010*) (the “**TEFRA D Rules**”) or U.S. Treasury Regulation § 1.163-5(c)(2)(i)(C) (or any successor U.S. Treasury regulation section, including, without limitation, successor regulations issued in accordance with IRS Notice 2012-20 or otherwise in connection with the United States *Hiring Incentives to Restore Employment Act of 2010*) (the “**TEFRA C Rules**”) shall apply or whether such TEFRA rules are not applicable. Each Tranche of Bearer Covered Bonds with an original maturity of more than one year is represented upon issue by a Temporary Global Covered Bond, unless the Final Terms specify otherwise, in particular, when the TEFRA C Rules apply.

Where the Final Terms applicable to a Tranche of Bearer Covered Bonds specify that the TEFRA C Rules apply or that such TEFRA rules are not applicable, such Tranche is (unless otherwise specified in the Final Terms) represented upon issue by a Permanent Global Covered Bond.

Interests in the Temporary Global Covered Bond may be exchanged for:

- (a) interests in a Permanent Global Covered Bond; or
- (b) if so specified in the Final Terms Bearer Definitive Covered Bonds.

Exchanges of interests in a Temporary Global Covered Bond for Bearer Definitive Covered Bonds or, as the case may be, a Permanent Global Covered Bond will be made only on or after the Exchange Date (as specified in the Final Terms) and (unless the Final Terms specify that the TEFRA C Rules are applicable to the Covered Bonds) provided certification as to the beneficial ownership thereof as required by U.S. Treasury regulations has been received in accordance with the terms of the Temporary Global Covered Bond (in such form as is required by the relevant clearing system).

1.04 The bearer of any Temporary Global Covered Bond shall not (unless, upon due presentation of such Temporary Global Covered Bond for exchange (in whole but not in part only) for a Permanent Global Covered Bond or for delivery of Bearer Definitive Covered Bonds, such exchange or delivery is improperly withheld or refused and such withholding or refusal is continuing at the relevant payment date) be entitled to collect any payment in respect of the Covered Bonds represented by such Temporary Global Covered Bond which falls due on or after the Exchange Date or be entitled to exercise any option on a date after the Exchange Date specified in the applicable Final Terms.

1.05 Unless the Final Terms specify that the TEFRA C Rules are applicable to the Covered Bonds and subject to Condition 1.04 above, if any date on which a payment of interest is due on the Covered Bonds of a Tranche occurs while any of the Covered Bonds of that Tranche are represented by a Temporary Global Covered Bond, the related interest payment will be made on the Temporary Global Covered Bond only to the extent that certification as to the beneficial ownership thereof as required by U.S. Treasury regulations (in such form as is customarily issued in such circumstances by the relevant clearing system), has been received by Euroclear Bank SA/NV (“**Euroclear**”) or Clearstream Banking, S.A. (“**Clearstream**”) or any other relevant clearing system in accordance with the terms of the Temporary Global Covered Bond. Payments of amounts due in respect of a Permanent Global Covered Bond or (subject to Condition 1.04 above) a Temporary Global Covered Bond will be made through Euroclear or Clearstream or any other relevant clearing system without any requirement for further certification. Any reference herein to Euroclear or Clearstream shall be deemed to include a reference to any other relevant clearing system.

1.06 Bearer Definitive Covered Bonds that are interest bearing have attached thereto, at the time of their initial delivery, coupons ("**Coupons**"), the presentation of which will be a prerequisite to the payment of interest save in certain circumstances specified herein. Definitive Covered Bonds that are interest bearing and which have more than 27 interest payments remaining, at the time of their initial delivery, have attached thereto a talon ("**Talon**") for further coupons and the expression "Coupons" shall, where the context so requires, include Talons.

1.07 Bearer Definitive Covered Bonds, the principal amount of which is repayable by instalments ("**Instalment Covered Bonds**") in such amounts as may be specified in, or determined in accordance with, the provisions of the Final Terms (each an "**Instalment Amount**"), have endorsed thereon a grid for recording the repayment of Instalment Amounts or, if so specified in the Final Terms, have attached thereto, at the time of their initial delivery, payment receipts ("**Receipts**") in respect of the Instalment Amounts repaid.

Denomination

Denomination of Bearer Covered Bonds

1.08 Bearer Covered Bonds are in the Specified Denomination(s) specified in the Final Terms. Unless otherwise specified in the Final Terms, Bearer Covered Bonds of one denomination may not be exchanged for Bearer Covered Bonds of any other denomination.

Denomination of Registered Covered Bonds

1.09 Registered Covered Bonds are in the Specified Denominations specified in the Final Terms.

Currency of Covered Bonds

1.10 The Covered Bonds are denominated in such currency as may be specified in the Final Terms. Any currency may be so specified, subject to compliance with all applicable legal and/or regulatory and/or central bank requirements.

2. Title and Transfer

2.01 Title to Bearer Covered Bonds, Receipts and Coupons passes by delivery. References herein to the "**Holders**" of Bearer Covered Bonds or of Receipts or Coupons are to the bearers of such Bearer Covered Bonds or such Receipts or Coupons.

2.02 Title to Registered Covered Bonds passes by due endorsement in the relevant register. The Issuer shall procure that the Registrar keep a register or registers in which shall be entered the names and addresses of the Holders of Registered Covered Bonds and particulars of the Registered Covered Bonds held by them. Such registration shall be noted on the Registered Covered Bonds by the Registrar. References herein to the "**Holders**" of Registered Covered Bonds are to the persons in whose names such Registered Covered Bonds are so registered in the relevant register.

2.03 The Holder of any Bearer Covered Bond, Coupon, Receipt or Registered Covered Bond will for all purposes of the Trust Deed, Security Agreement and Agency Agreement (except as otherwise required by applicable law or regulatory requirement) be treated as its absolute owner whether or not it is overdue and regardless of any notice of ownership, trust or any interest thereof or therein, any writing thereon, or any theft or loss thereof and no person shall be liable for so treating such Holder.

Transfer of Registered Covered Bonds

2.04 A Registered Covered Bond may, upon the terms and subject to the terms and conditions set forth in the Agency Agreement and as required by law, be transferred in whole or in part only (provided that such part is a Specified Denomination specified in the Final Terms) upon the surrender of the Registered Covered Bond to be transferred, together with a form of transfer duly completed and executed, at the specified office of the Registrar. A new Registered Covered Bond will be issued to the transferee and, in the case of a transfer of part only of a Registered Covered Bond, a new Registered Covered Bond in respect of the balance not transferred will be issued to the transferor.

2.05 Each new Registered Covered Bond to be issued upon the registration of the transfer of a Registered Covered Bond will, within three Relevant Banking Days of the transfer date be

available for collection by each relevant Holder at the specified office of the Registrar or, at the option of the Holder requesting such transfer, be mailed (by uninsured mail at the risk of the Holder(s) entitled thereto) to such address(es) as may be specified by such Holder. For these purposes, a form of transfer received by the Registrar or the Issuing and Paying Agent after the Record Date in respect of any payment due in respect of Registered Covered Bonds shall be deemed not to be effectively received by the Registrar or the Issuing and Paying Agent until the day following the due date for such payment.

2.06 Transfers of beneficial interests in Rule 144A Global Covered Bonds (as defined below) and Regulation S Global Covered Bonds (as defined below) (together, the **“Registered Global Covered Bonds”**) will be effected by DTC, CDS, Euroclear or Clearstream, as the case may be, and, in turn, by other participants and, if appropriate, indirect participants in such clearing systems acting on behalf of beneficial transferors and transferees of such interests. A beneficial interest in a Registered Global Covered Bond will, subject to compliance with all applicable legal and regulatory restrictions, be transferable for Registered Definitive Covered Bonds or for a beneficial interest in another Registered Global Covered Bond only in the Specified Denominations set out in the applicable Final Terms and only in accordance with the rules and operating procedures for the time being of DTC, CDS, Euroclear or Clearstream, as the case may be, and in accordance with the terms and conditions specified in the Agency Agreement. Transfers of a Registered Global Covered Bond registered in the name of a nominee for DTC or CDS shall be limited to transfers of such Registered Global Covered Bond, in whole but not in part, to another nominee of DTC or CDS, as applicable, or to a successor of DTC or CDS, as applicable, or such successor’s nominee.

2.07 For the purposes of these Terms and Conditions:

- (a) the **“transfer date”** shall be the Relevant Banking Day following the day on which the relevant Registered Covered Bond shall have been surrendered for transfer in accordance with Condition 2.04.
- (b) **“CGCB”** means a Temporary Global Covered Bond or a Permanent Global Covered Bond, in either case in respect of which the applicable Final Terms specify that it is not a new global covered bond;
- (c) **“Distribution Compliance Period”** means the period that ends 40 days after the completion of the distribution of the relevant Tranche of Covered Bonds, as certified by the relevant Dealer (in the case of a non-syndicated issue) or the relevant Lead Manager (in the case of a syndicated issue);
- (d) **“Legended Covered Bonds”** means Registered Covered Bonds (whether in definitive form or represented by a Registered Global Covered Bond) sold in private transactions to QIBs in accordance with the requirements of Rule 144A;

- (i) **“Relevant Banking Day”** means a day on which commercial banks are open for general business (including dealings in foreign exchange and foreign currency deposits) in the place where the specified office of the Registrar is located and, in the case only of an exchange of a Bearer Covered Bond for a Registered Covered Bond, where such request for exchange is made to the Issuing and Paying Agent, in the place where the specified office of the Issuing and Paying Agent is located;
- (j) **“Rule 144A”** means Rule 144A under the Securities Act;

- (l) **“Securities Act”** means the United States Securities Act of 1933, as amended; and
- (m) **“U.S. Registered Covered Bond”** means a Covered Bond issued under a registration statement under the Securities Act.

2.08 The issue of new Registered Covered Bonds on transfer will be effected

without charge by or on behalf of the Issuer, the Issuing and Paying Agent or the Registrar, but upon payment by the applicant of (or the giving by the applicant of such indemnity as the Issuer, the Issuing and Paying Agent or the Registrar may require in respect of) any tax, duty or other governmental charges which may be imposed in relation thereto.

2.09 Prior to expiry of the applicable Distribution Compliance Period, transfers by the holder of, or of a beneficial interest in, a Regulation S Global Covered Bond to a transferee in the United States or who is a U.S. person will only be made:

- (a) upon receipt by the Registrar of a written certification substantially in the form set out in the Agency Agreement, amended as appropriate (a “**Transfer Certificate**”), copies of which are available from the specified office of the Registrar or any Transfer Agent, from the transferor of the Covered Bond or beneficial interest therein to the effect that such transfer is being made to a person whom the transferor reasonably believes is a QIB in a transaction meeting the requirements of Rule 144A; or
- (b) otherwise pursuant to the Securities Act or an exemption therefrom, subject to receipt by the Issuer of such satisfactory evidence as the Issuer may reasonably require, which may include an opinion of United States counsel, that such transfer is in compliance with any applicable securities laws of any state of the United States,

and, in each case, in accordance with any applicable securities laws of any state of the United States or any other jurisdiction.

In the case of (a) above, such transferee may take delivery through a Legended Covered Bond in global or definitive form. Prior to the end of the applicable Distribution Compliance Period, beneficial interests in Regulation S Covered Bonds registered in the name of a nominee for DTC may only be held through the accounts of Euroclear and Clearstream. After expiry of the applicable Distribution Compliance Period: (A) beneficial interests in Regulation S Global Covered Bonds registered in the name of a nominee for DTC may be held through DTC directly, by a participant in DTC or indirectly through a participant in DTC; and (B) such certification requirements will no longer apply to such transfers.

2.10 Transfers of Legended Covered Bonds or beneficial interests therein may be made:

- (a) to a transferee who takes delivery of such interest through a Regulation S Global Covered Bond, upon receipt by the Registrar of a duly completed Transfer Certificate from the transferor to the effect that such transfer is being made in accordance with Regulation S and that, in the case of a Regulation S Global Covered Bond registered in the name of a nominee for DTC, if such transfer is being made prior to expiry of the applicable Distribution Compliance Period, the interests in the Covered Bonds being transferred will be held immediately thereafter through CDS, Euroclear and/or Clearstream; or
- (b) to a transferee who takes delivery of such interest through a Legended Covered Bond where the transferee is a person whom the transferor reasonably believes is a QIB in a transaction meeting the requirements of Rule 144A, without certification; or
- (c) otherwise pursuant to the Securities Act or an exemption therefrom, subject to receipt by the Issuer of such satisfactory evidence as the Issuer may reasonably require, which may include an opinion of United States counsel, that such transfer is in compliance with any applicable securities laws of any state of the United States,

and, in each case, in accordance with any applicable securities laws of any state of the United States or any other jurisdiction.

3. Status of the Covered Bonds

The Covered Bonds constitute deposit liabilities of the Issuer for purposes of the *Bank Act* (Canada), however will not be insured under the *Canada Deposit Insurance Corporation Act* (Canada) or any other governmental insurance scheme of any other country, and will constitute legal, valid and binding direct, unconditional, unsubordinated and unsecured obligations of the Issuer and rank *pari passu* with all deposit liabilities of the Issuer without any preference among themselves and at least *pari passu* with all other unsubordinated and unsecured obligations of the Issuer, present and future (except as otherwise prescribed by law). Unless otherwise specified in the Final Terms, the deposits to be evidenced by the Covered Bond will be taken by the main branch of the Issuer in Toronto but without prejudice to the provisions of Condition 9.

4. Guarantee

Payment of Guaranteed Amounts in respect of the Covered Bonds when the same shall become Due for Payment has been unconditionally and irrevocably guaranteed by the Guarantor LP (the “**Covered Bond Guarantee**”) in favour of the Bond Trustee (for and on behalf of the Covered Bondholders) following a Covered Bond Guarantee Activation Event pursuant to the terms of the Trust Deed. The Guarantor LP shall have no obligation under the Covered Bond Guarantee to pay any Guaranteed Amounts until a Covered Bond Guarantee Activation Event (as defined below) has occurred. The obligations of the Guarantor LP under the Covered Bond Guarantee are direct and, following the occurrence of a Covered Bond Guarantee Activation Event, unconditional and, except as provided in the Guarantee Priorities of Payment, unsubordinated obligations of the Guarantor LP, which are secured as provided in the Security Agreement. For the purposes of these Terms and Conditions a “**Covered Bond Guarantee Activation Event**” means the earlier to occur of (i) an Issuer Event of Default, service of an Issuer Acceleration Notice on the Issuer and service of a Notice to Pay on the Guarantor LP; and (ii) a Guarantor LP Event of Default and service of a Guarantor LP Acceleration Notice on the Issuer and the Guarantor LP. If a Notice to Pay is served on the Guarantor LP, the Guarantor LP shall pay Guaranteed Amounts in respect of the Covered Bonds on the Original Due for Payment Dates or, if applicable, the Extended Due for Payment Date.

Any payment made by the Guarantor LP under the Covered Bond Guarantee shall (unless such obligation shall have been discharged as a result of the payment of Excess Proceeds to the Bond Trustee pursuant to Condition 7) discharge *pro tanto* the obligations of the Issuer in respect of such payment under the Covered Bonds, Receipts and Coupons except where such payment has been declared void, voidable or otherwise recoverable in whole or in part and recovered from the Bond Trustee or the holders of the Covered Bonds.

5. Interest

Interest

5.01 Covered Bonds may be interest-bearing or non interest-bearing. The Interest Basis is specified in the applicable Final Terms. Words and expressions appearing in this Condition 5 and not otherwise defined herein or in the Final Terms shall have the meanings given to them in Condition 5.10.

Interest on Fixed Rate Covered Bonds

5.02 Each Fixed Rate Covered Bond bears interest on its Outstanding Principal Amount from and including the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest specified in the applicable Final Terms. Interest will be payable in arrears on the Interest Payment Date(s) in each year up to and including the Final Maturity Date if that does not fall on an Interest Payment Date.

Where a Fixed Coupon Amount is specified in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on, but excluding, such date will amount to such Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount(s) so specified.

Where the Covered Bonds are represented by a Global Covered Bond or where the Specified Denomination of the Covered Bonds in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Covered Bond shall be the aggregate of the Fixed Coupon Amounts or Broken Amounts, as the case may be, for each Calculation Amount comprising the Outstanding Principal Amount of the Global Covered Bond or the Specified Denomination of a Covered Bond in definitive form, without any further rounding.

As used in these Terms and Conditions, “**Fixed Interest Period**” means the period from and including an Interest Payment Date (or the Interest Commencement Date) to but excluding the next (or first) Interest Payment Date.

Interest will be calculated on the Calculation Amount of the Fixed Rate Covered Bonds and will be paid to the holders of the Covered Bonds (in the case of a Global Covered Bond, interest will be paid to Clearstream, and/or Euroclear and/or DTC and/or CDS for distribution by them to Relevant Account Holders in accordance with their usual rules and operating procedures). If interest is required to be calculated for a period ending other than on an Interest Payment Date, or if a Fixed Coupon

Amount is not specified in the applicable Final Terms, such interest shall be calculated in accordance with Condition 5.09.

Notwithstanding anything else in this Condition 5.02, if an Extended Due for Payment Date is specified in the applicable Final Terms, interest following the Original Due for Payment Date will continue to accrue and be payable on any unpaid amount in accordance with Condition 5 at a Rate of Interest determined in accordance with Condition 5.03 (in the same manner as the Rate of Interest for Floating Rate Covered Bonds).

Interest on Floating Rate and Index-Linked Interest Covered Bonds

Interest Payment Dates

5.03 (i) Each Floating Rate Covered Bond and Index-Linked Interest Covered Bond bears interest on its Outstanding Principal Amount from (and including) the Interest Commencement Date and such interest will be payable in arrears on either:

- (a) the Specified Interest Payment Date(s) (each an “**Interest Payment Date**”) in each year specified in the applicable Final Terms with the first Interest Payment Date being as specified in the applicable Final Terms; or
- (b) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each an “**Interest Payment Date**”) which falls the number of months or other period specified as the Specified Period(s) in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period (which expression, shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date). Interest will be calculated on the Calculation Amount of the Floating Rate Covered Bonds or Index-Linked Interest Covered Bonds and will be paid to the holders of the Covered Bonds (in the case of a Global Covered Bond, interest will be paid to Clearstream, Euroclear, DTC and/or CDS for distribution by them to Relevant Account Holders in accordance with their usual rules and operating procedures).

(ii) Rate of Interest

The Rate of Interest payable from time to time in respect of Floating Rate Covered Bonds and Index-Linked Interest Covered Bonds will be determined in one of the manners set out below and specified in the applicable Final Terms.

(iii) Screen Rate Determination

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest will be determined as provided below:

- (a) Where the Reference Rate is specified in the applicable Final Terms as being other than “**SONIA**”:
 - (i) the Rate of Interest for each Interest Period will, subject as provided below, be either:
 - (A) the offered quotation, or
 - (B) the arithmetic mean (rounded, if necessary, to the nearest one-hundred thousandth of a percentage point, 0.000005 being rounded upwards) of the offered quotations (expressed as a percentage rate per annum) for the Reference Rate for deposits in the Specified Currency for that Interest Period which appears or appear, as the case may be, on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date, all as determined by the Calculation Agent;
 - (ii) if, on any Interest Determination Date, no such Reference Rate so appears on the Relevant Screen Page or, as the case may be, if fewer than two offered quotations for such Reference Rate so appear or if the Relevant Screen Page is unavailable or if the offered rate or rates which appear for such Reference Rate on the Relevant Screen Page as at the Relevant Time do not apply to a period or durations equal to the

Interest Period, the Calculation Agent will request appropriate quotations of such Reference Rate and will determine the arithmetic mean (rounded as described above) of the rates at which deposits in the relevant currency are offered by the principal Relevant Financial Centre office of the Reference Banks at approximately the Relevant Time on the Interest Determination Date to prime banks in the Relevant Financial Centre interbank market for a period of the duration of the relevant Interest Period and in an amount that is representative for a single transaction in the relevant market at the relevant time;

- (iii) if, on any Interest Determination Date, only two or three rates are so quoted, the Calculation Agent will determine the arithmetic mean (rounded as described above) of the rates so quoted; or
- (iv) if fewer than two rates of such Reference Rate are so quoted, the Calculation Agent will determine the arithmetic mean (rounded as described above) of the rates of such Reference Rate quoted by four major banks in the Principal Financial Centre as selected by the Calculation Agent, at approximately 11.00 a.m. (Financial Centre time) on the first day of the relevant Interest Period for loans in the Specified Currency to leading European banks for a period for the duration of the relevant Interest Period and in an amount that is representative for a single transaction in the relevant market at the relevant time,

and the Rate of Interest applicable to such Covered Bonds during such Interest Period will be the rate or, as the case may be, the arithmetic mean (rounded as described above) of the rates so determined plus or minus (as indicated in the Final Terms) the Margin, if any, provided however that if the Calculation Agent is unable to determine a rate or, as the case may be, an arithmetic mean of rates in accordance with the above provisions in relation to any Interest Period, the Rate of Interest applicable to such Covered Bonds during such Interest Period will be the rate or, as the case may be, the arithmetic mean (rounded as described above) of the rates determined in relation to such Covered Bonds in respect of the last preceding Interest Period plus or minus (as indicated in the Final Terms) the Margin, if any.

- (b) Where the Reference Rate is specified in the applicable Final Terms as being “**SONIA**”, the Rate of Interest for each Interest Accrual Period will, as provided below, be Compounded Daily SONIA (for the Interest Accrual Period for such Interest Period) plus or minus (as indicated in the applicable Final Terms) the Margin, if any, all determined by the Calculation Agent.

“**Compounded Daily SONIA**” means, with respect to an Interest Accrual Period, the rate of return of a daily compound interest investment (with the daily Sterling overnight reference rate as reference rate for the calculation of interest) and will be calculated by the Calculation Agent on the relevant Interest Determination Date, as follows, and the resulting percentage will be rounded if necessary to the fourth decimal place, with 0.00005 per cent being rounded upwards:

$$\left[\prod_{i=1}^{d_o} \left(1 + \frac{SONIA_{t-pLBD} \times n_i}{365} \right) - 1 \right] \times \frac{365}{d}$$

where:

“**d**” is the number of calendar days in the relevant Interest Accrual Period;

“**d_o**” is the number of London Banking Days in the relevant Interest Accrual Period;

“**i**” is a series of whole numbers from one to d_o, each representing the relevant London Banking Day in chronological order from, and including, the first London Banking Day in the relevant Interest Accrual Period;

“**London Banking Day**” or “**LBD**” means any day on which commercial banks are open for general business (including dealing in foreign exchange and foreign currency deposits) in London;

“**n_i**”, for any London Banking Day “**i**”, means the number of calendar days from and including

such London Banking Day “i” up to but excluding the following London Banking Day;

“**Observation Look-Back Period**” is as specified in the applicable Final Terms;

“p”, for any Interest Accrual Period, the number of London Banking Days included in the Observation Look-Back Period, as specified in the applicable Final Terms;

“**SONIA reference rate**”, in respect of any London Banking Day, is a reference rate equal to the daily Sterling Overnight Index Average (“**SONIA**”) rate for such London Banking Day as provided by the administrator of SONIA to authorised distributors and as then published on the Relevant Screen Page or, if the Relevant Screen Page is unavailable, as otherwise published by such authorised distributors, in each case on the London Banking Day immediately following such London Banking Day; and

“**SONIA_{i-pLBD}**” means, in respect of any London Banking Day “i” falling in the relevant Interest Accrual Period, the SONIA reference rate for the London Banking Day falling “p” London Banking Days prior to the relevant London Banking Day “i”.

If, in respect of any London Banking Day, the Calculation Agent determines that the SONIA reference rate is not available on the Relevant Screen Page and has not otherwise been published by the relevant authorised distributors, such SONIA reference rate in respect of such London Banking Day shall be:

- (i) the Bank of England’s Bank Rate (the “**Bank Rate**”) prevailing at 5:00 p.m. (or, if earlier, close of business) on the relevant London Banking Day; plus (ii) the mean of the spread of the SONIA reference rate to the Bank Rate over the previous five London Banking Days in respect of which a SONIA reference rate has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads) to the Bank Rate; or
- (ii) if the Bank Rate is not available on the relevant London Banking Day, the most recent SONIA reference rate in respect of a London Banking Day.

Notwithstanding the paragraph above, in the event of the Bank of England publishing guidance as to (i) how the SONIA rate is to be determined or (ii) any rate that is to replace the SONIA rate, the Calculation Agent shall, to the extent that it is reasonably practicable and as set forth in a direction from the Issuer in writing, follow such guidance in order to determine the SONIA rate for any London Banking Day “i”, for purposes of the Covered Bonds of the relevant Series for so long as the SONIA rate is not available and has not been published by the authorised distributors.

As used herein, an “**Interest Accrual Period**” means (i) each Interest Period and (ii) such other period (if any) in respect of which interest is to be calculated being the period from (and including) the first day of such period to (but excluding) the day on which the relevant payment of interest falls due (which, in the case of early redemption of any Covered Bonds, shall be the date for redemption, and in other cases where the relevant Covered Bonds become due and payable in accordance with Condition 7, shall be the date on which such Covered Bonds become due and payable).

If the relevant Series of Covered Bonds becomes due and payable in accordance with Condition 7, the final Interest Determination Date shall, notwithstanding any Interest Determination Date specified in the applicable Final Terms or Pricing Supplement, be deemed to be the date on which such Covered Bonds become due and payable and the Rate of Interest on such Covered Bonds shall, for so long as any such Covered Bond remains outstanding, be that determined on such date.

ISDA Rate Determination

5.04 Where ISDA Determination is specified in the Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin, if any. For purposes of this Condition 5.04, “**ISDA Rate**” for an Interest Period means a rate equal to the Fixed Rates, Fixed Amounts, Fixed Prices, Floating Rates, Floating Amounts or Floating Prices, as the case may be, or as otherwise specified in the applicable Final Terms, as would have applied (regardless of any event of default or termination event or tax event thereunder) if the Issuer had entered into a schedule and confirmation in respect of the relevant Tranche or Series of Covered Bonds, as applicable, with the Holder of such Covered Bond under the terms of an agreement to which the ISDA Definitions applied and under which:

- the Fixed Rate Payer, Fixed Amount Payer, Floating Rate Payer or, as the case may be, Floating Amount Payer is the Issuer (as specified in the Final Terms);
- the Effective Date is the Interest Commencement Date;
- the Floating Rate Option (which may refer to a Rate Option or a Price Option, specified in the ISDA Definitions) is as specified in the applicable Final Terms;
- the Designated Maturity is the period specified in the applicable Final Terms;
- the Issuing and Paying Agent is the Calculation Agent;
- the Calculation Periods are the Interest Periods;
- the Payment Dates are the Interest Payment Dates;
- the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London interbank offered rate (“**LIBOR**”) or on the Euro-zone interbank offered rate (“**EURIBOR**”) for a currency, the first day of that Interest Period or (ii) in any other case, as specified in the applicable Final Terms;
- the Calculation Amount is the principal amount of such Covered Bond;
- the Day Count Fraction applicable to the calculation of any amount is that specified in the Final Terms or, if none is so specified, as may be determined in accordance with the ISDA Definitions;
- the Applicable Business Day Convention applicable to any date is that specified in the Final Terms or, if none is so specified, as may be determined in accordance with the ISDA Definitions; and
- the other terms are as specified in the Final Terms;
- for the purposes of this Condition 5.04 “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Option**”, “**Designated Maturity**” and “**Reset Date**” have the meanings given to those terms in the ISDA Definitions.

Maximum Rate of Interest or Minimum Rate of Interest

5.05 If any Maximum Rate of Interest or Minimum Rate of Interest is specified in the Final Terms, then the Rate of Interest shall in no event be greater than the maximum or be less than the minimum so specified.

Linear Interpolation

5.06 Where “Linear Interpolation” is specified as applicable in respect of an Interest Period in the applicable Final Terms, the Rate of Interest for such Interest Period shall be calculated by the Issuing and Paying Agent by straight line linear interpolation by reference to two rates based on the relevant Reference Rate (where Screen Rate Determination is specified as applicable in the applicable Final Terms) or the relevant Floating Rate Option (where ISDA Determination is specified as applicable in the applicable Final Terms), one of which shall be determined as if the Designated Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Period and the other of which shall be determined as if the Designated Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Period provided however that if there is no rate available for a period of time next shorter or, as the case may be, next longer, then the Issuing and Paying Agent shall determine such rate at such time and by reference to such sources as the Issuer shall determine as appropriate for such purposes.

“**Designated Maturity**” means, in relation to Screen Rate Determination, the period of time designated in the Reference Rate

Accrual of Interest after the due date

5.07 Interest will cease to accrue as from the due date for redemption therefor (or, in the case of an Instalment Covered Bond, in respect of each Instalment Amount, on the due date for payment of the relevant Instalment Amount) unless upon due presentation or surrender thereof (if required), payment in full of the Final Redemption Amount or the relevant Instalment Amount is improperly withheld or refused or default is otherwise made in the payment thereof. In such event, interest shall continue to accrue on the principal amount in respect of which payment has been improperly withheld or refused or default has been made (as well after as before any demand or judgment) in the manner provided for in this Condition 5 or such other rate as may be specified for this purpose in the Final Terms if permitted by applicable law (“**Default Rate**”) until the date on which, upon due presentation or surrender of the relevant Covered Bond (if required), the relevant payment is made or, if earlier, the seventh day after the date on which, the Issuing and Paying Agent or, as the case may be, the Registrar having received the funds required to make such payment, notice is given to the holders of the Covered Bonds in accordance with Condition 14 that the Issuing and Paying Agent or, as the case may be, the Registrar has received the required funds (except to the extent that there is failure in the subsequent payment thereof to the relevant Holder).

Interest Amount(s), Calculation Agent and Reference Banks

5.08 If a Calculation Agent is specified in the Final Terms, the Calculation Agent, as soon as practicable after the Relevant Time on each Interest Determination Date (or such other time on such date as the Calculation Agent may be required to calculate any Final Redemption Amount or Instalment Amount, obtain any quote or make any determination or calculation) will determine the Rate of Interest and calculate the amount(s) of interest payable (the “**Interest Amount(s)**”) in the manner specified in Condition 5.09 below, calculate the Final Redemption Amount or Instalment Amount, obtain such quote or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date or, as the case may be, the Final Redemption Amount or any Instalment Amount to be notified to the Issuing and Paying Agent, the Registrar (in the case of Registered Covered Bonds), the Issuer, the Holders in accordance with Condition 14 (except for U.S. Registered Covered Bonds) and, if the Covered Bonds are listed on a stock exchange or admitted to listing by any other authority and the rules of such exchange or other relevant authority so require, such exchange or listing authority as soon as possible after their determination or calculation but in no event later than the fourth London Banking Day thereafter (or, in the case of Covered Bonds where the applicable Final Terms specify the Reference Rate as being SONIA, no later than the second London Banking Day thereafter) or, if earlier in the case of notification to the stock exchange or other relevant authority, the time required by the relevant stock exchange or listing authority. The Interest Amounts and the Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Covered Bonds become due and payable under Condition 7, the Rate of Interest and the accrued interest payable in respect of the Covered Bonds shall, save in the case of Compounded Daily SONIA for the purposes of Condition 5.03(iii)(b) nevertheless continue to be calculated in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made. The determination of each Rate of Interest, Interest Amount, Final Redemption Amount and Instalment Amount, the obtaining of each quote and the making of each determination or calculation by the Calculation Agent shall (in the absence of manifest or proven error) be final and binding

upon the Issuer and the Holders and neither the Calculation Agent nor any Reference Bank shall have any liability to the Holders in respect of any determination, calculation, quote or rate made or provided by it.

The Issuer will procure that there shall at all times be such Reference Banks as may be required for the purpose of determining the Rate of Interest applicable to the Covered Bonds and a Calculation Agent, if provision is made for one in the Terms and Conditions.

If the Calculation Agent is incapable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for any Interest Period or to calculate the Interest Amounts or any other requirements, the Bond Trustee shall determine the Rate of Interest at such rate as, in its absolute discretion (having regard as it shall think fit to the foregoing provision of this Condition, but subject always to any Minimum Rate of Interest or Maximum Rate of Interest specified in the applicable Final Terms), it shall deem fair and reasonable in all circumstances or, as the case may be, the Bond Trustee shall calculate (or appoint an agent to calculate) the Interest Amount(s) in such manner as it shall deem fair and reasonable in all the circumstances and each such determination or calculation shall be deemed to have been made by the Calculation Agent. The Calculation Agent may not resign its duties without a successor having been appointed as described above.

Calculations and Adjustments

5.09 The amount of interest payable in respect of any Covered Bond for any period shall be calculated by applying the Rate of Interest to the Calculation Amount, and, in each case, multiplying such sum by the Day Count Fraction, save that (i) if the Final Terms specifies a specific amount in respect of such period, the amount of interest payable in respect of such Covered Bond for such Interest Period will be equal to such specified amount and (ii) in the case of Fixed Rate Covered Bonds, where the Fixed Coupon Amount is specified in the applicable Final Terms, the interest shall (except in the case of U.S. Registered Covered Bonds) be calculated in accordance with Condition 5.02.

For the purposes of any calculations referred to in these Terms and Conditions (unless otherwise specified in the Final Terms), (a) all percentages resulting from such calculations will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005 per cent. being rounded up to 0.00001 per cent.), (b) all Japanese Yen amounts used in or resulting from such calculations will be rounded downwards to the next lower whole Japanese Yen amount and (c) all amounts denominated in any other currency used in or resulting from such calculations will be rounded to the smallest sub-unit of such currency, with halves being rounded upwards.

Where the Covered Bonds are represented by a Global Covered Bond or where the Specified Denomination of a Covered Bond in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Covered Bond shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Outstanding Principal Amount of the Global Covered Bond or the Specified Denomination of a Covered Bond in definitive form, without any further rounding.

“Reference Rate” means the relevant LIBOR, EURIBOR, SONIA or such other benchmark rate specified in the applicable Final Terms or, in the case of Exempt Covered Bonds only, any other reference rate specified in the applicable Pricing Supplement.

“Relevant Financial Centre” has the meaning ascribed to it in the applicable Final Terms.

“Relevant Screen Page” means the page, section or other part of a particular information service (including, without limitation, Reuters) specified as the “Relevant Screen Page” in the applicable Final Terms, or such other successor or replacement page, section or other part in that information service (or any page, section or other part of a successor information service), in each case, as may be nominated by the person providing or sponsoring the information appearing there for the purpose of displaying rates or prices comparable to the Reference Rate.

“Relevant Time” means the time as of which any rate is to be determined as specified in the Final Terms (which in the case of LIBOR means London time or in the case of EURIBOR means Central European Time) or, if none is specified, at which it is customary to determine such rate.

“TARGET2” means the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET2) System (or any successor thereto).

“TARGET2 Business Day” means a day on which TARGET2 is open.

“Toronto Business Day” means a day (other than a Saturday or Sunday) on which commercial banks are open for general business (including dealings in foreign exchange and foreign currency deposits) in Toronto.

Zero-Coupon Covered Bonds

5.11 If any Final Redemption Amount in respect of any Zero Coupon Covered Bond is not paid when due, interest shall accrue on the overdue amount at a rate per annum (expressed as a percentage per annum) equal to the Accrual Yield defined in, or determined in accordance with the provisions of, the Final Terms or at such other rate as may be specified for this purpose in the Final Terms until the date on which, upon due presentation or surrender of the relevant Covered Bond (if required), the relevant payment is made or, if earlier, the seventh day after the date on which, the Issuing and Paying Agent or, as the case may be, the Registrar having received the funds required to make such payment, notice is given to the holders of the Covered Bonds in accordance with Condition 14 that the Issuing and Paying Agent or, as the case may be, the Registrar has received the required funds (except to the extent that there is failure in the subsequent payment thereof to the relevant Holder). The amount of any such interest shall be calculated in accordance with the provisions of Condition 5.09 as if the Rate of Interest was the Accrual Yield, the Outstanding Principal Amount was the overdue sum and the Day Count Fraction was as specified for this purpose in the Final Terms or, if not so specified, 30E/360 (as defined in Condition 5.10).

Interest on U.S. Registered Covered Bonds

5.12 Condition 5.12 shall only apply to U.S. Registered Covered Bonds.

Each Covered Bond will bear interest from its date of issue at the rate per annum, in

the case of a Fixed Rate Covered Bond, or pursuant to the interest rate formula, in the case of a Floating Rate Covered Bond, in each case as specified in the Final Terms, until the principal thereof is paid. Interest payments on Covered Bonds will be made in respect of Fixed Rate Covered Bonds and Floating Rate Covered Bonds in an amount equal to the interest accrued from and including the immediately preceding Interest Payment Date in respect of which interest has been paid or from and including the date of issue, if no interest has been paid, to but excluding the applicable Interest Payment Date or the Final Maturity Date, as the case may be (each an “**Interest Period**”).

Interest on Fixed Rate Covered Bonds and Floating Rate Covered Bonds will be payable in arrears on each Interest Payment Date and on the Final Maturity Date. The first payment of interest on any Covered Bonds originally issued between a Regular Record Date (as defined below) and the related Interest Payment Date will be made on the Interest Payment Date immediately following the next succeeding record date to the registered holder on the next succeeding record date. The “**Regular Record Date**” shall be the fifteenth calendar day, whether or not a Business Day, immediately preceding the related Interest Payment Date. For the purpose of determining the holder at the close of business on a Regular Record Date when business is not being conducted, the close of business will mean 5:00 P.M., New York City time, on that day.

Interest Rates Applicable to U.S. Registered Covered Bonds

5.13 Condition 5.13 shall only apply to U.S. Registered Covered Bonds.

The relevant Final Terms will specify the Interest Payment Dates for a Fixed Rate Covered Bond as well as the Final Maturity Date. Interest on Fixed Rate Covered Bonds will be computed on the basis of a 360-day year consisting of twelve 30-day months or such other day count basis set forth in the Final Terms.

Fixed Rate Covered Bonds

If any Interest Payment Date, redemption date, repayment date or Final Maturity Date of a Fixed Rate Covered Bond falls on a day that is not a Business Day, the required payment of principal, premium, if any, and/or interest will be made on the next succeeding Business Day, and no additional interest will accrue in respect of the payment made on that next succeeding Business Day.

U.S. Registered Covered Bonds that are Floating Rate Covered Bonds

The following shall only apply to Floating Rate Covered Bonds.

Interest Rate Basis. Floating Rate Covered Bonds will bear interest at rates based on one or more of the following interest rate bases:

- commercial paper rate;
- U.S. prime rate;
- LIBOR;
- EURIBOR;
- treasury rate;
- CMT rate;
- CMS rate; and/or
- federal funds rate.

The applicable Final Terms will specify the interest rate basis that applies to a specific Series or Tranche of Floating Rate Covered Bonds.

Calculation of Interest. Calculations relating to Floating Rate Covered Bonds will be made by the Calculation Agent. The Final Terms for a particular Floating Rate Covered Bond will name the Calculation Agent for that Covered Bond as of its original issue date. A successor institution may be appointed to serve as Calculation Agent for such Covered Bonds from time to time after the original issue date of such Covered Bonds without the consent of Covered Bondholders or notification of the change.

For each Floating Rate Covered Bond, the Calculation Agent will determine, on the corresponding interest calculation date or on the interest determination date, as described

below, the interest rate that takes effect on each interest reset date. In addition, the Calculation Agent will calculate the amount of interest that has accrued during each interest period that is, the period from and including the original issue date, or the last date to which interest has been paid or made available for payment, to but excluding the payment date. For each Interest Period, the Calculation Agent will calculate the amount of accrued interest by multiplying the face or other specified amount of the Floating Rate Covered Bond by an accrued interest factor for the Interest Period. This factor will equal the sum of the interest factors calculated for each day during the Interest Period. The interest factor for each day will be expressed as a decimal and will be calculated by dividing the interest rate, also expressed as a decimal, applicable to that day by 360 or by the actual number of days in the year, as specified in the relevant Final Terms.

Upon the request of the Covered Bondholder of any Floating Rate Covered Bond, the Calculation Agent will provide for that Covered Bond the interest rate then in effect and, if determined, the interest rate that will become effective on the next interest reset date. The Calculation Agent's determination of any interest rate, and its calculation of the amount of interest for any Interest Period, will be final and binding in the absence of manifest error.

All percentages resulting from any calculation relating to a Covered Bond will be rounded upward or downward, as appropriate, to the next higher or lower one hundred-thousandth of a percentage point, e.g., 9.876541% (or .09876541) being rounded down to 9.87654% (or .0987654) and 9.876545% (or .09876545) being rounded up to 9.87655% (or .0987655). All amounts used in or resulting from any calculation relating to a Floating Rate Covered Bond will be rounded upward or downward, as appropriate, to the nearest cent, in the case of U.S. dollars, or to the nearest corresponding hundredth of a unit, in the case of a currency other than U.S. dollars, with one-half cent or one-half of a corresponding hundredth of a unit or more being rounded upward.

In determining the interest rate basis that applies to a Floating Rate Covered Bond during a particular Interest Period, the Calculation Agent may obtain rate quotes from various banks or dealers active in the relevant market, as discussed below. Those reference banks and dealers may include the Calculation Agent itself and its affiliates, as well as any agent participating in the distribution of the relevant floating rate covered bonds and its affiliates, and they may include affiliates of the Bank.

Initial Interest Rate. For any Floating Rate Covered Bond, the interest rate in effect from the original issue date to the first interest reset date will be the initial interest rate. The initial interest rate or the manner in which it is determined will be set forth in the relevant Final Terms.

Spread or Spread Multiplier. In some cases, the interest rate basis for a Floating Rate Covered Bond may be adjusted:

- by adding or subtracting a specified number of basis points, called the spread, with one basis point being 0.01 percent; or
- by multiplying the interest rate basis by a specified percentage, called the spread multiplier.

For any Floating Rate Covered Bond, the applicable Final Terms will indicate whether a spread or spread multiplier will apply to the Covered Bond and, if so, the amount of the spread or spread multiplier.

Maximum and Minimum Rates. The actual interest rate, after being adjusted by the spread or spread multiplier, may also be subject to either or both of the following limits:

- a maximum rate—i.e., a specified upper limit that the actual interest rate in effect at any time may not exceed; and/or
- a minimum rate—i.e., a specified lower limit that the actual interest rate in effect at any time may not fall below.

For any Floating Rate Covered Bond, the applicable Final Terms will indicate whether a maximum rate and/or minimum rate will apply to the Covered Bond and, if so, what those rates are.

Whether or not a maximum rate applies, the interest rate on a floating rate covered bond will in no event be higher than the maximum rate permitted by New York law, as it may be modified by U.S. law of general application and the law of Ontario and the laws of Canada applicable therein.

Interest Reset Dates. The rate of interest on a Floating Rate Covered Bond will be reset, by the Calculation Agent described below, daily, weekly, monthly, quarterly, semi-annually or annually. The date on which the interest rate resets and the reset rate becomes effective is called the

interest reset date. Except as otherwise specified in the applicable Final Terms, the interest reset date will be as follows:

- for Floating Rate Covered Bonds that reset daily, each Business Day;
- for Floating Rate Covered Bonds that reset weekly and are not treasury rate Covered Bonds, the Wednesday of each week;
- for treasury rate Covered Bonds that reset weekly, the Tuesday of each week;
- for Floating Rate Covered Bonds that reset monthly, the third Wednesday of each month;
- for Floating Rate Covered Bonds that reset quarterly, the third Wednesday of each of four months of each year as indicated in the relevant Final Terms;
- for Floating Rate Covered Bonds that reset semi-annually, the third Wednesday of each of two months of each year as indicated in the relevant Final Terms; and
- for Floating Rate Covered Bonds that reset annually, the third Wednesday of one month of each year as indicated in the relevant Final Terms.

For a Floating Rate Covered Bond, the interest rate in effect on any particular day will be the interest rate determined with respect to the latest interest reset date that occurs on or before that day. There are several exceptions, however, to the reset provisions described above.

If any interest reset date for a Floating Rate Covered Bond would otherwise be a day that is not a Business Day, the interest reset date will be postponed to the next day that is a Business Day. For a LIBOR or EURIBOR Covered Bond, however, if that Business Day is in the next succeeding calendar month, the interest reset date will be the immediately preceding Business Day.

Interest Determination Dates. The interest rate that takes effect on an interest reset date will be determined by the Calculation Agent by reference to a particular date called an interest determination date. Except as otherwise indicated in the relevant Final Terms:

- for commercial paper rate, federal funds rate and U.S. prime rate Covered Bonds, the interest determination date relating to a particular interest reset date will be the Business Day preceding the interest reset date;
- for LIBOR Covered Bonds, the interest determination date relating to a particular interest reset date will be the second London Business Day preceding the interest reset date, unless the index currency is pounds sterling, in which case the interest determination date will be the interest reset date. An interest determination date for a LIBOR covered bond is referred to as a LIBOR interest determination date;
- for EURIBOR Covered Bonds, the interest determination date relating to a particular interest reset date will be the second Euro Business Day preceding the interest reset date. An interest determination date for a EURIBOR Covered Bond is referred to as a EURIBOR interest determination date;
- for treasury rate Covered Bonds, the interest determination date relating to a particular interest reset date, which is referred to as a treasury interest determination date, will be the day of the week in which the interest reset date falls on which treasury bills—*i.e.*, direct obligations of the U.S. government—would normally be auctioned. Treasury bills are usually sold at auction on the Monday of each week, unless that day is not a Business Day, in which case the auction is usually held on the following Tuesday, except that the auction may be held on the preceding Friday. If as the result of a Monday not being a Business Day an auction is held on the preceding Friday, that Friday will be the treasury interest determination date relating to the interest reset date occurring in the next succeeding week; and
- for CMT rate and CMS rate Covered Bonds, the interest determination date relating to a particular interest reset date will be the second Business Day preceding the interest reset date.

The interest determination date pertaining to a Floating Rate Covered Bond the interest rate of which is determined with reference to two or more interest rate bases will be the latest Business Day which is at least two Business Days before the related interest reset date for the applicable floating

rate covered bond on which each interest rate basis is determinable.

Interest Calculation Dates. As described above, the interest rate that takes effect on a particular interest reset date will be determined by reference to the corresponding interest determination date. Except for LIBOR Covered Bonds and EURIBOR Covered Bonds, however, the determination of the rate will actually be made on a day no later than the corresponding interest calculation date. The interest calculation date will be the earlier of the following:

- the tenth calendar day after the interest determination date or, if that tenth calendar day is not a Business Day, the next succeeding Business Day; and
- the Business Day immediately preceding the Interest Payment Date or the maturity, whichever is the day on which the next payment of interest will be due.

The Calculation Agent need not wait until the relevant interest calculation date to determine the interest rate if the rate information it needs to make the determination is available from the relevant sources sooner.

Interest Payment Dates. The Interest Payment Dates for a Floating Rate Covered Bond will depend on when the interest rate is reset and, unless otherwise specified in the relevant Final Terms, will be as follows:

- for Floating Rate Covered Bonds that reset daily, weekly or monthly, the third Wednesday of each month;
- for Floating Rate Covered Bonds that reset quarterly, the third Wednesday of the four months of each year specified in the relevant Final Terms;
- for Floating Rate Covered Bonds that reset semi-annually, the third Wednesday of the two months of each year specified in the relevant Final Terms; or
- for Floating Rate Covered Bonds that reset annually, the third Wednesday of the month specified in the relevant Final Terms.

Notwithstanding the above, if a covered bond is originally issued after the Regular Record Date and before the date that would otherwise be the first Interest Payment Date, the first Interest Payment Date will be the date that would otherwise be the second Interest Payment Date.

In addition, the following special provision will apply to a Floating Rate Covered Bond with regard to any Interest Payment Date other than one that falls on the maturity. If the Interest Payment Date would otherwise fall on a day that is not a Business Day, then the Interest Payment Date will be the next day that is a Business Day. However, if the floating rate covered bond is a LIBOR Covered Bond or a EURIBOR Covered Bond and the next Business Day falls in the next calendar month, then the Interest Payment Date will be advanced to the next preceding day that is a Business Day. If the Final Maturity Date of a Floating Rate Covered Bond falls on a day that is not a Business Day, the required payment of principal, premium, if any, and interest will be made on the next succeeding Business Day, and no additional interest will accrue in respect of the payment made on that next succeeding Business Day.

Commercial Paper Rate Covered Bonds

A commercial paper rate Covered Bond will bear interest at an interest rate equal to the commercial paper rate and adjusted by the spread or spread multiplier, if any, indicated in the applicable Final Terms.

The commercial paper rate will be the money market yield of the rate, for the relevant interest determination date, for commercial paper having the index maturity indicated in the applicable Final Terms, as published in H.15(519) under the heading "Commercial Paper—Nonfinancial." If the commercial paper rate cannot be determined as described above, the following procedures will apply.

- If the rate described above does not appear in H.15(519) by 3:00 P.M., New York City time, on the relevant interest calculation date, unless the calculation is made earlier and the rate is available from that source at that time, then the commercial paper rate will be the rate, for the relevant interest determination date, for commercial paper having the index maturity specified in the applicable Final Terms, as published in H.15 daily update or any other recognized electronic source used for displaying that rate, under the heading "Commercial Paper— Nonfinancial."

- If the rate described above does not appear in H.15(519), H.15 daily update or another recognized electronic source by 3:00 P.M., New York City time, on the relevant interest calculation date, unless the calculation is made earlier and the rate is available from one of those sources at that time, the commercial paper rate will be the money market yield of the arithmetic mean of the following offered rates for U.S. dollar commercial paper that has the relevant index maturity and is placed for an industrial issuer whose bond rating is “Aa”, or the equivalent, from a nationally recognized rating agency: the rates offered as of 11:00 A.M., New York City time, on the relevant interest determination date, by three leading U.S. dollar commercial paper dealers in New York City selected by the Calculation Agent.
- If fewer than three dealers selected by the Calculation Agent are quoting as described above, the commercial paper rate for the new interest period will be the commercial paper rate in effect for the prior interest period. If the initial interest rate has been in effect for the prior interest period, however, it will remain in effect for the new interest period.

U.S. Prime Rate Covered Bonds

A U.S. prime rate Covered Bond will bear interest at an interest rate equal to the U.S. prime rate and adjusted by the spread or spread multiplier, if any, indicated in the applicable Final Terms.

The U.S. prime rate will be the rate, for the relevant interest determination date, published in H.15(519) opposite the heading “Bank Prime Loan.” If the U.S. prime rate cannot be determined as described above, the following procedures will apply.

- If the rate described above does not appear in H.15(519) by 3:00 P.M., New York City time, on the relevant interest calculation date, unless the calculation is made earlier and the rate is available from that source at that time, then the U.S. prime rate will be the rate, for the relevant interest determination date, as published in H.15 daily update or another recognized electronic source used for the purpose of displaying that rate, under the heading “Bank Prime Loan.”
- If the rate described above does not appear in H.15(519), H.15 daily update or another recognized electronic source by 3:00 P.M., New York City time, on the relevant interest calculation date, unless the calculation is made earlier and the rate is available from one of those sources at that time, then the U.S. prime rate will be the arithmetic mean of the following rates as they appear on the Reuters screen US PRIME 1 page: the rate of interest publicly announced by each bank appearing on that page as that bank’s prime rate or base lending rate, as of 11:00 A.M., New York City time, on the relevant interest determination date.
- If fewer than four of these rates appear on the Reuters screen US PRIME 1 page, the U.S. prime rate will be the arithmetic mean of the prime rates or base lending rates, as of the close of business on the relevant interest determination date, of three major banks in New York City selected by the Calculation Agent. For this purpose, the Calculation Agent will use rates quoted on the basis of the actual number of days in the year divided by a 360-day year.
- If fewer than three banks selected by the Calculation Agent are quoting as described above, the U.S. prime rate for the new interest period will be the U.S. prime rate in effect for the prior interest period. If the initial interest rate has been in effect for the prior interest period, however, it will remain in effect for the new interest period.

LIBOR Covered Bonds

A LIBOR Covered Bond will bear interest at an interest rate equal to LIBOR, which will be the London interbank offered rate for deposits in U.S. dollars or any other index currency, as specified in the applicable Final Terms. In addition, when LIBOR is the interest rate basis the applicable LIBOR rate will be adjusted by the spread or spread multiplier, if any, indicated in the applicable Final Terms. LIBOR will be determined in the following manner:

- LIBOR will be the offered rate appearing on the Reuters Page LIBOR01 as of 11:00 A.M., London time, on the relevant LIBOR interest determination date, for deposits of the relevant index currency having the relevant index maturity beginning on the relevant interest reset date. The applicable Final Terms will indicate the index currency, the index maturity and the reference page that apply to the LIBOR covered bond. If no

reference page is mentioned in the Final Terms, Reuters Page LIBOR01 will apply to the LIBOR covered bond.

- If Reuters Page LIBOR01 applies and the rate described above does not appear on that page, then LIBOR will be determined on the basis of the rates, at approximately 11:00 A.M., London time, on the relevant LIBOR interest determination date, at which deposits of the following kind are offered to prime banks in the London interbank market by four major banks in that market selected by the Calculation Agent: deposits of the index currency having the relevant index maturity, beginning on the relevant interest reset date, and in a representative amount. The Calculation Agent will request the principal London office of each of these banks to provide a quotation of its rate. If at least two quotations are provided, LIBOR for the relevant LIBOR interest determination date will be the arithmetic mean of the quotations.
- If fewer than two quotations are provided as described above, LIBOR for the relevant LIBOR interest determination date will be the arithmetic mean of the rates for loans of the following kind to leading European banks quoted, at approximately 11:00 A.M., in the applicable principal financial center, on that LIBOR interest determination date, by three major banks in that financial center selected by the Calculation Agent: loans of the index currency having the relevant index maturity, beginning on the relevant interest reset date and in a representative amount.
- If fewer than three banks selected by the Calculation Agent are quoting as described above, LIBOR for the new interest period will be LIBOR in effect for the prior interest period. If the initial interest rate has been in effect for the prior interest period, however, it will remain in effect for the new interest period.

EURIBOR Covered Bonds

A EURIBOR Covered Bond will bear interest at an interest rate equal to the interest rate for deposits in euro, designated as “EURIBOR” and sponsored jointly by the European Banking Federation and ACI—the Financial Market Association, or any company established by the joint sponsors for purposes of compiling and publishing that rate. In addition, when EURIBOR is the interest rate basis the EURIBOR base rate will be adjusted by the spread or spread multiplier, if any, specified in the applicable Final Terms. EURIBOR will be determined in the following manner:

- EURIBOR will be the offered rate for deposits in euros having the index maturity specified in the applicable Final Terms, beginning on the second Euro Business Day after the relevant EURIBOR interest determination date, as that rate appears on Reuters page EURIBOR01 as of 11:00 A.M., Brussels time, on the relevant EURIBOR interest determination date.
- If the rate described above does not appear on Reuters page EURIBOR01, EURIBOR will be determined on the basis of the rates, at approximately 11:00 A.M., Brussels time, on the relevant EURIBOR interest determination date, at which deposits of the following kind are offered to prime banks in the euro-zone interbank market by the principal euro-zone office of each of four major banks in that market selected by the Calculation Agent: euro deposits having the relevant index maturity, beginning on the relevant interest reset date, and in a representative amount. The Calculation Agent will request the principal euro-zone office of each of these banks to provide a quotation of its rate. If at least two quotations are provided, EURIBOR for the relevant EURIBOR interest determination date will be the arithmetic mean of the quotations.
- If fewer than two quotations are provided as described above, EURIBOR for the relevant EURIBOR interest determination date will be the arithmetic mean of the rates for loans of the following kind to leading euro-zone banks quoted, at approximately 11:00 A.M., Brussels time on that EURIBOR interest determination date, by three major banks in the euro-zone selected by the Calculation Agent: loans of euros having the relevant index maturity, beginning on the relevant interest reset date, and in a representative amount.
- If fewer than three banks selected by the Calculation Agent are quoting as described above, EURIBOR for the new interest period will be EURIBOR in effect for the prior interest period. If the initial interest rate has been in effect for the prior interest period, however, it will remain in effect for the new interest period.

Treasury Rate Covered Bonds

A treasury rate Covered Bond will bear interest at an interest rate equal to the treasury rate and adjusted by the spread or spread multiplier, if any, indicated in the applicable Final Terms.

The treasury rate will be the rate for the auction, on the relevant treasury interest determination date, of treasury bills having the index maturity specified in the applicable Final Terms, as that rate appears on Reuters page USAUCTION 10/11. If the treasury rate cannot be determined in this manner, the following procedures will apply.

- If the rate described above does not appear on either page by 3:00 P.M., New York City time, on the relevant interest calculation date, unless the calculation is made earlier and the rate is available from that source at that time, the treasury rate will be the bond equivalent yield of the rate, for the relevant interest determination date, for the type of treasury bill described above, as published in H.15 daily update, or another recognized electronic source used for displaying that rate, under the heading "U.S. Government Securities/Treasury Bills/Auction High."
- If the rate described in the prior paragraph does not appear in H.15 daily update or another recognized electronic source by 3:00 P.M., New York City time, on the relevant interest calculation date, unless the calculation is made earlier and the rate is available from one of those sources at that time, the treasury rate will be the bond equivalent yield of the auction rate, for the relevant treasury interest determination date and for treasury bills of the kind described above, as announced by the U.S. Department of the Treasury.
- If the auction rate described in the prior paragraph is not so announced by 3:00 P.M., New York City time, on the relevant interest calculation date, or if no such auction is held for the relevant week, then the treasury rate will be the bond equivalent yield of the rate, for the relevant treasury interest determination date and for treasury bills having a remaining maturity closest to the specified index maturity, as published in H.15(519) under the heading "U.S. Government Securities/Treasury Bills/Secondary Market."
- If the rate described in the prior paragraph does not appear in H.15(519) by 3:00 P.M., New York City time, on the relevant interest calculation date, unless the calculation is made earlier and the rate is available from one of those sources at that time, then the treasury rate will be the rate, for the relevant treasury interest determination date and for treasury bills having a remaining maturity closest to the specified index maturity, as published in H.15 daily update, or another recognized electronic source used for displaying that rate, under the heading "U.S. Government Securities/Treasury Bills/Secondary Market."
- If the rate described in the prior paragraph does not appear in H.15 daily update or another recognized electronic source by 3:00 P.M., New York City time, on the relevant interest calculation date, unless the calculation is made earlier and the rate is available from one of those sources at that time, the treasury rate will be the bond equivalent yield of the arithmetic mean of the following secondary market bid rates for the issue of treasury bills with a remaining maturity closest to the specified index maturity: the rates bid as of approximately 3:30 P.M., New York City time, on the relevant treasury interest determination date, by three primary U.S. government securities dealers in New York City selected by the Calculation Agent.
- If fewer than three dealers selected by the Calculation Agent are quoting as described in the prior paragraph, the treasury rate in effect for the new interest period will be the treasury rate in effect for the prior interest period. If the initial interest rate has been in effect for the prior interest period, however, it will remain in effect for the new interest period.

CMT Rate Covered Bonds

A CMT rate Covered Bond will bear interest at an interest rate equal to the CMT rate and adjusted by the spread or spread multiplier, if any, indicated in the applicable Final Terms.

The CMT rate will be the following rate displayed on the designated CMT Reuters page under the heading ". . . Treasury Constant Maturities . . . Federal Reserve Board Release H.15 Mondays Approximately 3:45 P.M.", under the column for the designated CMT index maturity:

- if the designated CMT Reuters page is Reuters page FRBCMT, the rate for the relevant interest determination date; or

- if the designated CMT Reuters page is Reuters page FEDCMT, the weekly or monthly average, as specified in the applicable Final Terms, for the week that ends immediately before the week in which the relevant interest determination date falls, or for the month that ends immediately before the month in which the relevant interest determination date falls, as applicable.

If the CMT rate cannot be determined in this manner, the following procedures will apply.

- If the applicable rate described above is not displayed on the relevant designated CMT Reuters page at 3:00 P.M., New York City time, on the relevant interest calculation date, unless the calculation is made earlier and the rate is available from that source at that time, then the CMT rate will be the applicable treasury constant maturity rate described above—i.e., for the designated CMT index maturity and for either the relevant interest determination date or the weekly or monthly average, as applicable—as published in H.15(519).
- If the applicable rate described above does not appear in H.15(519) by 3:00 P.M., New York City time, on the relevant interest calculation date, unless the calculation is made earlier and the rate is available from one of those sources at that time, then the CMT rate will be the treasury constant maturity rate, or other U.S. treasury rate, for the designated CMT index maturity and with reference to the relevant interest determination date, that:
 - is published by the Board of Governors of the Federal Reserve System, or the U.S. Department of the Treasury; or
 - as is otherwise announced by the Federal Reserve Bank of New York for the week or month, as applicable, ended immediately preceding the week or month, as applicable, in which such CMT rate interest determination date falls; and
 - in either case, is determined by the Calculation Agent to be comparable to the applicable rate formerly displayed on the designated CMT Reuters page and published in H.15(519).
- If the rate described in the prior paragraph does not appear by 3:00 P.M., New York City time, on the relevant interest calculation date, unless the calculation is made earlier and the rate is available from one of those sources at that time, then the CMT rate will be the yield to maturity of the arithmetic mean of the following secondary market bid rates for the most recently issued treasury covered bonds having an original maturity equal to the designated CMT index maturity and a remaining term to maturity of not less than the designated CMT index maturity minus one year, and in a representative amount: the bid rates, as of approximately 3:30 P.M., New York City time, on the relevant interest determination date, of three primary U.S. government securities dealers in New York City selected by the Calculation Agent. In selecting these bid rates, the Calculation Agent will request quotations from five of these primary dealers and will disregard the highest quotation—or, if there is equality, one of the highest—and the lowest quotation—or, if there is equality, one of the lowest. Treasury covered bonds are direct, non-callable, fixed rate obligations of the U.S. government.
- If the Calculation Agent is unable to obtain three quotations of the kind described in the prior paragraph, the CMT rate will be the yield to maturity of the arithmetic mean of the following secondary market bid rates for treasury covered bonds with an original maturity longer than the designated CMT index maturity, with a remaining term to maturity closest to the designated CMT index maturity and in a representative amount: the bid rates, as of approximately 3:30 P.M., New York City time, on the relevant interest determination date, of three primary U.S. government securities dealers in New York City selected by the Calculation Agent. In selecting these bid rates, the Calculation Agent will request quotations from five of these primary dealers and will disregard the highest quotation (or, if there is equality, one of the highest) and the lowest quotation (or, if there is equality, one of the lowest). If two treasury covered bonds with an original maturity longer than the designated CMT index maturity have remaining terms to maturity that are equally close to the designated CMT index maturity, the Calculation Agent will obtain quotations for the treasury covered bond with the shorter remaining term to maturity.
- If fewer than five but more than two of these primary dealers are quoting as described in the prior paragraph, then the CMT rate for the relevant interest determination date will be

based on the arithmetic mean of the bid rates so obtained, and neither the highest nor the lowest of those quotations will be disregarded.

- If two or fewer primary dealers selected by the Calculation Agent are quoting as described above, the CMT rate in effect for the new interest period will be the CMT rate in effect for the prior interest period. If the initial interest rate has been in effect for the prior interest period, however, it will remain in effect for the new interest period.

CMS Rate Covered Bonds

A CMS rate Covered Bond will bear interest at an interest rate equal to the CMS rate and adjusted by the spread or spread multiplier, if any, indicated in the applicable Final Terms.

The CMS rate will be the rate for U.S. dollar swaps with a maturity for a specified number of years, expressed as a percentage in the applicable Final Terms, which appears on the Reuters page ISDAFIX1 as of 11:00 a.m., New York City time, on the interest rate determination date.

- If the CMS rate cannot be determined as described above, the following procedures will be used:
- If the applicable rate described above is not displayed on the relevant designated CMS Reuters page by 11:00 a.m., New York City time, on the interest rate determination date, then the CMS rate will be a percentage determined on the basis of the mid-market, semi-annual swap rate quotations provided by five leading swap dealers in the New York City interbank market at approximately 11:00 a.m., New York City time, on the interest rate determination date. For this purpose, the semi-annual swap rate means the mean of the bid and offered rates for the semi-annual fixed leg, calculated on a 30/360 day count basis, of a fixed-for-floating U.S. dollar interest rate swap transaction with a term equal to the maturity designated in the relevant Final Terms commencing on that interest rate determination date with an acknowledged dealer of good credit in the swap market, where the floating leg, calculated on an Actual/360 day count basis, is equivalent to "LIBOR Reuters" with a maturity of three months. The Calculation Agent will select the five swap dealers after consultation with us and will request the principal New York City office of each of those dealers to provide a quotation of its rate. If at least three quotations are provided, the CMS rate for that interest rate determination date will be the arithmetic mean of the quotations, eliminating the highest and lowest quotations or, in the event of equality, one of the highest and one of the lowest quotations.
- If fewer than three leading swap dealers selected by the Calculation Agent are quoting as described above, the CMS rate will remain the CMS rate in effect on that interest rate determination date or, if that interest rate determination date is the first reference rate determination date, the initial interest rate.

Federal Funds Rate Covered Bonds

A federal funds rate Covered Bond will bear interest at an interest rate equal to the federal funds rate and adjusted by the spread or spread multiplier, if any, indicated in the applicable Final Terms.

The federal funds rate will be the rate for U.S. dollar federal funds as of the relevant interest determination date, as published in H.15(519) under the heading "Federal Funds (Effective)", as that rate is displayed on Reuters page FEDFUNDS1. If the federal funds rate cannot be determined in this manner, the following procedures will apply.

- If the rate described above is not displayed on Reuters page FEDFUNDS1 by 3:00 P.M., New York City time, on the relevant interest calculation date, unless the calculation is made earlier and the rate is available from that source at that time, then the federal funds rate, as of the relevant interest determination date, will be the rate described above as published in H.15 daily update, or another recognized electronic source used for displaying that rate, under the heading "Federal Funds (Effective)."
- If the rate described above is not displayed on Reuters page FEDFUNDS1 and does not appear in H.15(519), H.15 daily update or another recognized electronic source by 3:00 P.M., New York City time, on the relevant interest calculation date, unless the calculation is made earlier and the rate is available from one of those sources at that time, the federal funds rate will be the arithmetic mean of the rates for the last transaction in overnight, U.S. dollar federal funds arranged, before 9:00 A.M., New York City

time, on the Business Day following the relevant interest determination date, by three leading brokers of U.S. dollar federal funds transactions in New York City selected by the Calculation Agent.

- If fewer than three brokers selected by the Calculation Agent are quoting as described above, the federal funds rate in effect for the new interest period will be the federal funds rate in effect for the prior interest period. If the initial interest rate has been in effect for the prior interest period, however, it will remain in effect for the new interest period.

5.14 This Condition 5.14 is applicable to the Covered Bonds only if the Coupon Switch Option is specified in the relevant Final Terms as being applicable and each Covered Bond shall bear interest on the following basis.

The Final Terms shall specify whether the Fixed Rate Covered Bond Provisions or, as the case may be, the Floating Rate Covered Bond Provisions are applicable to the Covered Bonds from and including the Issue Date to but excluding the Coupon Switch Option Date. The Final Terms shall also specify whether the Fixed Rate Covered Bond Provisions or, as the case may be, the Floating

The Issuer confirms that it fully understands and is able to calculate the effective annual rate of interest applicable to each Covered Bond based on the methodology for calculating per annum rates provided for in the paragraph above if applicable. The Issuer hereby irrevocably agrees not to plead or assert, whether by way of defence or otherwise, in any proceeding relating to each Covered Bond, that the interest payable under each Covered Bond and the calculation thereof has not been adequately disclosed to the Issuer pursuant to Section 4 of the Interest Act (Canada).

6. Redemption and Purchase

Redemption at Maturity

6.01 Unless previously redeemed, or purchased and cancelled, each Covered Bond shall be redeemed at its Final Redemption Amount specified in the applicable Final Terms (which shall be par, save in the case of Zero Coupon Covered Bonds in respect of which the Final Redemption Amount shall be the amount per Calculation Amount specified in the applicable Final Terms which amount is at least equal to 100 per cent. of such Calculation Amount) in the Specified Currency on the Final Maturity Date.

Without prejudice to Condition 7, if an Extended Due for Payment Date is specified as applicable in the Final Terms for a Series of Covered Bonds and the Issuer has failed to pay the Final Redemption Amount on the Final Maturity Date specified in the Final Terms (or after expiry of the grace period set out in Condition 7.01(a)) and following the service of a Notice to Pay on the Guarantor LP by no later than the date falling one Business Day prior to the Extension Determination Date the Guarantor LP has insufficient moneys available in accordance with the Guarantee Priority of Payments to pay in full the Guaranteed Amounts corresponding to the Final Redemption Amount of the relevant Series of Covered Bonds on the date falling on the earlier of (a) the date which falls two Business Days after service of such Notice to Pay on the Guarantor LP or if later the Final Maturity Date (or, in each case, after the expiry of the grace period set out in Condition 7.02) under the terms of the Covered Bond Guarantee or (b) the Extension Determination Date, then (subject as provided below) payment of the unpaid amount by the Guarantor LP under the Covered Bond Guarantee shall be deferred until the Extended Due for Payment Date, provided that in respect of any amount representing the Final Redemption Amount due and remaining unpaid on the earlier of (a) and (b) above the Guarantor LP will apply any moneys available (after paying or providing for payment of higher ranking or *pari passu* amounts in accordance with the Guarantee Priority of Payments) to pay the Guaranteed Amounts corresponding to the Final Redemption Amount of the relevant Series of Covered Bonds on any Interest Payment Date thereafter up to (and including) the relevant Extended Due for Payment Date.

The Issuer shall confirm to the Issuing and Paying Agent as soon as reasonably practicable and in any event at least 4 Business Days prior to the Final Maturity Date of such Series of Covered Bonds whether payment will be made in full of the Final Redemption Amount in respect of a Series of Covered Bonds on that Final Maturity Date. Any failure by the Issuer to notify the Issuing and Paying

Agent shall not affect the validity or effectiveness of the extension of maturity.

The Guarantor LP shall notify the relevant holders of the Covered Bonds (in accordance with Condition 14), the Rating Agencies, the Bond Trustee, the Issuing and Paying Agent and the Registrar (in the case of Registered Covered Bonds) as soon as reasonably practicable and in any event at least one Business Day prior to the dates specified in (a) and (b) of the second paragraph of this Condition 6.01 of any inability of the Guarantor LP to pay in full the Guaranteed Amounts corresponding to the Final Redemption Amount in respect of a Series of Covered Bonds pursuant to the Covered Bond Guarantee. Any failure by the Guarantor LP to notify such parties shall not affect the validity or effectiveness of the extension nor give rise to any rights in any such party.

In the circumstances outlined above, the Guarantor LP shall on the earlier of (a) the date falling two Business Days after the service of a Notice to Pay on the Guarantor LP or if later the Final Maturity Date (or, in each case, after the expiry of the applicable grace period set out in Condition 7.02) and (b) the Extension Determination Date, under the Covered Bond Guarantee, apply the moneys (if any) available (after paying or providing for payment of higher ranking or *pari passu* amounts in accordance with the Guarantee Priority of Payments) *pro rata* in part payment of an amount equal to the Final Redemption Amount of each Covered Bond of the relevant Series of Covered Bonds and shall pay Guaranteed Amounts constituting the Scheduled Interest in respect of each such Covered Bond on such date. The obligation of the Guarantor LP to pay any amounts in respect of the balance of the Final Redemption Amount not so paid shall be deferred as described above. Such failure to pay by the Guarantor LP shall not constitute a Guarantor LP Event of Default.

Any discharge of the obligations of the Issuer as the result of the payment of Excess Proceeds to the Bond Trustee shall be disregarded for the purposes of determining the amounts to be paid by the Guarantor LP under the Covered Bond Guarantee in connection with this Condition 6.01.

For the purposes of these Terms and Conditions:

“Extended Due for Payment Date” means, in relation to any Series of Covered Bonds, the date, if any, specified as such in the applicable Final Terms to which the payment of all or (as applicable) part of the Final Redemption Amount payable on the Final Maturity Date will be deferred in the event that the Final Redemption Amount is not paid in full on the Extension Determination Date; and

Early Redemption for Taxation Reasons

6.02 If, in relation to any Series of Covered Bonds (i) as a result of any change in the laws or regulations of Canada or any province or territory thereof or any authority or agency therein or thereof having power to tax or, in the case of Covered Bonds issued by a branch of the Issuer outside Canada, of the country in which such branch is located or of any political subdivision thereof or any authority or agency therein or thereof having power to tax or in the interpretation or administration of any such laws or regulations which becomes effective on or after the Issue Date of such Covered Bonds or any other date specified in the Final Terms, the Issuer would be required to pay additional amounts as provided in Condition 8, (ii) such obligation cannot be avoided by the Issuer taking reasonable measures available to it and (iii) such circumstances are evidenced by the delivery by the Issuer to the Issuing and Paying Agent and Bond Trustee of (x) a certificate signed by two senior officers of the Issuer stating that the said circumstances prevail and describing the facts leading thereto, and (y) an opinion of independent legal advisers of recognised standing to the effect that the circumstances set forth in (i) above, prevail, the Issuer may, at its option and having given no less than 30 nor more than 60 days’ notice (ending, in the case of Floating Rate Covered Bonds, on an Interest Payment Date) to the holders of the Covered Bonds in accordance with Condition 14 (which notice shall be irrevocable), redeem all (but not some only) of the outstanding Covered Bonds

at their Outstanding Principal Amount or, in the case of Zero Coupon Covered Bonds, their Amortized Face Amount (as defined in Condition 6.10) or such Early Redemption Amount as may be specified in, or determined in accordance with the provisions of, the Final Terms, together with accrued interest (if any) thereon, provided, however, that no such notice of redemption may be given earlier than 90 days (or, in the case of Floating Rate Covered Bonds a number of days which is equal to the aggregate of the number of days falling within the then current Interest Period plus 60 days) prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Covered Bonds then due.

The Issuer may not exercise such option in respect of any Covered Bond which is the subject of the prior exercise by the Holder thereof of its option to require the redemption of such Covered Bond under Condition 6.06.

Call Option

6.03 If a Call Option is specified in the Final Terms as being applicable, then the Issuer may, having given the appropriate notice to the Holders in accordance with Condition 14, which Notice shall be irrevocable, and shall specify the date fixed for redemption and subject to such conditions as may be specified in the Final Terms, redeem all or, if so specified in the applicable Final Terms or Pricing Supplement, some only of the Covered Bonds of this Series outstanding on any Optional Redemption Date at the Optional Redemption Amount(s) specified in, or determined in the manner specified in the applicable Final Terms together with accrued interest (if any) thereon on the date specified in such notice.

The Issuer may not exercise such option in respect of any Covered Bond which is the subject of the prior exercise by the Holder thereof of its option to require the redemption of such Covered Bond under Condition 6.06.

6.04 The appropriate notice referred to in Condition 6.03 is a notice given by the Issuer to the holders of the Covered Bonds of the relevant Series in accordance with Condition 14, which notice shall be irrevocable and shall specify:

- the Series of Covered Bonds subject to redemption;
- whether such Series is to be redeemed in whole or in part only and, if in part only, the aggregate principal amount of and (except in the case of a Global Covered Bond) the serial numbers of the Covered Bonds of the relevant Series which are to be redeemed;
- the due date for such redemption, which shall be not less than thirty days nor more than 60 days after the date on which such notice is given and which shall be such date or the next of such dates ("**Call Option Date(s)**") or a day falling within such period ("**Call Option Period**"), as may be specified in the Final Terms and which is, in the case of Covered Bonds which bear interest at a floating rate, a date upon which interest is payable; and
- the Optional Redemption Amount at which such Covered Bonds are to be redeemed.

Partial Redemption

6.05 If the Covered Bonds are to be redeemed in part only on any date in accordance with Condition 6.03:

- such redemption must be for an amount not less than the Minimum Redemption Amount or not more than the Maximum Redemption Amount, in each case as may be specified in the applicable Final Terms;
- in the case of a partial redemption of Bearer Definitive Covered Bonds, the Covered Bonds to be redeemed shall be drawn by lot in such European city as the Issuing and Paying Agent may specify, or identified in such other manner or in such other place as the Issuing and Paying Agent may approve and deem appropriate and fair;
- in the case of a Global Covered Bond, the Covered Bonds to be redeemed shall be selected in accordance with the rules of Euroclear, Clearstream, DTC, CDS and/or any other relevant clearing system (to be reflected in the records of Euroclear and/or Clearstream, DTC and/or CDS or such other relevant clearing system as either a pool factor or a reduction in principal amount, at their discretion); and
- in the case of Registered Definitive Covered Bonds, the Covered Bonds shall be redeemed (so far as may be practicable) *pro rata* to their principal amounts,

provided always that the amount redeemed in respect of each Covered Bond shall be equal to a Specified Denomination,

subject always to compliance with all applicable laws and the requirements of any stock exchange on which the relevant Covered Bonds may be listed.

In the case of the redemption of part only of a Registered Definitive Covered Bond, a new Registered Definitive Covered Bond in respect of the unredeemed balance shall be issued in accordance with Conditions 2.04 to 2.08, which shall apply as in the case of a transfer of Registered Definitive Covered Bonds as if such new Registered Definitive Covered Bonds were in respect of the untransferred balance.

Put Option

6.06 If a Put Option is specified in the Final Terms as being applicable, upon the Holder of any Covered Bond of this Series giving the required notice to the Issuer specified in the applicable Final Terms (which notice shall be irrevocable), the Issuer will, upon expiry of such notice, redeem such Covered Bond subject to and in accordance with the terms specified in the applicable Final Terms in whole (but not in part only) on the Optional Redemption Date and at the Optional Redemption Amount specified in, or determined in accordance with the provisions of, the applicable Final Terms, together with accrued interest (if any) thereon, provided that any such Put Option shall expire no later than upon an Issuer Event of Default. In order to exercise such option, the Holder must, not less than 45 days before the Optional Redemption Date where the Covered Bond is a Covered Bond in definitive form held outside Euroclear, Clearstream, DTC and/or CDS deposit the relevant Covered Bond (together, in the case of a Bearer Definitive Covered Bond that is not a Zero Coupon Covered Bond, with all unmatured Coupons appertaining thereto other than any Coupon maturing on or before the Optional Redemption Date (failing which the provisions of Condition 9.06 apply)) during normal business hours at the specified office of, in the case of a Bearer Covered Bond, any Paying Agent or, in the case of a Registered Covered Bond, the Registrar together with a duly completed early redemption notice ("**Put Notice**") in the form which is available from the specified office of any of the Paying Agents or, as the case may be, the Registrar specifying, in the case of a Global Covered Bond, the aggregate principal amount in respect of which such option is exercised (which must be a Specified Denomination specified in the Final Terms). Notwithstanding the foregoing, Covered Bonds represented by a Permanent Global Covered Bond or Global Registered Covered Bond shall be deemed to be deposited with the Paying Agent or the Registrar, as the case may be, for purposes of this Condition 6.06 at the time a Put Notice has been received by the Paying Agent or Registrar, as the case may be, in respect of such Covered Bonds. No Covered Bond so deposited and option exercised may be withdrawn (except as provided in the Agency Agreement).

In the case of the redemption of part only of a Registered Covered Bond, a new Registered Definitive Covered Bond in respect of the unredeemed balance shall be issued in accordance with Conditions 2.04 to 2.08 which shall apply as in the case of a transfer of Registered Definitive Covered Bonds as if such new Registered Definitive Covered Bonds were in respect of the untransferred balance.

The Holder of a Covered Bond may not exercise such Put Option (i) in respect of any Covered Bond which is the subject of an exercise by the Issuer of its option to redeem such Covered Bond under either Condition 6.02 or 6.03 or (ii) following an Issuer Event of Default.

Purchase of Covered Bonds

6.07 The Issuer or any of its subsidiaries may at any time, but will not be obligated to, purchase Covered Bonds in the open market or otherwise and at any price provided that all unmatured Receipts and Coupons appertaining thereto are purchased therewith. If purchases are made by tender, tenders must be available to all Holders of the relevant Covered Bonds alike.

Cancellation of Redeemed and Purchased Covered Bonds

6.08 All unmatured Covered Bonds and Coupons redeemed in accordance with this Condition 6 will be cancelled forthwith and may not be reissued or resold. All unmatured Covered Bonds and Coupons purchased in accordance with Condition 6.07 may be cancelled or may be reissued or resold.

Further Provisions applicable to Final Redemption Amount and Instalment Amounts

6.09 The provisions of Condition 5.08 and the last paragraph of Condition 5.09 shall apply to any determination or calculation of the Redemption Amount or any Instalment Amount required by the Final Terms to be made by the Calculation Agent (as defined in Condition 5.10).

References herein to "**Redemption Amount**" shall mean, as appropriate, the Final Redemption Amount, final Instalment Amount, the Optional Redemption Amount, the Early Redemption Amount or such other amount in the nature of a redemption amount as may be specified in, or determined in accordance with, the provisions of the applicable Final Terms.

6.10 Unless otherwise specified in the applicable Final Terms, the Redemption Amount payable in respect of any Zero Coupon Covered Bond shall be the Amortized Face Amount of such Covered Bond. The “**Amortized Face Amount**” shall be an amount equal to the sum of:

- (a) the Reference Price specified in the Final Terms; and
- (b) the product of the Accrual Yield (compounded annually or otherwise as specified in the Final Terms) being applied to the Reference Price from (and including) the Issue Date to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Covered Bond becomes due and repayable.

Where such calculation is to be made for a period which is not a full year, the calculation in respect of the period of less than a full year shall be made on the basis of the Day Count Fraction specified in the Final Terms which will be either (i) 30/360 (in which case the numerator will be equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the Covered Bonds to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Covered Bond becomes due and repayable and the denominator 360), (ii) Actual/360 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Covered Bonds to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Covered Bond becomes due and repayable and the denominator will be 360), (iii) Actual/365 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Covered Bonds to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Covered Bond becomes due and repayable and the denominator will be 365) or (iv) Actual/Actual (ICMA) (in which case the Accrual Period will commence on (and include) the Issue Date of the first Tranche of the Covered Bonds and end on (but exclude) the date fixed for redemption or (as the case may be) the date upon which such Covered Bond becomes due and repayable).

6.11 If any Redemption Amount (other than the Final Redemption Amount) of any Zero Coupon Covered Bond is improperly withheld or refused or default is otherwise made in the payment thereof, the Amortized Face Amount shall be calculated as provided in Condition 6.10 but as if references in subparagraph (b) to the date fixed for redemption or the date upon which such Zero Coupon Covered Bond becomes due and repayable were replaced by references to the date (the “**Reference Date**”) which is the earlier of:

- (a) the date on which, upon due presentation or surrender of the relevant Covered Bond (if required), all amounts due have been paid; and
- (b) the seventh day after the date on which, the Issuing and Paying Agent or, as the case may be, the Registrar having received the funds required to make such payment, notice is given to the holders of the Covered Bonds in accordance with Condition 14 of that circumstance (except to the extent that there is a failure in the subsequent payment thereof to the relevant Holder). The calculation of the Amortized Face Amount in accordance with this sub-paragraph will continue to be made, after as well as before judgment, unless the Reference Date falls on or after the Maturity Date, in which case the amount due and repayable shall be the scheduled Final Redemption Amount of the Covered Bond on the Maturity Date together with interest which may accrue in accordance with Condition 5.11.

Instalment Covered Bonds

6.12 Any Instalment Covered Bond will be redeemed in the Instalment Amounts and on the Instalment Dates specified in the applicable Final Terms.

Index-Linked Redemption Covered Bonds

6.13 Provisions relating to the terms of any Index-Linked Redemption Covered Bond, including the redemption thereof, will be set out in the applicable Final Terms.

Other Redemption and Purchase Provisions

6.14 Notwithstanding the foregoing:

- (a) the relevant provisions relating to the redemption and purchase of Covered Bonds the terms of which permit the Issuer to pay and/or discharge its obligations with respect to such Covered Bonds by the payment or delivery of securities and/or other property or any combination of cash, securities and/or other property shall be set forth in the applicable Final Terms; and
- (b) any additional redemption events which shall enable the Issuer to redeem the Covered Bonds of any Series shall be set forth in the applicable Final Terms.

Redemption due to Illegality

6.15 The Covered Bonds of all Series may be redeemed at the option of the Issuer in whole, but not in part, at any time, on giving not less than 30 nor more than 60 days' notice to the Bond Trustee, the Issuing and Paying Agent, the Registrar and, in accordance with Condition 14, all holders of the Covered Bonds (which notice shall be irrevocable), if the Issuer satisfies the Bond Trustee immediately before the giving of such notice that it has, or will, before the next Interest Payment Date of any Covered Bond of any Series, become unlawful for the Issuer to make, fund or allow to remain outstanding any advance made by it to the Guarantor LP pursuant to the Intercompany Loan Agreement, as a result of any change in, or amendment to, the applicable laws or regulations or any change in the application or official interpretation of such laws or regulations, which change or amendment has become or will become effective before the next such Interest Payment Date.

Covered Bonds redeemed pursuant to this Condition 6.15 will be redeemed at their Early Redemption Amount together (if appropriate) with interest accrued to (but excluding) the date of redemption.

Prior to the publication of any notice of redemption pursuant to this Condition 6.15, the Issuer shall deliver to the Issuing and Paying Agent and Bond Trustee a certificate signed by two senior officers of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and the Issuing and Paying Agent and Bond Trustee shall be entitled to accept the certificate as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event it shall be conclusive and binding on all holders of the Covered Bonds, Receiptholders and Couponholders.

7. Events of Default

Issuer Events of Default

7.01 The Bond Trustee at its discretion may, and if so requested in writing by the holders of at least 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds (which for this purpose or the purpose of any Extraordinary Resolution (as defined in the Trust Deed) referred to in this Condition 7.01 means the Covered Bonds of this Series together with the Covered Bonds of any other Series constituted by the Trust Deed) then outstanding as if they were a single Series (with the nominal amount of Covered Bonds not denominated in euros converted into euros at the Euro Conversion Rate specified in the applicable Final Terms) or if so directed by an Extraordinary Resolution of all the holders of the Covered Bonds shall, (but in the case of the happening of any of the events mentioned in sub-paragraphs (b) to (d) below, only if the Bond Trustee shall have certified in writing to the Issuer and the Guarantor LP that such event is, in its opinion, materially prejudicial to the interests of the holders of the Covered Bonds of any Series) (subject in each case to being indemnified and/or secured to its satisfaction), give notice (an "**Issuer Acceleration Notice**") in writing to the Issuer that as against the Issuer (but, for the avoidance of doubt, not against the Guarantor LP under the Covered Bond Guarantee) each Covered Bond of each Series is, and each such Covered Bond shall thereupon immediately become, due and repayable at its Early Redemption Amount together with accrued interest as provided in the Trust Deed if any of the following events (each an "**Issuer Event of Default**") shall occur and be continuing:

- (a) the Issuer fails to pay (i) any principal in respect of the Covered Bonds within 10 days of the due date or (ii) any interest in respect of the Covered Bonds within 30 days of the due date; or

- (b) the Issuer fails to perform or observe any obligations under the Covered Bonds, Receipts or Coupons of any Series, the Trust Deed or any other Transaction Document to which the Issuer is a party (other than the Dealership Agreement, the Underwriting Agreement and the subscription agreements) but excluding (i) any obligation of the Issuer to comply with the Asset Coverage Test; (ii) any obligation of the Issuer which relates solely to its obligations under Part 1.1 of the *National Housing Act* (Canada) or the Guide and breach of which would not otherwise constitute a breach of the terms of the Transaction Documents; (iii) the obligation to exchange cashflows under the Swap Agreement following a Trigger Event Date, and such failure continues for the period of 30 days (or such longer period as the Bond Trustee may permit) next following the service by the Bond Trustee on the Issuer of notice requiring the same to be remedied (except in circumstances where the Bond Trustee considers such failure to be incapable of remedy in which case no period of continuation will apply and no notice by the Bond Trustee will be required); and (iv) any other obligation specifically provided for in this Condition 7.01; or
- (c) Section 8.1(3)(a)(ii) or Section 8.1(3)(b) of the Guarantor LP Agreement (which limits the right of the Guarantor LP to exercise discretion in respect of rights under Transaction Documents) or Part 5(t)(ii) of a Schedule to the ISDA Master Agreement for a Swap Agreement (which limits the right of the Guarantor LP to exercise discretion in respect of rights under such Swap Agreement) is not complied with; or
- (d) the Reserve Fund is not established within 30 days (or such longer period as the Bond Trustee may permit) following the date on which the Reserve Fund is required to be established pursuant to Section 6.1(2) of the Guarantor LP Agreement (which requires the Reserve Fund to be established upon the ratings or assessments of the Issuer falling below the Reserve Fund Required Amount Ratings); or
- (e) cashflows are not exchanged in accordance with the terms of the Covered Bond Swap Agreement within 30 days (or such longer period as the Bond Trustee may permit) following a Trigger Event Date; or
- (f) any impending or actual insolvency on the part of the Bank as evidenced by, but not limited to (i) the commencement of a dissolution proceeding or a case in bankruptcy involving the Bank (and where such proceeding is the result of an involuntary filing, such proceeding is not dismissed within 60 days after the date of such filing); (ii) the appointment of a trustee or other similar court officer over, or the taking of control or possession by such officer or by OSFI of the Bank's business in whole or in part, or in the case of OSFI, the Bank, before the commencement of a dissolution proceeding or a case of bankruptcy; (iii) a general assignment by the Bank for the benefit of any of its creditors; or (iv) the general failure of, or the inability of, or the written admission of the inability of, the Bank to pay its debts as they become due; or
- (g) an Asset Coverage Test Breach Notice has been served and not revoked (in accordance with the terms of the Transaction Documents) on or before the Guarantor LP Payment Date immediately following the next Calculation Date after service of such Asset Coverage Test Breach Notice.

For the purposes of these Terms and Conditions “**Calculation Date**” means the last Toronto Business Day of each month.

Upon the Covered Bonds becoming immediately due and repayable against the Issuer pursuant to this Condition 7.01, the Bond Trustee shall forthwith serve a notice to pay (“**Notice to Pay**”) on the Guarantor LP pursuant to the Covered Bond Guarantee and the Guarantor LP shall be required to make payments of Guaranteed Amounts when the same shall become Due for Payment in accordance with the terms of the Covered Bond Guarantee.

Following the occurrence of an Issuer Event of Default and service of an Issuer Acceleration Notice, the Bond Trustee may or shall take such proceedings against the Issuer in accordance with the first paragraph of Condition 7.03.

The Trust Deed provides that all moneys (the “**Excess Proceeds**”) received by the Bond Trustee from the Issuer or any receiver, liquidator, administrator or other similar official appointed in relation to the Issuer following the occurrence of an Issuer Event of Default and service of an Issuer Acceleration Notice and a Notice to Pay on the Guarantor LP, shall be paid by the Bond Trustee, as soon as practicable after receipt thereof by the Bond Trustee, on behalf of the holders of the Covered Bonds of the relevant Series to the Guarantor LP (or the Cash Manager on its behalf) for the account of the Guarantor LP and shall be held in the Guarantor LP Accounts and the Excess Proceeds shall thereafter form part of the Security granted pursuant to the Security Agreement and shall be used by the Guarantor LP (or the Cash Manager on its behalf) in the same manner as all other moneys from time to time held by the Cash Manager and/or standing to the credit of the Guarantor LP in the Guarantor LP Accounts. Any Excess Proceeds received by the Bond Trustee shall discharge *pro tanto* the obligations of the Issuer in respect of the payment of the amount of such Excess Proceeds under the Covered Bonds, Receipts and Coupons. However, the obligations of the Guarantor LP under the Covered Bond Guarantee are, following a Covered Bond Guarantee Activation Event, unconditional and irrevocable and the receipt by the Bond Trustee of any Excess Proceeds shall not reduce or discharge any of such obligations.

By subscribing for Covered Bonds, each holder of the Covered Bonds shall be deemed to have irrevocably directed the Bond Trustee to pay the Excess Proceeds to the Guarantor LP in the manner as described above.

Guarantor LP Events of Default

7.02 The Bond Trustee at its discretion may, and if so requested in writing by the holders of at least 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds (which for this purpose and the purpose of any Extraordinary Resolution referred to in this Condition 7.02 means the Covered Bonds of this Series together with the Covered Bonds of any other Series constituted by the Trust Deed) then outstanding as if they were a single Series (with the nominal amount of Covered Bonds not denominated in euros converted into euros at the rate specified in the applicable Final Terms), or if so directed by an Extraordinary Resolution of all the holders of the Covered Bonds shall (but in the case of the happening of any of the events described in paragraphs (b) to (h) below, only if the Bond Trustee shall have certified in writing to the Issuer and the Guarantor LP that such event is, in its opinion, materially prejudicial to the interests of the holders of the Covered Bonds of any Series) (subject in each case to being indemnified and/or secured to its satisfaction) give notice (the “**Guarantor LP Acceleration Notice**”) in writing to the Issuer and to the Guarantor LP, that (x) each Covered Bond of each Series is, and each Covered Bond of each Series shall as against the Issuer (if not already due and repayable against it following an Issuer Event of Default), thereupon immediately become, due and repayable at its Early Redemption Amount together with accrued interest and (y) all amounts payable by the Guarantor LP under the Covered Bond Guarantee shall thereupon immediately become due and payable at the Guaranteed Amount corresponding to the Early Redemption Amount for each Covered Bond of each Series together with accrued interest, in each case as provided in the Trust Deed and thereafter the Security shall become enforceable if any of the following events (each a “**Guarantor LP Event of Default**”) shall occur and be continuing:

- (a) default is made by the Guarantor LP for a period of seven days or more in the payment of any Guaranteed Amounts when Due for Payment in respect of the Covered Bonds of any Series except in the case of the payments of a Guaranteed Amount when Due for Payment under Condition 6.01 where the Guarantor LP shall be required to make payments of Guaranteed Amounts which are Due for Payment on the dates specified therein; or

- (b) (i) if the Guarantor LP fails to perform or observe any obligation, condition, or provision binding on it under the Trust Deed, the Security Agreement, or any other Transaction Document or any obligation of the Guarantor LP to make any payment under a Swap Agreement which does not constitute an event of default under the Swap Agreement to which the Guarantor LP is a party but excluding (A) any obligation for the payment of Guaranteed Amounts in respect of the Covered Bonds of any Series; (B) the obligation of the Guarantor LP to repay the Demand Loan within 60 days of a demand therefor or an obligation to do so pursuant to the terms of the Intercompany Loan Agreement; (C) any obligation of the Guarantor LP to comply with the Amortization Test; (D) any obligation of the Guarantor LP which relates solely to its obligations under Part I.1 of the National Housing Act (Canada) or the Guide and breach of which would not otherwise constitute a breach of the terms of the Transaction Documents, and (E) any other condition specifically provided for in this Condition 7.02; or (ii) any party to a Transaction Document fails to take any remedial action required to be taken in accordance with the terms of the Transaction Documents, other than an action specified in Condition 1.1(c) or Condition 1.1(d), as a result of (A) the ratings or assessments by the Rating Agencies ceasing to meet a minimum rating, or (B) the failure to meet any financial test set out in the Transaction Documents that is intended to confirm the financial soundness of any counterparty; and such failure continues for the period of 30 days (or such longer period as the Bond Trustee may permit) next following the service by the Bond Trustee on the Guarantor LP of notice requiring the same to be remedied (except in circumstances where the Bond Trustee considers such failure to be incapable of remedy in which case no period of continuation will apply and no notice by the Bond Trustee will be required; or
- (c) Section 8.1(3)(b) of the Guarantor LP Agreement (which obligates the Guarantor LP to terminate the Servicer or the Cash Manager, as applicable, in accordance with the terms of the Servicing Agreement or Cash Management Agreement, respectively, as a result of a breach by the Servicer or the Cash Manager, as applicable, of its obligations under such agreement to deposit funds into the Guarantor LP Accounts) is not complied with; or
- (d) cashflows are not exchanged in accordance with the terms of the Covered Bond Swap Agreement within 30 days following a Trigger Event Date (unless such requirement is waived in accordance with the terms of the Covered Bond Swap Agreement) but disregarding any failure of the Guarantor LP to make a payment under the Covered Bond Swap Agreement which does not constitute an event of default under the Covered Bond Swap Agreement; or
- (e) any impending or actual insolvency on the part of the Guarantor LP as evidenced by, but not limited to (i) the Guarantor LP being unable, or admitting inability, to pay its debts generally as they fall due; (ii) the Guarantor LP being adjudicated or found bankrupt or insolvent; (iii) proceedings are initiated against the Guarantor LP under any applicable liquidation, winding up, insolvency, bankruptcy, composition, reorganization or other similar laws (including, but not limited to, presentation of a petition or the filing of documents with a court or any registrar for its winding-up, administration or dissolution or the giving notice of the intention to appoint an administrator (whether out of court or otherwise); (iv) a receiver and/or manager, administrative receiver, administrator, trustee or other similar official being appointed (whether out of court or otherwise) in relation to the Guarantor LP or in relation to the whole or any part of its assets, (v) a distress, diligence or execution or other process shall be levied or enforced upon or sued out against the whole or any part of its assets, (vi) the Guarantor LP initiating or consenting to judicial proceedings relating to itself under any applicable liquidation, winding up, insolvency, bankruptcy, composition, reorganisation or other similar laws or (vii) making a conveyance or assignment for the benefit of, or shall enter into any composition with, its creditors generally; or
- (f) an order is made or an effective resolution passed for the liquidation or winding up of the Guarantor LP; or
- (g) if the Guarantor LP ceases or threatens to cease to carry on its business or substantially the whole of its business; or
- (h) a failure to satisfy the Amortization Test on any Calculation Date following the occurrence and during the continuance of an Issuer Event of Default; or

- (i) the Covered Bond Guarantee is not, or is claimed by the Guarantor LP not to be, in full force and effect.

Following the occurrence of a Guarantor LP Event of Default and service of a Guarantor LP Acceleration Notice on the Guarantor LP the Bond Trustee may or shall take such proceedings or steps in accordance with the first and second paragraphs, respectively, of Condition 7.03 and the holders of the Covered Bonds shall have a claim against the Guarantor LP, under the Covered Bond Guarantee, for an amount equal to the Early Redemption Amount together with accrued but unpaid interest and any other amount due under the Covered Bonds (other than additional amounts payable under Condition 8) as provided in the Trust Deed in respect of each Covered Bond.

Enforcement

7.03 The Bond Trustee may at any time, at its discretion and without further notice, take such proceedings against the Issuer and/or the Guarantor LP, as the case may be, and/or any other person as it may think fit to enforce the provisions of the Trust Deed, the Covered Bonds, the Receipts and the Coupons or any other Transaction Document, but it shall not be bound to take any such enforcement proceedings in relation to the Trust Deed, the Covered Bonds, the Receipts or the Coupons or any other Transaction Document unless (i) it shall have been so directed by an Extraordinary Resolution of all the holders of the Covered Bonds of all Series (with the Covered Bonds of all Series taken together as a single Series as described above) or so requested in writing by the holders of not less than 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series then outstanding (taken together and converted into euros at the rate specified in the applicable Final Terms as described above), and (ii) it shall have been indemnified and/or secured to its satisfaction.

The Bond Trustee may at any time, at its discretion and without further notice, take such proceedings against the Guarantor LP and/or any other person as it may think fit to enforce the provisions of the Security Agreement and may, at any time after the Security has become enforceable, take such steps as it may think fit to enforce the Security, but it shall not be bound to take any such steps unless (i) it shall have been so directed by an Extraordinary Resolution of all the holders of the Covered Bonds of all Series (with the Covered Bonds of all Series taken together as a single Series as described above) or a request in writing by the holders of not less than 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series then outstanding (taken together and converted into euros at the Euro Conversion Rate specified in the applicable Final Terms as described above); and (ii) it shall have been indemnified and/or secured to its satisfaction.

In exercising any of its powers, trusts, authorities and discretions the Bond Trustee shall, subject to applicable law, only have regard to the interests of the holders of the Covered Bonds of all Series and shall not have regard to the interests of any other Secured Creditors.

No holder of the Covered Bonds, Receiptholder or Couponholder shall be entitled to proceed directly against the Issuer or the Guarantor LP or to take any action with respect to the Trust Deed, the Covered Bonds, the Receipts, the Coupons, or the Security unless the Bond Trustee, having become bound so to proceed, fails so to do within a reasonable time and such failure shall be continuing. Notwithstanding any other provision of these Terms and Conditions, for so long as there are U.S. Registered Covered Bonds outstanding, in accordance with Section 316(b) of the Trust Indenture Act, the right of any holder to receive payment of principal and interest on the Covered Bonds on or after the due date for such principal or interest, or to institute suit for the enforcement of payment of that principal or interest, may not be impaired or affected without the consent of the holders of the Covered Bonds, provided that no such right of enforcement will exist (i) in respect of a postponement of an interest payment which has been consented to by the holders of the Covered Bonds in accordance with the Trust Deed or (ii) to the extent that the institution or prosecution of such suit or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver or loss of the security granted pursuant to the Trust Deed or the Security Agreement upon any property subject to such security.

8. Taxation

8.01 All amounts payable (whether in respect of principal, interest or otherwise) in respect of the Covered Bonds, Receipts and Coupons by or on behalf of the Issuer will be paid free and clear of and without withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of Canada, any province or territory or political subdivision thereof or any authority or agency therein or thereof having power to tax or, in the case of Covered Bonds, Receipts or Coupons issued by a branch of the Issuer located outside Canada, the country in which such branch is located or any political subdivision thereof or any authority or agency therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments or governmental charges is required by law or the interpretation or administration thereof. In that event, the Issuer will pay such additional amounts as may be necessary in order that the net amounts received by the holder after such withholding or deduction shall equal the respective amounts of principal and interest which would have been received in respect of the Covered Bonds, Receipts or Coupons (as the case may be), in the absence of such withholding or deduction; except that no additional amounts shall be payable with respect to any payment in respect of any Covered Bond, Receipt or Coupon:

- (a) to, or to a third party on behalf of, a holder who is liable for such taxes, duties, assessments or governmental charges in respect of such Covered Bond, Receipt or Coupon by reason of his having some connection with Canada or the country in which such branch is located otherwise than the mere holding of (but not the enforcement of) such Covered Bond, Receipt or Coupon; or
- (b) to, or to a third party on behalf of, a holder in respect of whom such tax, duty, assessment or governmental charge is required to be withheld or deducted by reason of the holder of a right to receive any payments in respect of a Covered Bond or any owner of a beneficial interest in a Covered Bond, Receipt or Coupon being a person with whom the Issuer is not dealing at arm's length (within the meaning of the *Income Tax Act* (Canada)); or
- (c) to, or to a third party on behalf of, a holder who is, or who does not deal at arm's length with a person who is, a "specified shareholder" (within the meaning of subsection 18(5) of the *Income Tax Act* (Canada)) of the Issuer; or
- (d) presented for payment more than 30 days after the Relevant Date except to the extent that the Holder thereof would have been entitled to such additional amount on presenting the same for payment on the thirtieth such day assuming that day to have been a Payment Date (as defined in Condition 9.12); or
- (e) to, or to a third party on behalf of, a holder who is liable for such taxes, duties, assessments or other governmental charges by reason of such holder's failure to comply with any certification, identification, documentation or other reporting requirement concerning the nationality, residence, identity or connection with Canada or the country in which such branch is located of such holder, if (i) compliance is required by law as a precondition to, exemption from, or reduction in the rate of, the tax, assessment or other governmental charge and (ii) the Issuer has given holders at least 30 days' notice that holders will be required to provide such certification, identification, documentation or other requirement; or
- (f) for or on account of any withholding tax or deduction imposed or collected pursuant to Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended (the "**Code**") (or any amended or successor version that is substantively comparable and not materially more onerous to comply with), any current or future regulations or official interpretations thereof, any agreement entered into pursuant to Section 1471(b) of the Code, or any fiscal or regulatory legislation, rules or practices adopted pursuant to any intergovernmental agreement entered into in connection with the implementation of such Sections of the Code, whether currently in effect or as published and amended from time to time (the "**FATCA Withholding Tax Rules**"); or
- (g) where any combination of items (a)-(f) applies.

8.02 For the purposes of these Terms and Conditions, "**Relevant Date**" means, in respect of any Covered Bond, Receipt or Coupon, the date on which payment thereof first becomes due and payable, or, if the full amount of the moneys payable has not been received by the Issuing and Paying Agent, or as the case may be, the Registrar on or prior to such due date, the date on which, the full amount of such moneys shall have been so received and notice to that effect shall have been duly given to the holders in accordance with Condition 14.

8.03 If the Issuer becomes subject generally at any time to any taxing jurisdiction other than or in addition to Canada or the country in which the relevant Branch of Account is located, references in Condition 6.02 and Condition 8.01 to Canada or the country in which the relevant branch is located shall be read and construed as references to Canada or the country in which such branch is located and/or to such other jurisdiction(s), provided, for the avoidance of doubt, that the Issuer shall not be considered to be subject generally to the taxing jurisdiction of the United States for purposes of this Condition 8.03 solely because payments in respect of the Covered Bonds, Receipts and Coupons are subject to a U.S. federal withholding Tax imposed under the FATCA Withholding Tax Rules.

8.04 Any reference in these Terms and Conditions to any payment due in respect of the Covered Bonds, Receipts or Coupons shall be deemed to include any additional amounts which may be payable under this Condition 8. Unless the context otherwise requires, any reference in these Terms and Conditions to “**principal**” shall include any premium payable in respect of a Covered Bond, any Instalment Amount or Final Redemption Amount, any Excess Proceeds which may be payable by the Bond Trustee under or in respect of the Covered Bonds and any other amounts in the nature of principal payable pursuant to these Terms and Conditions and “**interest**” shall include all amounts payable pursuant to Condition 5 and any other amounts in the nature of interest payable pursuant to these Terms and Conditions.

8.05 Should any payments made by the Guarantor LP under the Covered Bond Guarantee be made subject to any withholding or deduction for or on account of taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of Canada, any province or territory or political sub-division thereof or any authority or agency therein or thereof having power to tax, or, in the case of payments made by the Guarantor LP under the Covered Bond Guarantee in respect of Covered Bonds, Receipts or Coupons issued by a branch of the Issuer located outside of Canada, the country in which such branch is located or any political subdivision thereof or by any authority or agency therein or thereof having the power to tax, the Guarantor LP will not be obliged to pay any additional amounts as a consequence.

9. Payments

Payments – Bearer Covered Bonds

9.01 Conditions 9.02 to 9.07 are applicable in relation to Bearer Covered Bonds.

9.02 Payment of amounts (other than interest) due in respect of Bearer Covered Bonds will be made against presentation and (save in the case of partial payment or payment of an Instalment Amount other than the final Instalment Amount) surrender of the relevant Bearer Covered Bonds at the specified office of any of the Paying Agents.

Payment of Instalment Amounts (other than the final Instalment Amount) in respect of an Instalment Covered Bond which is a Bearer Definitive Covered Bond with Receipts will be made against presentation of the Covered Bond together with the relevant Receipt and surrender of such Receipt.

The Receipts are not and shall not in any circumstances be deemed to be documents of title and if separated from the Covered Bond to which they relate will not represent any obligation of the Issuer. Accordingly, the presentation of a Covered Bond without the relevant Receipt or the presentation of a Receipt without the Covered Bond to which it appertains shall not entitle the Holder to any payment in respect of the relevant Instalment Amount.

9.03 Payment of amounts in respect of interest on Bearer Covered Bonds will be made:

- (a) in the case of a Temporary Global Covered Bond or Permanent Global Covered Bond, against presentation of the relevant Temporary Global Covered Bond or Permanent Global Covered Bond at the specified office of any of the Paying Agents outside (unless Condition 9.04 applies) the United States and, in the case of a Temporary Global Covered Bond, upon due certification as required therein;
- (b) in the case of Bearer Definitive Covered Bonds without Coupons attached thereto at the time of their initial delivery, against presentation of the relevant Bearer Definitive Covered Bonds at the specified office of any of the Paying Agents outside (unless Condition 9.04 applies) the United States; and

- (c) in the case of Bearer Definitive Covered Bonds delivered with Coupons attached thereto at the time of their initial delivery, against surrender of the relevant Coupons or, in the case of interest due otherwise than on an Interest Payment Date, against presentation of the relevant Bearer Definitive Covered Bonds, in either case at the specified office of any of the Paying Agents outside (unless Condition 9.04 applies) the United States.

9.04 Notwithstanding the foregoing (and in relation to payments in U.S. dollars only), payments of amounts due in respect of interest on the Bearer Covered Bonds and exchanges of Talons for Coupon sheets in accordance with Condition 9.07 will not be made at the specified office of any Paying Agent in the United States (as defined in the United States Internal Revenue Code of 1986, as amended, and Regulations promulgated thereunder) unless (i) payment in full of amounts due in respect of interest on such Covered Bonds when due or, as the case may be, the exchange of Talons at all the specified offices of the Paying Agents outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions and (ii) such payment or exchange is permitted by applicable United States law. If clauses (i) and (ii) of the previous sentence apply, the Issuer shall forthwith appoint a further Paying Agent with a specified office in New York City.

9.05 If the due date for payment of any amount due in respect of any Bearer Covered Bond is not a Payment Day (as defined in Condition 9.12), then the Holder thereof will not be entitled to payment thereof until the next day which is a Payment Day and no further payment on account of interest or otherwise shall be due in respect of such postponed payment unless there is a subsequent failure to pay in accordance with these Terms and Conditions in which event interest shall continue to accrue as provided in Condition 5.07 or, if appropriate, Condition 5.11.

9.06 Each Bearer Definitive Covered Bond initially delivered with Coupons, Talons or Receipts attached thereto should be presented and, save in the case of partial payment of the Redemption Amount, surrendered for final redemption together with all unmatured Receipts, Coupons and Talons relating thereto, failing which:

- (a) if the applicable Final Terms, specify that this paragraph (a) of Condition 9.06 is applicable (and, in the absence of specification, this paragraph (a) shall apply to Bearer Definitive Covered Bonds which bear interest at a fixed rate or in fixed amounts) the amount of any missing unmatured Coupons (or, in the case of a payment not being made in full, that portion of the amount of such missing Coupon which the Redemption Amount paid bears to the Redemption Amount due) relating to Bearer Definitive Covered Bonds that are Fixed Rate Covered Bonds or bear interest in fixed amounts will be deducted from the amount otherwise payable on such final redemption, the amount so deducted being payable against surrender of the relevant Coupon at the specified office of any of the Paying Agents at any time within two years of the Relevant Date applicable to payment of such Redemption Amount (whether or not the Issuer's obligation to make payment in respect of such Coupon would otherwise have ceased under Condition 10);
- (b) if the applicable Final Terms specify that this paragraph (b) of Condition 9.06 is applicable (and, in the absence of specification, this paragraph (b) shall apply to Bearer Definitive Covered Bonds which bear interest at a floating rate or rates in variable amounts), all unmatured Coupons relating to such Bearer Definitive Covered Bonds that are Floating Rate Covered Bonds or that bear interest in variable amounts (whether or not such Coupons are surrendered therewith) shall become void and no payment shall be made thereafter in respect of them;
- (c) in the case of Bearer Definitive Covered Bonds initially delivered with Talons attached thereto, all unmatured Talons (whether or not surrendered therewith) shall become void and no exchange for Coupons shall be made thereafter in respect of them; and
- (d) in the case of Bearer Definitive Covered Bonds initially delivered with Receipts attached thereto, all Receipts relating to such Covered Bonds in respect of a payment of an Instalment Amount which (but for such redemption) would have fallen due on a date after such due date for redemption (whether or not surrendered therewith) shall become void and no payment shall be made thereafter in respect of them.

The provisions of paragraph (a) of this Condition 9.06 notwithstanding, if any Bearer Definitive Covered Bonds should be issued with a Final Maturity Date and Rate or Rates of Interest such that, on the presentation for payment of any such Bearer Definitive Covered Bond without any unmatured Coupons attached thereto or surrendered therewith, the amount required by paragraph (a) to be deducted would be greater than the Redemption Amount otherwise due for payment, then, upon the due date for redemption of any such Bearer Definitive Covered Bond, such unmatured Coupons (whether or not attached) shall become void (and no payment shall be made in respect thereof) as shall be required so that, upon application of the provisions of paragraph (a) in respect of such Coupons as have not so become void, the amount required by paragraph (a) to be deducted would not be greater than the Redemption Amount otherwise due for payment. Where the application of the foregoing sentence requires some but not all of the unmatured Coupons relating to a Bearer Definitive Covered Bond to become void, the relevant Paying Agent shall determine which unmatured Coupons are to become void, and shall select for such purpose Coupons maturing on later dates in preference to Coupons maturing on earlier dates.

9.07 In relation to Bearer Definitive Covered Bonds initially delivered with Talons attached thereto, on or after the Interest Payment Date of the final Coupon comprised in any Coupon sheet, the Talon comprised in the Coupon sheet may be surrendered at the specified office of any Paying Agent outside (unless Condition 9.04 applies) the United States in exchange for a further Coupon sheet (including any appropriate further Talon), subject to the provisions of Condition 10 below. Each Talon shall, for the purpose of these Terms and Conditions, be deemed to mature on the Interest Payment Date on which the final Coupon comprised in the relevant Coupon sheet matures.

Payments – Registered Covered Bonds

9.08 Condition 9.09 is applicable in relation to Registered Covered Bonds.

9.09 Payments of principal (other than instalments of principal prior to the final instalment) in respect of each Registered Covered Bond (whether or not in global form) will be made against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Registered Covered Bond at the specified office of the Registrar or any of the Paying Agents. Such payments will be made by electronic transfer to the Designated Account (as defined below) of the holder (or the first named of joint holders) of the Registered Covered Bond appearing in the register of holders of the Registered Covered Bonds maintained by the Registrar (the “**Register**”) at the close of business on the third Business Day (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar is located) before the relevant due date. Notwithstanding the previous sentence, if (i) a holder does not have a “Designated Account” or (ii) the principal amount of the Covered Bonds held by a holder is less than U.S.\$250,000 (or its approximate equivalent in any other Specified Currency), payment will instead be made by a cheque in the Specified Currency drawn on a Designated Bank (as defined below). For these purposes, “**Designated Account**” means the account (which, in the case of a payment in Japanese Yen to a non-resident of Japan, shall be a non-resident account) maintained by a holder with a “Designated Bank” and identified as such in the Register and Designated Bank means (in the case of payment in a Specified Currency other than euro) a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively) and (in the case of a payment in euro) any bank which processes payments in euro.

Payments of interest and payments of instalments of principal (other than the Final Redemption Amount) in respect of each Registered Covered Bond (whether or not in global form) will be made by a cheque in the Specified Currency drawn on a Designated Bank and mailed by uninsured mail on the Business Day in the city where the specified office of the Registrar is located on the relevant due date to the holder (or the first named of joint holders) of the Registered Covered Bond appearing in the Register at the close of business on (i) the first clearing system business day (where “**clearing system business day**” means Monday to Friday inclusive except for December 25 and January 1) (in relation to Global Covered Bonds); and (ii) the fifteenth day (in relation to Registered Definitive Covered Bonds), whether or not such fifteenth day is a Business Day, before the relevant due date (the “**Record Date**”) at the holder’s address shown in the Register on the Record Date and at the holder’s risk. Upon application of the holder to the specified office of the Registrar not less than three Business Days in the city where the specified office of the Registrar is located before the due date for any payment of interest in respect of a Registered Covered Bond, the payment may be made by electronic transfer on the due date in the manner provided in the preceding paragraph. Any such application for electronic transfer shall be deemed to relate to all future payments of interest (other than interest due on redemption) and instalments of principal (other than the final instalment) in respect of the Registered Covered Bonds which become payable to the holder who has made the initial application until such time as the Registrar is notified in writing to the contrary by such holder. Payment of the interest due in respect of each Registered Covered Bond on redemption and the final instalment of principal will be made in the same manner as payment of the principal in respect of such Registered Covered Bond.

Holders of Registered Covered Bonds will not be entitled to any interest or other payment for any delay in receiving any amount due in respect of any Registered Covered Bond as a result of a cheque posted in accordance with this Condition arriving after the due date for payment or being lost in the post. No commissions or expenses shall be charged to such holders by the Registrar in respect of any payments of principal or interest in respect of the Registered Covered Bonds.

All amounts payable to DTC or its nominee as registered holder of a Registered Global Covered Bond in respect of Covered Bonds denominated in a Specified Currency other than U.S. dollars shall be paid by electronic transfer by the Registrar to an account in the relevant Specified Currency of the Exchange Agent on behalf of DTC or its nominee for conversion into and payment in U.S. dollars in accordance with the provisions of the Agency Agreement.

None of the Issuer, the Guarantor LP, the Bond Trustee or the Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Registered Global Covered Bonds or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

If the due date for payment of any amount due in respect of any Registered Covered Bond is not a Payment Day (as defined in Condition 9.12), then the holder thereof will not be entitled to payment thereof until the next day which is a Payment Day and no further payment on account of interest or otherwise shall be due in respect of such postponed payment unless there is a subsequent failure to pay in accordance with these Terms and Conditions in which event interest shall continue to accrue as provided in Condition 5.07 or, if appropriate, Condition 5.11.

Payments – General Provisions

Rules.

9.13 No commissions or expenses shall be charged to the Holders of Covered Bonds or Coupons in respect of such payments.

10. Prescription

10.01 Subject to applicable law, the Issuer's obligation to pay an amount of principal and interest in respect of Covered Bonds will cease if the Covered Bonds or Coupons, as the case may be, are not presented within two years after the Relevant Date (as defined in Condition 8.02) for payment thereof, or such other length of time as is specified in the Final Terms.

10.02 In relation to Bearer Definitive Covered Bonds initially delivered with Talons attached thereto, there shall not be included in any Coupon sheet issued upon exchange of a Talon any Coupon which would be void pursuant to Condition 9.06 or this Condition 10 or the maturity date or due date for the payment of which would fall after the due date for the redemption of the relevant Covered Bond, or any Talon maturity date of which would fall after the due date for the redemption of the relevant Covered Bond.

11.01 The initial Paying Agents, the Registrar, the Transfer Agents and the Exchange Agent and their respective initial specified offices are specified below. The Calculation Agent in respect of any Covered Bonds and any additional or other Paying Agents shall be specified in the applicable Final Terms. The Issuer or the Guarantor LP reserve the right, without approval of the Bond Trustee, at any time to vary or terminate the appointment of any Paying Agent (including the Issuing and Paying Agent), any Transfer Agent(s), the Registrar, the Exchange Agent or the Calculation Agent and to appoint additional or other Paying Agents, Transfer Agents or another Registrar, Exchange Agent or Calculation Agent provided that the Issuer or the Guarantor LP will at all times maintain (i) an Issuing and Paying Agent, (ii) in the case of Registered Covered Bonds, a Registrar, (iii) following the issuance of Bearer Definitive Covered Bonds, and while any such Bearer Definitive Covered Bonds are outstanding, a Paying Agent (which may be the Issuing and Paying Agent) with a specified office in a continental European city, (iv) so long as the Covered Bonds are admitted to the Official List and to trading on the London Stock Exchange and/or admitted to listing or trading on any other stock exchange or relevant authority, a Paying Agent (in the case of Bearer Covered Bonds) and a Transfer Agent (in the case of Registered Covered Bonds), which may in either case be the Issuing and Paying Agent, each with a specified office in London and/or in such other place as may be required by the rules of such other stock exchange or other relevant authority, (v) in the circumstances described in Condition 9.04, a Paying Agent with a specified office in New York City, (vi) a Calculation Agent where required by the Terms and Conditions applicable to any Covered Bonds, and (vii) so long as any of the Registered Global Covered Bonds payable in a Specified Currency other than U.S. dollars are held through DTC or its nominee, there will at all times be an Exchange Agent with a specified office in the United States (in the case of (i), (ii), (iii) and (vii) with a specified office located in such place (if any) as may be required by the Terms and Conditions). The Agents, the Registrar and the Calculation Agent reserve the right at any time to change their respective specified offices to some other specified office in the same metropolitan area. Notice of all changes in the identities or specified offices of any Agent, the Registrar or the Calculation Agent will be given promptly by the Issuer or the Guarantor LP to the Holders in accordance with Condition 14.

11.02 The Agents, the Registrar and the Calculation Agent act solely as agents of the Issuer and, the Guarantor LP, and, in certain circumstances of the Bond Trustee, and save as provided in the Agency Agreement or any other agreement entered into with respect to its appointment, do not assume any obligations towards or relationship of agency or trust for any Holder of any Covered Bond, Receipt or Coupon and each of them shall only be responsible for the performance of the duties and obligations expressly imposed upon it in the Agency Agreement or other agreement entered into with respect to its appointment or incidental thereto.

11.03 Notwithstanding the foregoing, the Issuing and Paying Agent, on behalf of itself and the other Paying Agents, shall have the right to decline to act as the Paying Agent with respect of any Covered Bonds issued pursuant to the Programme that are payable and/or dischargeable by the Issuer by the payment or delivery of securities and/or other property or any combination of cash, securities and/or property whereupon the Issuer or an affiliate thereof shall either (i) act as Paying Agent or (ii) engage another financial institution to act as Paying Agent in respect of such Covered Bonds. The Final Terms relating to such Covered Bonds shall include the relevant details regarding the applicable Paying Agent.

12. Replacement of Covered Bonds

If any Covered Bond, Receipt or Coupon is lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Issuing and Paying Agent or any Paying Agent (in the case of Bearer Covered Bonds and Coupons) or of the Registrar or any Transfer Agent (in the case of Registered Covered Bonds) (the **"Replacement Agent"**), subject to all applicable laws and the requirements of any stock exchange on which the Covered Bonds are listed, upon payment by the claimant of all expenses incurred in connection with such replacement and upon such terms as to evidence, security, indemnity and otherwise as the Issuer and the Replacement Agent may require. Mutilated or defaced Covered Bonds, Receipts and Coupons must be surrendered before replacements will be delivered therefor.

13. Meetings of Holders of the Covered Bonds, Modification and Waiver

Meetings of the Holders of the Covered Bonds

13.01 The Trust Deed contains provisions for convening meetings of the holders of the Covered Bonds to consider any matter affecting their interests, including the modification by Extraordinary Resolution of these Terms and Conditions or the provisions of the Trust Deed. The quorum at any such meeting in respect of any Covered Bonds of any Series for passing an Extraordinary Resolution is one or more persons holding or representing not less than a clear majority of the aggregate Principal Amount Outstanding of the Covered Bonds of such Series for the time being outstanding, or in the event quorum is not present at the initial meeting and notice is provided of any adjournment of such meeting, at such adjourned meeting one or more persons being or representing holders of the Covered Bonds whatever the nominal amount of the Covered Bonds of such Series so held or represented, except that (i) at any meeting the business of which includes the modification of any Series Reserved Matter (as defined below), the quorum shall be one or more persons holding or representing not less than two-thirds of the aggregate Principal Amount Outstanding of the Covered Bonds of such Series for the time being outstanding, or in the event quorum is not present at the initial meeting and notice is provided of any adjournment of such meeting, at such adjourned meeting one or more persons holding or representing not less than one third of the aggregate Principal Amount Outstanding of the Covered Bonds of such Series for the time being outstanding, and (ii) at any meeting the business of which is modification of any Bondholder Reserved Matter (as defined below) each affected holder of a Covered Bond shall consent to such modification; no such modification shall affect any holder of a Covered Bond that does not so consent. An Extraordinary Resolution passed at any meeting of the holders of the Covered Bonds of a Series shall, subject as provided below, be binding on all the holders of the Covered Bonds of such Series, whether or not they are present at the meeting, and on all Receiptholders and Couponholders in respect of such Series of Covered Bonds. Pursuant to the Trust Deed, the Bond Trustee may convene a single meeting of the holders of Covered Bonds of more than one Series if in the opinion of the Bond Trustee there is no conflict between the holders of such Covered Bonds, in which event the provisions of this paragraph shall apply thereto *mutatis mutandis*.

Notwithstanding the provisions of the immediately preceding paragraph, any Extraordinary Resolution to direct the Bond Trustee to accelerate the Covered Bonds pursuant to Condition 7 or to direct the Bond Trustee to take any enforcement action (a “**Programme Resolution**”) shall only be capable of being passed at a single meeting of the holders of the Covered Bonds of all Series then outstanding. Any such meeting to consider a Programme Resolution may be convened by the Issuer, the Guarantor LP or the Bond Trustee or by holders of the Covered Bonds of any Series. The quorum at any such meeting for passing a Programme Resolution is one or more persons holding or representing at least a clear majority of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series for the time being outstanding or in the event quorum is not present at the initial meeting and notice is provided of any adjournment of such meeting, at such adjourned meeting one or more persons holding or representing Covered Bonds whatever the nominal amount of the Covered Bonds of any Series so held or represented. A Programme Resolution passed at any meeting of the holders of the Covered Bonds of all Series shall be binding on all holders of the Covered Bonds of all Series, whether or not they are present at the meeting, and on all related Receiptholders and Couponholders in respect of such Series of Covered Bonds.

In connection with any meeting of the holders of Covered Bonds of more than one Series the Covered Bonds of any Series not denominated in euros shall be converted into euros at the Euro Conversion Rate specified in the applicable Final Terms.

Modification and Waiver

13.02 The Bond Trustee, the Guarantor LP and the Issuer may also agree, without the consent of the holders of the Covered Bonds, Receiptholders or Couponholders of any Series and without the consent of the other Secured Creditors (and for this purpose the Bond Trustee may disregard whether any such modification relates to a Series Reserved Matter), to:

- (a) any modification of the Covered Bonds of one or more Series, the related Receipts and/or Coupons or any Transaction Document provided that in the opinion of the Bond Trustee such modification is not materially prejudicial to the interests of any of the holders of the Covered Bonds of any Series; or
- (b) any modification of the Covered Bonds of any one or more Series, the related Receipts and/or Coupons or any Transaction Document which is of a formal, minor or technical nature or is in the opinion of the Bond Trustee made to correct a manifest or proven error

or to comply with mandatory provisions of law; or

- (c) any modification (other than in respect of a Series Reserved Matter, provided that a Base Rate Modification (as defined below) will not constitute a Series Reserved Matter) to the Conditions and/or any Transaction Document (including, for the avoidance of doubt but without limitation, the Covered Bond Swap Agreement in relation to the relevant Series of Covered Bonds and subject to the consent only of the Secured Creditors (i) party to the relevant Transaction Document being amended or (ii) whose ranking in any Priorities of Payments is affected) that the Issuer considers necessary for the purpose of changing the base rate in respect of the Covered Bonds from a Reference Rate to an alternative base rate (any such rate, an “**Alternative Base Rate**”) and making such other amendments as are necessary or advisable in the reasonable judgment of the Issuer to facilitate such change (a “**Base Rate Modification**”), provided that:

(A) the Issuer certifies to the Bond Trustee in writing (such certificate, a “**Base Rate Modification Certificate**”) that:

- (i) such Base Rate Modification is being undertaken due to:
 - (I) a material disruption to the relevant Reference Rate, an adverse change in the methodology of calculating the relevant Reference Rate or the relevant Reference Rate ceasing to exist or be published;
 - (II) the insolvency or cessation of business of the administrator of the Reference Rate (in circumstances where no successor administrator has been appointed);
 - (III) a public statement by the administrator of the relevant Reference Rate that it will cease publishing such Reference Rate permanently or indefinitely (in circumstances where no successor administrator for the Reference Rate has been appointed that will continue publication of the relevant Reference Rate) and such cessation is reasonably expected by the Issuer to occur prior to the Final Maturity Date or the Extended Due for Payment Date, as applicable;
 - (IV) a public statement by the supervisor of the administrator of the relevant Reference Rate that such Reference Rate has been or will be permanently or indefinitely discontinued or will be changed in an adverse manner and such cessation is reasonably expected by the Issuer to occur prior to the Final Maturity Date or the Extended Due for Payment Date, as applicable;
 - (V) a public statement by the supervisor of the administrator of the relevant Reference Rate that means such Reference Rate may no longer be used[, is no longer representative of relevant underlying market(s)] or that its use is or will be subject to restrictions or adverse consequences; or;
 - (VI) it has become unlawful for any Paying Agent, the Calculation Agent or the Issuer to calculate any payments due to be made to any holders of the Covered Bonds or Couponholders of any Series using the relevant Reference Rate; or
 - (VII) the reasonable expectation of the Issuer that any of the events specified in sub-paragraphs (I), (II), (III), (IV), (V) or (VI) will occur or exist within six months of the proposed effective date of such Base Rate Modification.
- (ii) the modifications proposed are required solely for the purpose of applying the Alternative Base Rate and making consequential modifications to any Transaction Document which are, as reasonably determined by the Issuer as necessary or advisable in its reasonable judgement, and the modifications have been drafted solely to such effect; and
- (iii) the consent of each Secured Creditor (x) which is party to the

relevant Transaction Document being amended, or (y) whose ranking in any Priorities of Payments is affected has been obtained (evidence of which shall be provided by the Issuer to the Bond Trustee with the Base Rate Modification Certificate) and, subject to Condition 13.02(c)(G), no other consents are required to be obtained in relation to the Base Rate Modification; and

- (B) such Alternative Base Rate is:
- (i) a base rate published, endorsed, approved or recognised by the Bank of England, the Federal Reserve or the European Central Bank [or central bank, reserve bank, monetary authority or similar institution for the currency to which the Reference Rate relates], any regulator in the United States, the United Kingdom or the European Union [or the country whose currency relates to the relevant Reference Rate] or any stock exchange on which the Covered Bonds are listed or any relevant committee or other body established, sponsored or approved by any of the foregoing); or
 - (ii) in relation to LIBOR, the Sterling Over Night Index Average or the [Secured Overnight Financing Rate] [and in relation to CDOR, the Canadian Overnight Repo Rate Average] (or [in each case] any rate which is derived from, based upon or otherwise similar to any of the foregoing); or
 - (iii) a base rate utilised in a material number of publicly-listed [publicly-offered or benchmark] new issues of floating rate covered bonds or floating rate senior unsecured notes prior to the effective date of such Base Rate Modification (for these purposes, 5 such issues shall be considered material); or
 - (iv) a base rate utilised in a publicly-listed [publicly-offered or benchmark] new issue of floating rate covered bonds where the issuer (or, in the case of asset backed securities, the originator of the relevant assets) is the Issuer or a Subsidiary of the Issuer.
- (C) at least 30 days' prior written notice of any Base Rate Modification has been given to the Bond Trustee;
- (D) the Base Rate Modification Certificate is provided to the Bond Trustee at the time the Bond Trustee is notified of the Base Rate Modification and on the effective date of such Base Rate Modification;
- (E) with respect to each Rating Agency, a Rating Agency Confirmation (as defined in Condition 20) has been obtained;
- (F) the Issuer pays (or arranges for the payment of) all fees, costs and expenses (including legal fees) properly incurred by the Bond Trustee in connection with such Base Rate Modification;
- (G) the Issuer has provided at least 30 days' notice to the Covered Bondholders of the relevant Series of Covered Bonds of the Base Rate Modification in accordance with Condition 14 and by publication on Bloomberg on the "Company News" screen relating to the Covered Bonds (in each case specifying the date and time by which Covered Bondholders must respond), and Covered Bondholders representing at least 10 per cent. of the aggregate Principal Amount Outstanding of the relevant Series of Covered Bonds then outstanding have not notified the Issuer or the Issuing and Paying Agent in accordance with the then current practice of any applicable Clearing System through which such Covered Bonds may be held by the time specified in such notice that such Covered Bondholders do not consent to the Base Rate Modification;

If Covered Bondholders representing at least 10 per cent. of the aggregate Principal Amount outstanding of the relevant Series of Covered Bonds then outstanding have notified the Issuer or the Issuing and Paying Agent in accordance with the then current practice of any applicable Clearing System through which the Covered Bonds may be held or in the manner specified in the next following paragraph of this Condition 13.02 where there is no applicable Clearing System by the time specified in such notice that

such Covered Bondholders do not consent to the Base Rate Modification, then the Base Rate Modification will not be made unless an Extraordinary Resolution of the Covered Bondholders of the relevant Series then outstanding is passed in favour of the Base Rate Modification in accordance with this Condition 13.

Where there is no applicable Clearing System, Covered Bondholders may object in writing to a Base Rate Modification by notifying the Issuer or the Issuing and Paying Agent but any such objection in writing must be accompanied by evidence to the Bond Trustee's satisfaction (having regard to prevailing market practices) of the relevant Covered Bondholder's holding of the Covered Bonds.

For the avoidance of doubt, the Issuer may give effect to an Alternative Base Rate on more than one occasion provided that the conditions set out in this Condition 13.02(c) are satisfied.

- (d) When implementing any modification pursuant to Condition 13.02(c);
 - (A) the Bond Trustee shall not consider the interests of the Covered Bondholders, any other Secured Creditor or any other person and shall act and rely solely and without investigation or liability on any Base Rate Modification Certificate or other certificate or evidence provided to it by the Issuer and shall not be liable to the Covered Bondholders, any other Secured Creditor or any other person for so acting or relying, irrespective of whether any such modification is or may be materially prejudicial to the interests of any such person; and
 - (B) the Bond Trustee shall not be obliged to agree to any modification which, in the sole opinion of the Bond Trustee, would have the effect of (i) exposing the Bond Trustee to any liability against which it has not been indemnified and/or secured and/or pre-funded to its satisfaction or (ii) increasing the obligations or duties, or decreasing the rights, powers, authorisations, discretions, indemnification or protections, of the Bond Trustee in the Transaction Documents and/or these Conditions.

The Bond Trustee (without the consent of the holders of the Covered Bonds of any Series or the related Couponholders) or the holders of Covered Bonds by Extraordinary Resolution (without the consent of the Bond Trustee), may also agree to (i) the waiver or authorization of any breach or proposed breach of any of the provisions of the Covered Bonds of any Series, or determine, without any such consent as described above, that any Issuer Event of Default or Guarantor LP Event of Default or Potential Issuer Event of Default or Potential Guarantor LP Event of Default shall not be treated as such, or (ii) any amendment or modification to increase the maximum Asset Percentage (as the same may be adjusted in accordance with this Condition 13), provided that, in any such case, it is not, in the opinion of the Bond Trustee, materially prejudicial to the interests of any of the holders of the Covered Bonds of any Series. Notwithstanding any other provisions of these Conditions, the right of any holder of a U.S. Registered Covered Bond to receive payment of principal and interest on the U.S. Registered Covered Bond, on or after the respective due dates expressed in the U.S. Registered Covered Bond, or to bring suit for the enforcement of any such payment on or after such respective due dates, shall not be impaired or affected without the consent of the holder of such U.S. Registered Covered Bond.

Any such modification, waiver, authorization or determination shall be binding on all holders of the Covered Bonds of all Series of Covered Bonds for the time being outstanding, the related Receiptholders and the Couponholders and on the other Secured Creditors, provided that the right of any holder of a Covered Bond to receive payment of principal and interest on the Covered Bond, on or after the respective due date expressed in the Covered Bond, or to bring suit for the enforcement of any such payment on or after such respective due dates, shall not be impaired or affected without the consent of the holder of the Covered Bond, and unless the Bond Trustee otherwise agrees, any such modification shall be notified by the Issuer to the holders of the Covered Bonds of all Series of Covered Bonds for the time being outstanding and to the other Secured Creditors in accordance with the relevant terms and conditions as soon as practicable thereafter.

In connection with the exercise by it of any of its trusts, powers, authorities and discretions (including, without limitation, any modification, waiver, authorization or determination), the Bond Trustee shall have regard to the general interests of the holders of the Covered Bonds of each Series as a class (but shall not have regard to any interests arising from circumstances particular

to individual holders of the Covered Bonds, Receiptholders or Couponholders whatever their number) and, in particular but without limitation, shall not have regard to the consequences of any such exercise for individual holders of the Covered Bonds, the related Receiptholders, Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political subdivision thereof and the Bond Trustee shall not be entitled to require, nor shall any holder of the Covered Bonds, Receiptholder or Couponholder be entitled to claim, from the Issuer, the Guarantor LP, the Bond Trustee or any other person any indemnification or payment in respect of any tax consequences of any such exercise upon individual holders of the Covered Bonds, Receiptholders and/or Couponholders, except to the extent already provided for in Condition 8 and/or in any undertaking or covenant given in addition to, or in substitution for, Condition 8 pursuant to the Trust Deed.

For the purposes of these Terms and Conditions:

“Bondholder Reserved Matter” in relation to a Covered Bond means: (i) reduction or cancellation of the amount payable or, where applicable, modification of the method of calculating the amount payable or modification of the date of payment or, where applicable, modification of the method of calculating the date of payment in respect of any principal or interest in respect of the Covered Bonds; and (ii) any change to the definition of Bondholder Reserved Matter;

“Potential Issuer Event of Default” means any condition, event or act which, with the lapse of time and/or the issue, making or giving of any notice, certification, declaration, demand, determination and/or request and/or the taking of any similar action and/or the fulfilment of any similar condition, would constitute an Issuer Event of Default;

“Potential Guarantor LP Event of Default” means any condition, event or act which, with the lapse of time and/or the issue, making or giving of any notice, certification, declaration, demand, determination and/or request and/or the taking of any similar action and/or the fulfilment of any similar condition, would constitute a Guarantor LP Event of Default; and

“Series Reserved Matter” in relation to Covered Bonds of a Series means: (i) reduction or cancellation of the amount payable or, where applicable, modification of the method of calculating the amount payable (other than, for the avoidance of doubt, a Base Rate Modification) or modification of the date of payment or, where applicable, modification of the method of calculating the date of payment in respect of any principal or interest in respect of the Covered Bonds; (ii) subject to any applicable redenomination provisions specified in the applicable Final Terms, alteration of the currency in which payments under the Covered Bonds, Receipts and Coupons are to be made; (iii) alteration of the majority required to pass an Extraordinary Resolution; (iv) any amendment to the Covered Bond Guarantee or the Security Agreement (except in a manner determined by the Bond Trustee not to be materially prejudicial to the interests of the holders of the Covered Bonds of any Series); (v) except in accordance with Condition 13, the sanctioning of any such scheme or proposal for the exchange or sale of the Covered Bonds for or the conversion of the Covered Bonds into, or the cancellation of the Covered Bonds in consideration of, shares, stock, covered bonds, bonds, debentures, debenture stock and/or other obligations and/or securities of the Issuer or any other company formed or to be formed, or for or into or in consideration of cash, or partly for or into or in consideration of such shares, stock, bonds, covered bonds, debentures, debenture stock and/or other obligations and/or securities as described above and partly for or into or in consideration of cash and for the appointment of some person with power on behalf of the holders of the Covered Bonds to execute an instrument of transfer of the Registered Covered Bonds held by them in favour of the persons with or to whom the Covered Bonds are to be exchanged or sold respectively; and (vi) alteration of specific sections of the Trust Deed relating to quorum and procedure for meetings of holders of Covered Bonds.

14. Notices

To Holders of Bearer Definitive Covered Bonds

14.01 Notices to Holders of Bearer Definitive Covered Bonds will be deemed to be validly given if published in a leading daily newspaper having general circulation in London (which is expected to be the *Financial Times*). The Issuer shall also ensure that notices are duly published in compliance with the requirements of each stock exchange or any other relevant authority on which the Covered Bonds are listed, including publication on the website of the relevant stock exchange or relevant authority if required by those rules. Any notice so given will be deemed to have been validly given on the date of first such publication (or, if required to be published in more than one newspaper,

on the first date on which publication shall have been made in all the required newspapers). Holders of Coupons will be deemed for all purposes to have notice of the contents of any notice given to Holders of Bearer Covered Bonds in accordance with this Condition.

To Holders of Registered Definitive Covered Bonds

14.02 Notices to Holders of Registered Definitive Covered Bonds to the Issuer or Guarantor LP, save where another means of effective communication has been specified herein or in the Final Terms, will be deemed to be validly given if sent by first class mail (or equivalent) or, if posted to an overseas address, by air mail to them (or, in the case of joint Holders, to the first-named in the register kept by the Registrar) at their respective addresses as recorded in the register kept by the Registrar, and will be deemed to have been validly given on the fourth weekday after the date of such mailing or, if posted from another country, on the fifth such day. The Issuer shall also ensure that notices are duly published in compliance with the requirements of each stock exchange or any other relevant authority on which the Covered Bonds are listed, including on the website of the relevant stock exchange or relevant authority if required by those rules.

To Issuer

14.03 Notices to be given by any holder of Covered Bonds shall be in writing and given by lodging the same, together with the relevant Covered Bond or Covered Bonds, with the Issuing and Paying Agent or the Registrar, as the case may be. While any of the Covered Bonds are represented by a Global Covered Bond, such notice may be given by any accountholder to the Issuing and Paying Agent through Euroclear and/or Clearstream, as the case may be, in such manner as the Issuing and Paying Agent or the Registrar and Euroclear and/or Clearstream, as the case may be, may approve for this purpose.

Global Covered Bonds

14.04 So long as the Covered Bonds are represented in their entirety by any Global Covered Bonds held on behalf of DTC, CDS, Euroclear and/or Clearstream, there may be substituted for publication in newspaper(s) (in accordance with Condition 14.01) the delivery of the relevant notice to DTC, CDS, Euroclear and/or Clearstream for communication by them to the holders of the Covered Bonds and, in addition, for so long as any Covered Bonds are listed on a stock exchange or admitted to listing by any other relevant authority and the rules of the stock exchange, or as the case may be, other relevant authority so require, such notice will be published in a daily newspaper of general circulation in the place or places required by that stock exchange or, as the case may be, or any other relevant authority. Any such notice shall be deemed to have been given to the holders of the Covered Bonds on the day on which the said notice was given to DTC, CDS, Euroclear and/or Clearstream.

15. Further Issues

The Issuer may from time to time, without the consent of the Holders of any Covered Bonds or Coupons, create and issue further Covered Bonds having the same terms and conditions as such Covered Bonds in all respects (or in all respects except for the first payment of interest, if any, on them and/or the Specified Denomination thereof) so as to form a single series with the Covered Bonds of any particular Series.

16. Currency Indemnity

The currency in which the Covered Bonds are denominated or, if different, payable, as specified in the Final Terms (the “**Contractual Currency**”), is the sole currency of account and payment for all sums payable by the Issuer in respect of the Covered Bonds, including damages. Any amount received or recovered in a currency other than the Contractual Currency (whether as a result of, or of the enforcement of, a judgement or order of a court of any jurisdiction or otherwise) by any Holder of a Covered Bond or Coupon in respect of any sum expressed to be due to it from the Issuer shall only constitute a discharge to the Issuer to the extent of the amount in the Contractual Currency which such Holder is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first day on which it is practicable to do so). If that amount is less than the amount in the Contractual Currency expressed to be due to any Holder of a Covered Bond or Coupon in respect of such Covered Bond or Coupon the Issuer shall indemnify such Holder against any loss sustained by such Holder as a result. In any event, the Issuer shall indemnify each such Holder against any cost of making such purchase which is reasonably incurred. These indemnities constitute a

separate and independent obligation from the Issuer's other obligations, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Holder of a Covered Bond or Coupon and shall continue in full force and effect despite any judgement, order, claim or proof for a liquidated amount in respect of any sum due in respect of the Covered Bonds or any judgement or order. Any such loss shall be deemed to constitute a loss suffered by the relevant Holder of a Covered Bond or Coupon and no proof or evidence of any actual loss will be required by the Issuer.

17. Waiver and Remedies

No failure to exercise, and no delay in exercising, on the part of the Holder of any Covered Bond, any right hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or future exercise thereof or the exercise of any other right. Rights hereunder shall be in addition to all other rights provided by law. No notice or demand given in any case shall constitute a waiver of rights to take other action in the same, similar or other instances without such notice or demand.

18. Branch of Account

18.01 For the purposes of the *Bank Act* the branch of account of the Bank shall be the main Toronto branch unless otherwise specified in the applicable Final Terms (the "**Branch of Account**"). Covered Bonds, irrespective of the Branch of Account specified in the applicable Final Terms, are obligations of the Bank.

18.02 This Covered Bond will be paid without the necessity of first being presented for payment at the Branch of Account.

18.03 If the Branch of Account is not in Canada, the Bank may change the Branch of Account for the deposits evidenced by this Covered Bond, upon not less than seven days' prior notice to its Holder given in accordance with Condition 14 and upon and subject to the following terms and conditions:

- (a) if this Covered Bond is denominated in Yen, the Branch of Account shall not be in Japan;
- (b) the Issuer shall indemnify and hold harmless the holders of the Covered Bonds, Coupons and Receipts relating thereto against any tax, duty, assessment or governmental charge which is imposed or levied upon such Holder as a consequence of such change, and shall pay the reasonable costs and expenses of the Issuing and Paying Agent in connection with such change; and
- (c) notwithstanding (b) above, no change of the Branch of Account may be made unless immediately after giving effect to such change (i) no Issuer Event of Default, Guarantor LP Event of Default, Potential Issuer Event of Default or Potential Guarantor LP Event of Default shall have occurred and be continuing and (ii) payments of principal, interest or other amounts on Covered Bonds of this Series, Coupons and Receipts relating thereto to Holders thereof (other than Excluded Holders, as hereinafter defined) shall not, in the opinion of counsel to the Issuer, be subject to any taxes, as hereinafter defined, to which they would not have been subject had such change not taken place. For the purposes of this section, an "**Excluded Holder**" means a Holder of a Covered Bond of this Series, Coupons or Receipts relating thereto who is subject to taxes by reason of its having some connection with the Relevant Jurisdiction other than the mere holding of a Covered Bond of this Series, Coupon or Receipts as a non-resident of such Relevant Jurisdiction. "**Relevant Jurisdiction**" means and includes Canada, its provinces or territories and the jurisdiction in which the new Branch of Account is located, and "**taxes**" means and includes any tax, duty, assessment or other governmental charge imposed or levied in respect of the payment of the principal of the Covered Bonds of this Series or interest thereon for or on behalf of a Relevant Jurisdiction or any authority therein or thereof having power to tax.

19. Substitution

Subject as provided in the Trust Deed, the Bond Trustee, if it is satisfied that to do so would not be materially prejudicial to the interests of the holders of the Covered Bonds, may agree, without the consent of the holders of the Covered Bonds, Receipholders or Couponholders, to the substitution of a Subsidiary of the Issuer in place of the Issuer as principal debtor under the Covered Bonds and the Trust Deed, provided that the obligations of such Subsidiary in respect of the Covered

Bonds and the Trust Deed shall be guaranteed by the Issuer in such form as the Bond Trustee may require.

Any substitution pursuant to this Condition 19 shall be binding on the holders of the Covered Bonds, the Receiptholders and the Couponholders and, unless the Bond Trustee agrees otherwise, shall be notified to the holders of the Covered Bonds as soon as practicable thereafter in accordance with Condition 14.

It shall be a condition of any substitution pursuant to this Condition 19 that (i) the Covered Bond Guarantee shall remain in place or be modified to apply *mutatis mutandis* and continue in full force and effect in relation to any Subsidiary of the Issuer which is proposed to be substituted for the Issuer as principal debtor under the Covered Bonds and the Trust Deed and (ii) any Subsidiary of the Issuer which is proposed to be substituted for the Issuer is included in the Registry as a registered issuer and that all other provisions of the Covered Bond Legislative Framework and the Guide are satisfied prior to the substitution of the Issuer.

20. Rating Agency Confirmation

If Rating Agency Confirmation or some other response by a Rating Agency is a condition to any action or step under any Transaction Document or is otherwise required and a written request for such Rating Agency Confirmation or response is delivered to that Rating Agency by any of the Issuer, the Guarantor LP and/or the Bond Trustee, as applicable (each a **"Requesting Party"**), and the Rating Agency indicates that it does not consider such confirmation or response necessary in the circumstances the Requesting Party shall be entitled to treat Rating Agency Confirmation from such Rating Agency, as not required, for the action or step. For the purposes of this Condition 20 **"Rating Agency Confirmation"** means with respect to any relevant event or matter confirmation in writing from the Rating Agencies that the then current ratings of the Covered Bonds by the Rating Agencies will not be adversely affected by or withdrawn as a result of the occurrence of such event or matter.

21. Indemnification of Bond Trustee and Bond Trustee contracting with the Issuer and/or the Guarantor LP

If, in connection with the exercise of its powers, trusts, authorities or discretions, in accordance with the terms of the Transaction Documents, the Bond Trustee is of the opinion that the interests of the holders of the Covered Bonds of any one or more Series would be materially prejudiced thereby, the Bond Trustee shall not exercise such power, trust, authority or discretion without the approval by Extraordinary Resolution of such holders of the relevant Series of Covered Bonds then outstanding or by a direction in writing of such holders of the Covered Bonds of at least 25 per cent. of the Principal Amount Outstanding of Covered Bonds of the relevant Series then outstanding.

The Trust Deed and the Security Agreement contain provisions for the indemnification of the Bond Trustee and for relief from responsibility, including provisions relieving the Bond Trustee from taking any action unless indemnified and/or secured to the satisfaction of the Bond Trustee.

The Trust Deed and the Security Agreement also contain provisions pursuant to which the Bond Trustee is entitled, among other things: (i) to enter into business transactions with the Issuer, the Guarantor LP and/or any of their respective Subsidiaries and affiliates and to act as trustee for the holders of any other securities issued or guaranteed by, or relating to, the Issuer, the Guarantor LP and/or any of their respective Subsidiaries and affiliates; (ii) to exercise and enforce its rights, comply with its obligations and perform its duties under or in relation to any such transactions or, as the case may be, any such trusteeship without regard to the interests of, or consequences for, the holders of the Covered Bonds, Receiptholders or Couponholders or the other Secured Creditors; and (iii) to retain and not be liable to account for any profit made or any other amount or benefit received thereby or in connection therewith.

The Bond Trustee will not be responsible for any loss, expense or liability, which may be suffered as a result of any Loans and Related Security, or any deeds or documents of title thereto, being uninsured or inadequately insured or being held by clearing organisations or their operators or by intermediaries such as banks, brokers or other similar persons on behalf of the Bond Trustee. The Bond Trustee will not be responsible for: (i) supervising the performance by the Issuer or any other party to the Transaction Documents of their respective obligations under the Transaction Documents and the Bond Trustee will be entitled to assume, until it has written notice to the contrary, that all such persons are properly performing their duties; (ii) considering the basis on which approvals or consents are granted by the Issuer or any other party to the Transaction Documents under the Transaction Documents; (iii) monitoring the Covered Bond Portfolio, including, without limitation, whether

the Covered Bond Portfolio is in compliance with the Asset Coverage Test, the Regulatory OC Minimum or the Amortization Test; or (iv) monitoring whether Loans and their Related Security satisfy the Eligibility Criteria. The Bond Trustee will not be liable to any holder of the Covered Bonds or other Secured Creditor for any failure to make or to cause to be made on their behalf the searches, investigations and enquiries which would normally be made by reasonable and prudent institutional mortgage lenders in the Seller's market in relation to the Security and have no responsibility in relation to the legality, validity, sufficiency and enforceability of the Security and the Transaction Documents.

22. Law and Jurisdiction

The Trust Deed, Agency Agreement, the Covered Bonds and Receipts, Coupons and Talons related thereto and the other Transaction Documents, except as specified therein, are governed by and shall be construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein.

(established under the Limited Partnership Act (Ontario))
(the “**Guarantor LP**”)

This Covered Bond is a Temporary Global Covered Bond in respect of a duly authorized issue of Covered Bonds of the Issuer (the “**Covered Bonds**”) of the Aggregate Nominal Amount, Specified Currency(ies) and Specified Denomination(s) as are specified in the Final Terms applicable to the Covered Bonds (the “**Pricing Supplement**”), a copy of which is annexed hereto. This Global Covered Bond is issued subject to, and with the benefit of, the Conditions and an Amended and Restated Trust Deed dated as of July 5, 2019 (such Amended and Restated Trust Deed as modified and/or supplemented and/or restated from time to time, the “**Trust Deed**”) and made between the Issuer, the Guarantor LP and Computershare Trust Company of Canada as Bond Trustee for, *inter alios*, the holders of the Covered Bonds.

For value received, the Issuer, subject as hereinafter provided and subject to and in accordance with the Conditions and the Trust Deed, promises to (i) pay to the bearer hereof on each Instalment Date (if the Covered Bonds are repayable in instalments) and on the Final Maturity Date and/or on such earlier date(s) as all or any of the Covered Bonds represented by this Global Covered Bond may become due and repayable in accordance with the Conditions and the Trust Deed, the amount payable under the Conditions in respect of such Covered Bonds on each such date and to pay interest (if any) on the Principal Amount Outstanding of the Covered Bonds from time to time represented by this Global Covered Bond calculated and payable as provided in the Conditions and the Trust Deed together with any other sums payable under the Conditions and the Trust Deed, and (ii) perform all, if any, delivery obligations to be assumed or incurred by it under the Conditions when due, in each case upon presentation and, at maturity, surrender of this Global Covered Bond at the specified office of the Issuing and Paying Agent at The Bank of New York Mellon, London Branch, One Canada Square, London E14 5AL, United Kingdom, or such other specified office as may be specified for this purpose in accordance with the Conditions or at the specified office of any of the other Paying Agents located outside the United States (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Covered Bonds.

If the Pricing Supplement indicates that this Global Covered Bond is intended to be a new Global Covered Bond, the nominal amount of Covered Bonds represented by this Global Covered Bond shall be the aggregate amount from time to time entered in the records of both Euroclear Bank S.A./NV (“**Euroclear**”) and Clearstream Banking S.A. (“**Clearstream**”, and together with Euroclear or any further or alternative clearing system so specified in the applicable Pricing Supplement, the “**relevant Clearing Systems**” and each a “**Relevant Clearing System**” provided that in the case of a New Global Covered Bond, it shall mean Euroclear and Clearstream only). PERMANENT GLOBAL COVERED BOND

and

unconditionally and irrevocably guaranteed as to payments of interest and principal by

RBC Covered Bond Guarantor Limited Partnership
(established under the Limited Partnership Act (Ontario))
(the “**Guarantor LP**”)

This Covered Bond is a Permanent Global Covered Bond in respect of a duly authorized issue of Covered Bonds of the Issuer (the “**Covered Bonds**”) of the Aggregate Nominal Amount, Specified Currency(ies) and Specified Denomination(s) as are specified in the Final Terms applicable to the Covered Bonds (the “**Pricing Supplement**”), a copy of which is annexed hereto. References herein to the Conditions shall be to the Terms and Conditions of the Covered Bonds as set out in Schedule 1 to the Trust Deed (as defined below) as (i) supplemented, replaced and modified, or (ii) in the case of PD Covered Bonds, completed, by the Pricing Supplement but, in the event of any conflict between the provisions of the said Conditions and the information in the Pricing Supplement, the Pricing Supplement will prevail.

** This legend can be deleted if TEFRA C or TEFRA not applicable is specified in the applicable Final Terms.

Words and expressions defined in the Conditions (including for greater certainty the Master Definitions and Construction Agreement) shall bear the same meanings when used in this Global Covered Bond.

This Global Covered Bond is issued subject to, and with the benefit of, the Conditions and an Amended and Restated Trust Deed dated as of July 5, 2019 (such Amended and Restated Trust Deed as modified and/or supplemented and/or restated from time to time, the “**Trust Deed**”) and made between the Issuer, the Guarantor LP and Computershare Trust Company of Canada, as Bond Trustee, for, *inter alios*, the Covered Bondholders.

For value received, the Issuer, subject to and in accordance with the Conditions and the Trust Deed, promises to (i) pay to the bearer hereof on each Instalment Date (if the Covered Bonds are repayable in instalments) and on the Final Maturity Date and/or on such earlier date(s) as all or any of the Covered Bonds represented by this Global Covered Bond may become due and repayable in accordance with the Conditions and the Trust Deed, the amount payable under the Conditions in respect of such Covered Bonds on each such date and to pay interest (if any) on the Principal Amount Outstanding of the Covered Bonds from time to time represented by this Global Covered Bond calculated and payable as provided in the Conditions and the Trust Deed together with any other sums payable under the Conditions and the Trust Deed, and (ii) perform all, if any, delivery obligations to be assumed or incurred by it under the Conditions, in each case upon presentation and, at maturity, surrender of this Global Covered Bond at the specified office of the Issuing and Paying Agent at The Bank of New York Mellon, London Branch, One Canada Square, London E14 5AL, United Kingdom, or such other specified office as may be specified for this purpose in accordance with the Conditions or at the specified office of any of the other Paying Agents located outside the United States, its territories and possessions (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Covered Bonds.

If the Pricing Supplement indicates that this Global Covered Bond is intended to be a new Global Covered Bond, the nominal amount of Covered Bonds represented by this Global Covered Bond shall be the aggregate amount from time to time entered in the records of both Euroclear Bank S.A./NV (“**Euroclear**”) and Clearstream Banking S.A. (“**Clearstream**”, and together with Euroclear or any further or alternative clearing system so specified in the applicable Pricing Supplement, the “**relevant Clearing Systems**” and each a “**Relevant Clearing System**” provided that in the case of a New Global Covered Bond, it shall mean Euroclear and Clearstream only). The records of the relevant Clearing Systems (which expression in this Global Covered Bond means the records that each relevant Clearing System holds for its customers which reflect the amount of each such customer’s interest in the Global Covered Bonds) shall be conclusive evidence of the nominal amount of Global Covered Bonds represented by this Global Covered Bond and, for these purposes, a statement issued by a relevant Clearing System (which statement shall be made available to the bearer upon request) stating the nominal amount of Covered Bonds represented by this Global Covered Bond at any time shall be conclusive evidence of the records of the relevant Clearing System at that time.

If the Pricing Supplement indicates that this Global Covered Bond is not intended to be a New Global Covered Bond, the nominal amount of the Covered Bonds represented by this Global Covered Bond shall be the amounts stated in the applicable Pricing Supplement or, if lower, the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Part II, III or IV of Schedule One hereto or in Schedule Two hereto.

On any redemption or payment of an instalment or interest being made in respect of, or purchase and cancellation of, any of the Covered Bonds represented by this Global Covered

Bond the Issuer shall procure that:

- (i) if the Pricing Supplement indicates that this Global Covered Bond is intended to be a New Global Covered Bond, on an exchange of the whole or part only of this Global Covered Bond, details of such exchange shall be entered pro rata in the records of the relevant Clearing Systems such that the nominal amount of Covered Bonds represented by this Global Covered Bond shall be reduced by the nominal amount of this Global Covered Bond so exchanged; or
- (ii) details of such redemption, payment, purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule One hereto and the relevant space in Schedule One hereto recording any such redemption, payment, purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer. Upon any such redemption, payment of an instalment, purchase and cancellation the nominal amount of this Global Covered Bond and the Covered Bonds represented by this Global Covered Bond shall be reduced by the Principal Amount Outstanding of such Covered Bonds so redeemed or purchased and cancelled or the amount of such instalment.

Where TEFRA D is specified in the applicable Pricing Supplement, the Covered Bonds will initially have been represented by one or more Temporary Global Covered Bonds. On any exchange of any such Temporary Global Covered Bond issued in respect of the Covered Bonds or any part of it for this Global Covered Bond or any part hereof, the Issuer shall procure that:

- (i) if the Pricing Supplement indicates that this Global Covered Bond is intended to be a New Global Covered Bond, details of such exchange shall be entered in the records of the relevant Clearing Systems such that the nominal amount of Covered Bonds represented by this Global Covered Bond shall be increased by the nominal amount of the Temporary Global Covered Bond so exchanged; or
- (ii) if the Pricing Supplement indicates that this Global Covered Bond is not intended to be a New Global Covered Bond, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two hereto and the relevant space in Schedule Two hereto recording such exchange shall be signed by or on behalf of the Issuer, whereupon the Principal Amount Outstanding of this Global Covered Bond and the Covered Bonds represented by this Global Covered Bond shall be increased by the nominal amount of the Temporary Global Covered Bond so exchanged.

In certain circumstances further Covered Bonds may be issued which are intended on issue to be consolidated and form a single Series with the Covered Bonds. In such circumstances the Issuer shall procure that:

- (i) if the applicable Pricing Supplement indicates that this Permanent Global Covered Bond is intended to be a New Global Covered Bond, details of such further Covered Bonds may be entered in the records of the relevant Clearing Systems such that the principal amount of Covered Bonds represented by this Permanent Global Covered Bond may be increased by the amount of such further Covered Bonds so issued; or

- (ii) if the applicable Pricing Supplement indicates that this Permanent Global Covered Bond is not intended to be a New Global Covered Bond, details of such further Covered Bonds may be entered by or on behalf of the Issuer in Schedule Two hereto and the recording of such exchange or the issue of an additional Tranche shall be signed by or on behalf of the Issuer, whereupon the principal amount of the Covered Bonds represented by this Permanent Global Covered Bond shall be increased by the principal amount of any such Temporary Global Covered Bond so exchanged or any new Tranche so issued.

This Global Covered Bond may be exchanged (free of charge) in whole, but not in part, for Bearer Definitive Covered Bonds and (if applicable) Receipts, Coupons and/or Talons in or substantially in the forms set out in Parts 3, 4, 5 and 6 of Schedule 2 to the Trust Deed (on the basis that all the appropriate details have been included on the face of such Bearer Definitive Covered Bonds and (if applicable) Receipts, Coupons and/or Talons and the relevant information supplementing, replacing or modifying the Conditions appearing in the Pricing Supplement has been endorsed on or attached to such Definitive Bearer Covered Bonds) either, as specified in the applicable Pricing Supplement:

- (i) upon not less than 60 days' written notice being given to the Issuing and Paying Agent by Euroclear Bank S.A./NV ("**Euroclear**") and/or and/or Clearstream Banking S.A. ("**Clearstream**") acting on the instructions of any holder of an interest in this Global Covered Bond); or
- (ii) upon the occurrence of an Exchange Event.

An "**Exchange Event**" means:

1. the Issuer has been notified that both Euroclear and Clearstream have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available; or
2. the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Covered Bonds in definitive form and a certificate to such effect from two Authorized Signatories of the Issuer has been given to the Bond Trustee.

If this Global Covered Bond is exchangeable following the occurrence of an Exchange Event:

the Issuer will promptly give notice to Covered Bondholders in accordance with Condition 14 (*Notices*) upon the occurrence of such Exchange Event; and

Euroclear and/or Clearstream (acting on the instructions of any holder of an interest in this Global Covered Bond) may give notice to the Issuing and Paying Agent requesting exchange.

Any such exchange shall occur on a date specified in the notice not more than 45 days after the date of receipt of the first relevant notice by the Issuing and Paying Agent.

The first notice requesting exchange in accordance with the above provisions shall give rise to the issue of Bearer Definitive Covered Bonds for the Principal Amount Outstanding of Covered Bonds represented by this Global Covered Bond.

Any such exchange as aforesaid will be made upon presentation of this Global Covered Bond by the bearer hereof on any Business Day in London at the office of the Issuing and Paying

Agent specified above.

The aggregate Principal Amount Outstanding of Bearer Definitive Covered Bonds issued upon an exchange of this Global Covered Bond will be equal to the aggregate Principal Amount Outstanding of this Global Covered Bond. Upon exchange of this Global Covered Bond for Bearer Definitive Covered Bonds, the Issuing and Paying Agent shall cancel it or procure that it is cancelled.

Until the exchange of the whole of this Global Covered Bond as aforesaid, the bearer hereof shall (subject as provided in the next paragraph) in all respects be entitled to the same benefits as if he were the bearer of Bearer Definitive Covered Bonds and the relative Receipts, Coupons and/or Talons (if any) in the form(s) set out in Parts 3, 4, 5 and 6 (as applicable) of Schedule 2 to the Trust Deed.

Each person (other than Euroclear or Clearstream) who is for the time being shown in the records of Euroclear or Clearstream as the holder of a particular principal amount of the Covered Bonds represented by this Global Covered Bond (in which regard any certificate or other document issued by Euroclear or Clearstream as to the principal amount of such Covered Bonds standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest or proven error) shall be treated by the Issuer, the Guarantor LP, the Bond Trustee, the Issuing and Paying Agent and any other Paying Agent as the holder of such principal amount of such Covered Bonds for all purposes other than with respect to the payment of principal and interest on such principal amount of such Covered Bonds, the right to which shall be vested, as against the Issuer and the Guarantor LP, solely in the bearer of this Global Covered Bond in accordance with and subject to the terms of this Global Covered Bond and the Trust Deed.

This Global Covered Bond is governed by, and shall be construed in accordance with, the laws of the Province of Ontario and the laws of Canada applicable therein.

REGULATION S GLOBAL COVERED BOND

and

unconditionally and irrevocably guaranteed as to payments of interest and principal by

RBC Covered Bond Guarantor Limited Partnership
(established under the Limited Partnership Act (Ontario))
(the “**Guarantor LP**”)

The Issuer hereby certifies that _____ is, at the date hereof, entered in the Register as the holder of the aggregate Nominal Amount of _____ of a duly authorized issue of Covered Bonds of the Issuer (the “**Covered Bonds**”) of the Aggregate Nominal Amount, Specified Currency(ies) and Specified Denomination(s) as are specified in the Final Terms applicable to the Covered Bonds (the “**Pricing Supplement**”), a copy of which is annexed hereto. References herein to the Conditions shall be to the Terms and Conditions of the Covered Bonds as set out in Schedule 1 to the Trust Deed (as defined below) as (i) supplemented, replaced and modified, or (ii) in the case of PD Covered Bonds, completed, by the Pricing Supplement but, in the event of any conflict between the provisions of the said Conditions and the information in the Pricing Supplement, the Pricing Supplement will prevail.

Words and expressions defined in the Conditions ((including for greater certainty the Master Definitions and Construction Agreement) shall bear the same meanings when used in this Global Covered Bond.

This Global Covered Bond is issued subject to, and with the benefit of, the Conditions and an Amended and Restated Trust Deed (such Amended and Restated Trust Deed as modified and/or supplemented and/or restated from time to time, the “**Trust Deed**”) dated as of July 5, 2019 and made between the Issuer, the Guarantor LP and Computershare Trust Company of Canada, as Bond Trustee, for, *inter alios*, the Covered Bondholders.

For value received, the Issuer, subject to and in accordance with the Conditions and the Trust Deed, promises to pay to such registered holder on each Instalment Date (if the Covered Bonds are repayable in instalments) and on the Final Maturity Date and/or on such earlier date(s) as all or any of the Covered Bonds represented by this Global Covered Bond may become due and repayable in accordance with the Conditions and the Trust Deed, the amount payable under the Conditions in respect of such Covered Bonds on each such date and to pay interest (if any) on the Principal Amount Outstanding of the Covered Bonds from time to time represented by this Global Covered Bond calculated and payable as provided in the Conditions and the Trust Deed together with any other sums payable under the Conditions and the Trust Deed, upon presentation and, at maturity, surrender of this Global Covered Bond at the specified office of the Registrar as specified in the Pricing Supplement.

***** Delete if not deposited with DTC.

On any redemption or payment of an instalment or interest being made in respect of, or purchase and cancellation of, any of the Covered Bonds represented by this Global Covered Bond details of such redemption, payment, purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in the Register. Upon any such redemption, payment of an instalment, purchase and cancellation the nominal amount of this Global Covered Bond and the Covered Bonds represented by this Global Covered Bond shall be reduced by the Principal Amount Outstanding of such Covered Bonds so redeemed or purchased and cancelled or the amount of such instalment. The Principal Amount Outstanding from time to time of this Global Covered Bond and of the Covered Bonds represented by this Global Covered Bond following any such redemption, payment of an instalment, purchase and cancellation as aforesaid or any exchange as referred to below shall be the Principal Amount Outstanding most recently entered in the Register.

This Global Covered Bond may be exchanged (free of charge) in whole, but not in part, for Registered Definitive Covered Bonds without Receipts, Coupons and/or Talons attached (on the basis that all the appropriate details have been included on the face of such Registered Definitive Covered Bonds and the relevant information supplementing, replacing or modifying the Conditions appearing in the Pricing Supplement has been endorsed on or attached to such Registered Definitive Bearer Covered Bonds) either, as specified in the applicable Pricing Supplement:

(i) upon not less than 60 days' written notice being given to the Registrar by Euroclear Bank S.A./NV ("**Euroclear**") and/or Clearstream Banking S.A. ("**Clearstream**") acting on the instructions of any holder of an interest in this Global Covered Bond); or

(ii) upon the occurrence of an Exchange Event.

An "**Exchange Event**" means:

1. in the case of Covered Bonds registered in the name of a nominee of a common depository, or if the applicable Pricing Supplement specifies that this Global Covered Bond is to be held under the NSS, a Common Safekeeper, for Euroclear and Clearstream, the Issuer has been notified that both Euroclear and Clearstream have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available; or

2. in the case of Covered Bonds registered in the name of a nominee for DTC, either the Depository Trust Company ("**DTC**") has notified the Issuer that it is unwilling or unable to continue to act as depository for the Covered Bonds and no alternative clearing system is available or DTC has ceased to constitute a clearing agency registered under the Exchange Act; or

3. the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Covered Bonds in definitive form and a certificate to such effect from two Authorized Signatories of the Issuer has been given to the Bond Trustee.

If this Global Covered Bond is exchangeable following the occurrence of an Exchange Event:

the Issuer will promptly give notice to Covered Bondholders in accordance with Condition 14 (*Notices*) upon the occurrence of such Exchange Event; and

DTC, Euroclear and/or Clearstream (acting on the instructions of any holder of an interest in this Global Covered Bond) may give notice to the Registrar requesting exchange and, in the event of the occurrence of an Exchange Event as described in (2) above, the Issuer may also give notice to the Registrar requesting exchange.

Any such exchange shall occur on a date specified in the notice not more than 10 days after the date of receipt of the first relevant notice by the Registrar.

The first notice requesting exchange in accordance with the above provisions shall give rise to the issue of Registered Definitive Covered Bonds for the Principal Amount Outstanding of Covered Bonds represented by this Global Covered Bond.

Registered Definitive Covered Bonds will be issued in the minimum denominations specified in the Pricing Supplement.

Any such exchange as aforesaid will be made upon presentation of this Global Covered Bond by the registered holder at the office of the Registrar or any Business Day in the place of presentation.

Covered Bonds represented by this Global Covered Bond are transferable only in accordance with, and subject to, the provisions hereof and the Amended and Restated Agency Agreement dated as of September 8, 2017 (as amended and/or supplemented and/or restated from time to time) and the rules and operating procedures of Euroclear and Clearstream and DTC.

On any exchange or transfer as aforesaid pursuant to which either (i) Covered Bonds represented by this Global Covered Bond are no longer so represented or (ii) if Covered Bonds not so represented are to be so represented details of such exchange or transfer shall be entered by or on behalf of the Issuer in the Register, whereupon the nominal amount of this Global Covered Bond and the Covered Bonds held by the registered holder hereof shall be increased or reduced (as the case may be) by the nominal amount so exchanged or transferred.

Until the exchange of the whole of this Global Covered Bond as aforesaid, the registered holder hereof shall (subject as provided in the next paragraph) in all respects be entitled to the same benefits as if he were the registered holder of Registered Definitive Covered Bonds in the form(s) set out in Part A or B (as applicable) of Part 3 of Schedule 3 to the Trust Deed.

In the case of Covered Bonds registered in the name of a nominee of a common depository, or if the applicable Pricing Supplement specifies that this Global Covered Bond is to be held under the NSS, a Common Safekeeper, for Euroclear and Clearstream, each person (other than Euroclear or Clearstream) who is for the time being shown in the records of Euroclear or Clearstream as the holder of a particular principal amount of the Covered Bonds represented by this Global Covered Bond (in which regard any certificate or other document issued by Euroclear or Clearstream as to the principal amount of such Covered Bonds standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Guarantor LP, the Bond Trustee, the Registrar and any other Transfer Agent as the holder of such principal amount of such Covered Bonds for all purposes other than with respect to the payment of principal and interest on such principal amount of such Covered Bonds, the right to which shall be vested, as against the Issuer and the Guarantor LP, solely in the registered holder of this Global Covered Bond in accordance with and subject to the terms of this Global Covered Bond and the Trust Deed.

Subject as provided in the Trust Deed, each person who is for the time being shown in the records of DTC as entitled to a particular nominal amount of the Covered Bonds represented by this Global Covered Bond (in which regard any certificate or other document issued by DTC as to the nominal amount of such Covered Bonds standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest or proven error) shall be deemed to be the holder of such nominal amount of such Covered Bonds for all purposes other than with respect of payments on, and voting, giving consents and making requests in respect of, such nominal amount of such Covered Bonds for which purpose the registered holder of this Global Covered Bond shall be deemed to be the holder of such nominal amount of the Covered Bonds in accordance with and subject to the terms of this Global Covered Bond and the Trust Deed.

This Global Covered Bond is governed by, and shall be construed in accordance with, the laws of the Province of Ontario and the laws of Canada applicable therein.

This Global Covered Bond shall not be valid unless authenticated by the Registrar specified in the Pricing Supplement and, if the applicable Pricing Supplement specifies that this Global Covered Bond is to be held under the NSS, effectuated by the Common Safekeeper.

RULE 144A GLOBAL COVERED BOND

and

unconditionally and irrevocably guaranteed as to payments of interest and principal by

RBC Covered Bond Guarantor Limited Partnership
(established under the Limited Partnership Act (Ontario))
(the “**Guarantor LP**”)

The Issuer hereby certifies that _____ is, at the date hereof, entered in the Register as the holder of the aggregate Nominal Amount of _____ of a duly authorized issue of Covered Bonds of the Issuer (the “**Covered Bonds**”) of the Aggregate Nominal Amount, Specified Currency(ies) and Specified Denomination(s) as are specified in the Final Terms applicable to the Covered Bonds (the “**Pricing Supplement**”), a copy of which is annexed hereto. References herein to the Conditions shall be to the Terms and Conditions of the Covered Bonds as set out in Schedule 1 to the Trust Deed (as defined below) as (i) supplemented, replaced and modified, or (ii) in the case of PD Covered Bonds, completed, by the Pricing Supplement but, in the event of any conflict between the provisions of the said Conditions and the information in the Pricing Supplement, the Pricing Supplement will prevail.

Words and expressions defined in the Conditions (including for greater certainty the Master Definitions and Construction Agreement) shall bear the same meanings when used in this Global Covered Bond.

This Global Covered Bond is issued subject to, and with the benefit of, the Conditions and an Amended and Restated Trust Deed dated as of July 5, 2019 (such Amended and Restated Trust Deed as modified and/or supplemented and/or restated from time to time, the “**Trust Deed**”) and made between the Issuer, the Guarantor LP and Computershare Trust Company of Canada, as Bond Trustee, for, *inter alios*, the Covered Bondholders.

For value received, the Issuer, subject to and in accordance with the Conditions and the Trust Deed, promises to pay to such registered holder on each Instalment Date (if the Covered Bonds are repayable in instalments) and on the Final Maturity Date and/or on such earlier date(s) as all or any of the Covered Bonds represented by this Global Covered Bond may become due and repayable in accordance with the Conditions and the Trust Deed, the amount payable under the Conditions in respect of such Covered Bonds on each such date and to pay interest (if any) on the Principal Amount Outstanding of the Covered Bonds from time to time represented by this Global Covered Bond calculated and payable as provided in the Conditions and the Trust Deed together with any other sums payable under the Conditions and the Trust Deed, upon presentation and, at maturity, surrender of this Global Covered Bond at the office of the Registrar specified in the Pricing Supplement.

On any redemption or payment of an instalment or interest being made in respect of, or purchase and cancellation of, any of the Covered Bonds represented by this Global Covered Bond details of such redemption, payment, purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in the Register. Upon any such redemption, payment of an instalment, purchase and cancellation the nominal amount of this Global Covered Bond and the Covered Bonds represented by this Global Covered Bond shall be reduced by the Principal Amount Outstanding of such Covered Bonds so redeemed or purchased and cancelled or the amount of such instalment. The Principal Amount Outstanding from time to time of this Global Covered Bond and of the Covered Bonds represented by this Global Covered Bond following any such redemption, payment of an instalment, purchase and cancellation as aforesaid or any exchange as referred to below shall be the Principal Amount Outstanding most recently entered in the Register.

This Global Covered Bond may be exchanged (free of charge) in whole, but not in part, for Registered Definitive Covered Bonds without Receipts, Coupons and/or Talons attached (on the basis that all the appropriate details have been included on the face of such Registered Definitive Covered Bonds and the relevant information supplementing, replacing or modifying the Conditions appearing in the Pricing Supplement has been endorsed on or attached to such Registered Definitive Bearer Covered Bonds) either, as specified in the applicable Pricing Supplement:

(i) upon not less than 60 days' written notice being given to the Registrar by Euroclear Bank S.A./NV ("**Euroclear**") and/or Clearstream Banking S.A. ("**Clearstream**") acting on the instructions of any holder of an interest in this Global Covered Bond); or

(ii) upon the occurrence of an Exchange Event.

An "**Exchange Event**" means:

1. in the case of Covered Bonds registered in the name of a nominee of a common depository, or if the applicable Pricing Supplement specifies that this Global Covered Bond is to be held under the NSS, a Common Safekeeper, for Euroclear and Clearstream, the Issuer has been notified that both Euroclear and Clearstream have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available; or

2. in the case of Covered Bonds registered in the name of a nominee for DTC, either the Depository Trust Company ("**DTC**") has notified the Issuer that it is unwilling or unable to continue to act as depository for the Covered Bonds and no alternative clearing system is available or DTC has ceased to constitute a clearing agency registered under the Exchange Act; or

3. the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Covered Bonds in definitive form and a certificate to such effect from two Authorized Signatories of the Issuer has been given to the Bond Trustee.

If this Global Covered Bond is exchangeable following the occurrence of an Exchange Event:

the Issuer will promptly give notice to Covered Bondholders in accordance with Condition 14 (*Notices*) upon the occurrence of such Exchange Event; and

DTC, Euroclear and/or Clearstream (acting on the instructions of any holder of an interest in this Global Covered Bond) may give notice to the Registrar requesting exchange and, in the event of the occurrence of an Exchange Event as described in (2) above, the Issuer may also give notice to the Registrar requesting exchange.

Any such exchange shall occur on a date specified in the notice not more than 10 days after the date of receipt of the first relevant notice by the Registrar.

The first notice requesting exchange in accordance with the above provisions shall give rise to the issue of Registered Definitive Covered Bonds for the Principal Amount Outstanding of Covered Bonds represented by this Global Covered Bond.

Registered Definitive Covered Bonds will be issued in the minimum denominations specified in the Pricing Supplement.

Any such exchange as aforesaid will be made upon presentation of this Global Covered Bond by the registered holder at the office of the Registrar or any Business Day in the place of presentation.

Covered Bonds represented by this Global Covered Bond are transferable only in accordance with, and subject to, the provisions hereof and the Amended and Restated Agency Agreement dated as of September 8, 2017 (as amended and/or supplemented and/or restated from time to time) and the rules and operating procedures of Euroclear and Clearstream and DTC.

On any exchange or transfer as aforesaid pursuant to which either (i) Covered Bonds represented by this Global Covered Bond are no longer so represented or (ii) if Covered Bonds not so represented are to be so represented details of such exchange or transfer shall be entered by or on behalf of the Issuer in the Register, whereupon the nominal amount of this Global Covered Bond and the Covered Bonds held by the registered holder hereof shall be increased or reduced (as the case may be) by the nominal amount so exchanged or transferred.

Until the exchange of the whole of this Global Covered Bond as aforesaid, the registered holder hereof shall (subject as provided in the next paragraph) in all respects be entitled to the same benefits as if he were the registered holder of Registered Definitive Covered Bonds in the form(s) set out in Part A or B (as applicable) of Part 3 of Schedule 3 to the Trust Deed.

In the case of Covered Bonds registered in the name of a nominee of a common depository, or if the applicable Pricing Supplement specifies that this Global Covered Bond is to be held under the NSS, a Common Safekeeper, for Euroclear and Clearstream, each person (other than Euroclear or Clearstream) who is for the time being shown in the records of Euroclear or Clearstream as the holder of a particular principal amount of the Covered Bonds represented by this Global Covered Bond (in which regard any certificate or other document issued by Euroclear or Clearstream as to the principal amount of such Covered Bonds standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest or proven error) shall be treated by the Issuer, the Guarantor LP, the Bond Trustee, the Registrar and any other Transfer Agent as the holder of such principal amount of such Covered Bonds for all purposes other than with respect to the payment of principal and interest on such principal amount of such Covered Bonds, the right to which shall be vested, as against the Issuer and the Guarantor LP, solely in the registered holder of this Global Covered Bond in accordance with and subject to the terms of this Global Covered Bond and the Trust Deed.

Subject as provided in the Trust Deed, each person who is for the time being shown in the records of DTC as entitled to a particular nominal amount of the Covered Bonds represented by this Global Covered Bond (in which regard any certificate or other document issued by DTC as to the nominal amount of such Covered Bonds standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest or proven error) shall be deemed to be the holder of such nominal amount of such Covered Bonds for all purposes other than with respect of payments on, and voting, giving consents and making requests in respect of, such nominal amount of such Covered Bonds for which purpose the registered holder of this Global Covered Bond shall be deemed to be the holder of such nominal amount of the Covered Bonds in accordance with and subject to the terms of this Global Covered Bond and the Trust Deed.

This Global Covered Bond is governed by, and shall be construed in accordance with, the laws of the Province of Ontario and the laws of Canada applicable therein.

This Global Covered Bond shall not be valid unless authenticated by the Registrar specified in the Pricing Supplement and, if the applicable Pricing Supplement specifies that this Global Covered Bond is to be held under the NSS, effectuated by the Common Safekeeper.

IN WITNESS whereof the Issuer has caused this Global Covered Bond to be signed manually or in facsimile by persons duly authorized on its behalf.

3.2. If interest is required to be calculated for a period other than a Fixed Interest Period, such interest shall be calculated by applying the Rate of Interest to the Principal Amount Outstanding, multiplying such sum by the day count fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.]

[(B) In the case of a Floating Rate N Covered Bond insert the following or other applicable provisions:

Interest Payment Dates.

[In the case of Screen Rate Determination, insert: The rate of interest (the "**Rate of Interest**") for each Interest Period will be determined by the Calculation Agent on the following basis:

- (i) the Calculation Agent will determine the rate for deposits or, as the case may require, the arithmetic mean (rounded, if necessary, to the nearest ten thousandth of a percentage point, 0.00005 being rounded upwards) of the rates for deposits in the relevant currency for a period of the duration of the relevant Interest Period on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
- (ii) if, on any Interest Determination Date, no such rate for deposits so appears or, as the case may be, if fewer than two such rates for deposits so appear or if the Relevant Screen Page is unavailable, the Calculation Agent will request appropriate quotations and will determine the arithmetic mean (rounded as described above) of the rates at which deposits in the relevant currency are offered by the Reference Banks at approximately the Relevant Time on the Interest Determination Date to prime banks in *[in the case of LIBOR: the London interbank market]/[in the case of EURIBOR: in the Euro-zone interbank market]* for a period of the duration of the relevant Interest Period and in an amount that is representative for a single transaction in the relevant market at the relevant time;
- (iii) if, on any Interest Determination Date, only two or three rates are so quoted, the Calculation Agent will determine the arithmetic mean (rounded as described above) of the rates so quoted; or
- (iv) if fewer than two rates are so quoted, the Calculation Agent will determine the arithmetic mean (rounded as described above) of the rates quoted by four major banks in the Financial Centre as selected by the Calculation Agent, at approximately 11.00 a.m. (Financial Centre time) on the first day of the relevant Interest Period for loans in the relevant currency to leading European banks for a period for the duration of the relevant Interest Period and in an amount that is representative for a single transaction in the relevant market at the relevant time,

Interest will cease to accrue [as from the due date for redemption therefor]/[***in the case of an Instalment N Covered Bond***: in respect of each Instalment Amount, on the due date for payment of the relevant Instalment Amount] unless upon due presentation or surrender thereof (if required), payment in full of [the Final Redemption Amount (as defined below)]/[the relevant Instalment Amount] is improperly withheld or refused or default is otherwise made in the payment thereof. In such event, interest shall continue to accrue on the principal amount in respect of which payment has been improperly withheld or refused or default has been made (as well after as before any demand or judgment) at [the Rate of Interest then applicable]/[***specify other rate as permitted by applicable law***] (the "**Default Rate**") until the date on which, upon due presentation or surrender of this N Covered Bond, the relevant payment is made or, if earlier, the seventh day after the date on which, the Registrar having received the funds required to make such payment, notice is given to the N Covered Bondholder in accordance with Condition 9 (*Notices*) of these N Covered Bond Conditions that the Registrar has received the required funds (except to the extent that there is failure in the subsequent payment thereof to the N Covered Bondholder).

The Interest Amounts and the Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the N Covered Bond becomes due and payable under the N Covered Bond Agreement, the Rate of Interest and the accrued interest payable in respect of the N Covered Bond shall nevertheless continue to be calculated in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made. The determination of each Rate of Interest, Interest Amount, Final Redemption Amount and Instalment Amount, the obtaining of each quote and the making of each determination or calculation by the Calculation Agent shall (in the absence of manifest or proven error) be final and binding upon the Issuer and the N Covered Bondholder and neither the Calculation Agent nor any Reference Bank shall have any liability to the N Covered Bondholder in respect of any determination, calculation, quote or rate made or provided by it.

The Issuer will procure that there shall at all times be such Reference Banks as may be required for the purpose of determining the Rate of Interest applicable to this N Covered Bond and a Calculation Agent.

If the Calculation Agent is incapable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for any Interest Period or to calculate the Interest Amounts or any other requirements, the Issuer shall determine (or appoint an agent to determine) the Rate of Interest at such rate as, in its absolute discretion (having regard as it shall think fit to the foregoing provision of this Condition[, but subject always to the [Minimum Rate of Interest]/[Maximum Rate of Interest]]), it shall deem fair and reasonable in all circumstances or, as the case may be, the Issuer shall calculate (or appoint an agent to calculate) the Interest Amount(s) in such manner as it shall deem fair and reasonable in all the circumstances and each such determination or calculation shall be deemed to have been made by the Calculation Agent. The Calculation Agent may not resign its duties without a successor having been appointed.

[In the case of any Zero Coupon N Covered Bond, insert: The "**Amortized Face Amount**" shall be an amount equal to the sum of:

All amounts payable (whether in respect of principal, interest or otherwise) in respect of this N Covered Bond by or on behalf of the Issuer will be paid free and clear of and without withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of [Canada]/***[in the case of N Covered Bond issued by a branch of the Issuer located outside Canada, specify country in which such branch is located]*** or any political subdivision thereof or any authority or agency therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments or governmental charges is required by law or the interpretation or administration thereof. In that event, the Issuer will pay such additional amounts as may be necessary in order that the net amounts received by the N Covered Bondholder after such withholding or deduction shall equal the respective amounts of principal and interest which would have been received in respect of this N Covered Bond, in the absence of such withholding or deduction; except that no additional amounts shall be payable with respect to any payment in respect of this N Covered Bond:

- (a) to, or to a third party on behalf of, a N Covered Bondholder who is liable for such taxes, duties, assessments or governmental charges in respect of this N Covered Bond by reason of his having some connection with [Canada]/***[country in which such branch is located]*** otherwise than the mere holding of (but not the enforcement of) this N Covered Bond; or
- (b) to, or to a third party on behalf of, a N Covered Bondholder in respect of whom such tax, duty, assessment or governmental charge is required to be withheld or deducted by reason of the holder of a right to receive any payments in respect of a N Covered Bond or any owner of a beneficial interest in a N Covered Bond, being a person with whom the Issuer is not dealing at arm's length (within the meaning of the *Income Tax Act* (Canada)); or
- (c) to, or to a third party on behalf of, a N Covered Bondholder who is, or who does not deal at arm's length with a person who is, a "specified shareholder" (within the meaning of subsection 18(5) of the *Income Tax Act* (Canada)) of the Issuer; or

- (d) presented for payment by or on behalf of a N Covered Bondholder who would be able to avoid such withholding or deduction by presenting this N Covered Bond to another Paying Agent in a member state of the European Union; or
- (e) to, or to a third party on behalf of, a N Covered Bondholder who is liable for such taxes, duties, assessments or other governmental charges by reason of such N Covered Bondholder's failure to comply with any certification, identification, documentation or other reporting requirement concerning the nationality, residence, identity or connection with Canada or the country in which such branch is located of such N Covered Bondholder, if (i) compliance is required by law as a precondition to, exemption from, or reduction in the rate of, the tax, assessment or other governmental charge and (ii) the Issuer has given the N Covered Bondholder at least 30 days' notice that the N Covered Bondholder will be required to provide such certification, identification, documentation or other requirement; or

6.2. According to the former Directive 2003/48/EC on taxation of savings income in the form of interest payments (Savings Directive), as amended on 24 March 2014 (Directive 2014/48/EC) and repealed with effect from 1 January 2016 (Directive 2015/2060/EU), Germany provided the tax authorities of another EU Member State with details of payments of interest and other similar income paid by a person in one Member State to an individual resident in another Member State. Pursuant to the prevailing Directive 2014/107/EU of 9 December 2014 a mandatory automatic exchange of information in the field of taxation is in place. The Directive extended the cooperation between the tax authorities of the EU Member States to automatic exchange of financial account information and EU Member States started exchanging information automatically for the first time by 30 September 2017. Where the beneficial owner is resident in an EU Member State other than that in which the paying agent is established, the Directive stipulates that the latter must report to the competent authority of the EU Member State of establishment a minimum amount of information, such as the identity and residence of the beneficial owner, the name and address of the paying agent, the account number of the beneficial owner or, where there is none, identification of the debt claim giving rise to the interest, and information concerning the interest payment. Germany has implemented the former Savings Directive in section 45e of the German Income Tax Act (*Einkommensteuergesetz*) and the Interest Disclosure Regulation (*Zinsinformationsverordnung*) under which information related to the taxation of interest and other similar income are provided to other EU Member States.

6.3. - 6.4. If the Issuer becomes subject generally at any time to any taxing jurisdiction other than or in addition to [Canada]/[**the country in which the relevant branch is located**], references in Condition 4.2 and Condition 6.1 to [Canada]/[**the country in which the relevant branch is located**] shall be read and construed as references to [Canada]/[**the country in which such branch is located**] and/or to such other jurisdiction(s), as applicable, provided, for the avoidance of doubt, that the Issuer shall not be considered to be subject generally to the taxing jurisdiction of the United States for purposes of this Condition 6.3 solely because payments in respect of the Covered Bonds, and Coupons are subject to a U.S. federal withholding Tax imposed under sections 1471 through 1474 of the Code, any regulations or agreements thereunder or any official interpretations thereof.

2. N COVERED BOND AGREEMENT

- 2.1 The N Covered Bondholder hereby agrees that with respect to the N Covered Bond it shall take the benefit of and be bound by and subject to:
- (a) the Trust Deed (excluding, except as specified herein, the Programme Conditions, but including, without limitation and for the avoidance of doubt, the Covered Bond Guarantee granted pursuant to Clause 7 thereof, the provisions on Proceedings, Action and Indemnification pursuant to Clause 10 thereof, and the provisions in relation to Meetings of Covered Bondholders pursuant to Schedule 5 thereof) and the other Transaction Documents to the extent relevant to the N Covered Bond and this Agreement;
 - (b) the remaining provisions of this Agreement; and
 - (c) Condition 7 (Events of Default), Condition 13 (Meetings of Holders of the Covered Bonds, Modification and Waiver), Condition 19 (Substitution) and Conditions 21 (*Indemnification of Bond Trustee and Bond Trustee contracting with the Issuer and/or the Guarantor LP*) of the Programme Conditions.

3. COVERED BOND GUARANTEE

3.1 General

Subject to and in accordance with the terms of the Trust Deed and Condition 7 (Events of Default and Enforcement) of the Programme Conditions, under the Covered Bond Guarantee the Guarantor LP shall, following service of an Issuer Acceleration Notice and Notice to Pay or, if applicable, an Guarantor LP Acceleration Notice, pay or procure to be paid the Guaranteed Amounts in respect of the N Covered Bond on their Original Due for Payment Dates [insert if Extended due for Payment Date is applicable: or their Extended Due for Payment Date].

[If Extended Due for Payment Date is applicable to the relevant N Covered Bond issuance, insert Clause 3.2 below:

3.2 Extended Due for Payment Date

Without prejudice to Condition 7 of the Programme Conditions, if the Issuer has failed to pay the Final Redemption Amount on the Final Maturity Date (or after expiry of the applicable grace period set out in Condition 7.01(a) of the Programme Conditions) and following the service of a Notice to Pay on the Guarantor LP by no later than the date falling one Business Day prior to the Extension Determination Date the Guarantor LP has insufficient moneys available in accordance with the Guarantee Priority of Payments to pay in full the Guaranteed Amounts corresponding to the Final Redemption Amount of the N Covered Bond on the date falling on the earlier of (a) the date which falls two London Business Days after service of such Notice to Pay on the Guarantor LP or if later the Final Maturity Date (or, in each case, after the expiry of the grace period set out in Condition 7.02 of the Programme Conditions) under the terms of the Covered Bond Guarantee or (b) the Extension Determination Date, then (subject as provided below) payment of the unpaid amount by the Guarantor LP under the Covered Bond Guarantee shall be deferred until the Extended Due for Payment Date, provided that in respect of any amount representing the Final Redemption Amount due and remaining unpaid on the earlier of (a) and (b) above the Guarantor LP will apply any moneys available (after paying or providing for payment of higher ranking or *pari passu* amounts in accordance with the Guarantee Priority of Payments) to pay the Guaranteed Amounts corresponding to the Final Redemption Amount on any Interest Payment Date thereafter up to (and including) the relevant Extended Due for Payment Date.

The Issuer shall confirm to the Issuing and Paying Agent as soon as reasonably practicable and in any event at least 4 Business Days prior to the Final Maturity Date whether payment will be made in full of the Final Redemption Amount in respect of the N Covered Bond on the Final Maturity Date. Any failure by the Issuer to notify the Issuing and Paying Agent shall not affect the validity or effectiveness of the extension of maturity.

The Guarantor LP shall notify the Bondholder (in accordance with Condition 9 (*Notices*) of the N Covered Bond Conditions), the Rating Agencies, the Bond Trustee, the Issuing and Paying Agent and the Registrar as soon as reasonably practicable and in any event at least one Business Day prior to the dates specified in (a) and (b) of the first paragraph of this Clause 3.2 of any inability of the Guarantor LP to pay in full the Guaranteed Amounts corresponding to the Final Redemption Amount pursuant to the Covered Bond Guarantee. Any failure by the Guarantor LP to notify such parties shall not affect the validity or effectiveness of the extension nor give rise to any rights in any such party.

In the circumstances outlined above, the Guarantor LP shall on the earlier of (a) the date falling two London Business Days after the service of a Notice to Pay on the Guarantor LP or if later the Final Maturity Date (or, in each case, after the expiry of the grace period set out in Condition 7.02 of the Programme Conditions) and (b) the Extension Determination Date, under the Covered Bond Guarantee, apply the moneys (if any) available (after paying or providing for payment of higher ranking or *pari passu* amounts in accordance with the Guarantee Priority of Payments) pro rata in part payment of an amount equal to the Final Redemption Amount of each Covered Bond of the relevant Series of Covered Bonds and shall pay Guaranteed Amounts constituting the Scheduled Interest in respect of each such Covered Bond on such date. The obligation of the Guarantor LP to pay any amounts in respect of the balance of the Final Redemption Amount not so paid shall be deferred as described above. Such failure to pay by the Guarantor LP shall not constitute a Guarantor LP Event of Default.

3.3 Excess Proceeds

Any discharge of the obligations of the Issuer as the result of the payment of Excess Proceeds to the Bond Trustee shall be disregarded for the purposes of determining the amounts to be paid by the Guarantor LP under the Covered Bond Guarantee in connection with this Clause 3.

3.4 Accrual of Interest after the Final Maturity Date

Following the Final Maturity Date, interest will continue to accrue on the Principal Amount Outstanding of the N Covered Bond and be payable on any unpaid amount at a Rate of Interest determined in accordance with Condition 5.03 of the Programme Conditions (in the same manner as the Rate of Interest for Floating Rate Covered Bonds), provided that terms used in Condition 5.03 of the Programme Conditions shall, where applicable, be modified as annexed hereto.

4. [Intentionally Deleted]

5. REDEMPTION DUE TO ILLEGALITY

The N Covered Bond may be redeemed at the option of the Issuer in whole, but not in part, at any time, on giving not less than 30 nor more than 60 days' notice to the Registrar and, in accordance with Condition 9 (*Notices*) of the N Covered Bond Conditions, the Bondholder (which notice shall be irrevocable), if the Issuer satisfies the Bond Trustee immediately before the giving of such notice that it has, or will, before the next Interest Payment Date of any Covered Bond of any Series, become unlawful for the Issuer to make, fund or allow to remain outstanding any advance made by it to the Guarantor LP pursuant to the Intercompany Loan Agreement, as a result of any change in, or amendment to, the applicable laws or regulations or any change in the application or official interpretation of such laws or regulations, which change or amendment has become or will become effective before the next such Interest Payment Date.

If the N Covered Bond is redeemed pursuant to this Clause 5, it will be redeemed at its Early Redemption Amount together (if appropriate) with interest accrued to (but excluding) the date of redemption.

Prior to the publication of any notice of redemption pursuant to this Clause 5, the Issuer shall deliver to the Issuing and Paying Agent and Bond Trustee a certificate signed by two senior officers of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and the Issuing and Paying Agent and Bond Trustee shall be entitled to accept the certificate as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event it shall be conclusive and binding on all holders of the Covered Bonds, Receiptholders and Couponholders.

6. TAXATION

- 6.1 For the purposes of Condition 6 of the N Covered Bond Conditions, any reference in this Agreement or the Conditions to any payment due in respect of the N Covered Bond shall be deemed to include any additional amounts which may be payable under Condition 6 of the N Covered Bond Conditions. Unless the context otherwise requires, any reference in this Agreement or the Conditions to "**principal**" shall include **[any premium payable in respect of the N Covered Bond,]** any [Instalment Amount or] Final Redemption Amount, any Excess Proceeds which may be payable by the Bond Trustee under or in respect of the Covered Bonds **[add any other amounts in the nature of principal payable pursuant to the N Covered Bond Conditions]** and "**interest**" shall include all amounts payable pursuant to Condition 3 of the N Covered Bond Conditions and any other amounts in the nature of interest payable pursuant to this Agreement or the N Covered Bond Conditions.

- 6.2 Should any payments made by the Guarantor LP under the Covered Bond Guarantee be made subject to any withholding or deduction for or on account of taxes or duties of whatever nature imposed or levied by or on behalf of Canada, any province or territory, political subdivision thereof or by any authority or agency therein or thereof having power to tax, or, in the case of payments made by the Guarantor LP under the Covered Bond Guarantee in respect of the N Covered Bonds issued by a branch of the Issuer outside of Canada, the country in which such branch is located or any political subdivision thereof or by any authority or agency therein or thereof having the power to tax, the Guarantor LP will not be obliged to pay any additional amounts as a consequence.

7. BRANCH OF ACCOUNT

- 7.1 For the purposes of the Bank Act (Canada), [Toronto / London / specify other branch] shall be the branch of account (the "**Branch of Account**") for the deposits evidenced by the N Covered Bond.
- 7.2 The N Covered Bond will be paid without the necessity of first being presented for payment at the Branch of Account.
- 7.3 **[If the Branch of Account is not in Canada, include the following]** The issuer may change the Branch of Account for the deposits evidenced by the N Covered Bond, upon not less than seven days' prior notice to the N Covered Bondholder given in accordance with Condition 9 (*Notices*) of the N Covered Bond Conditions and upon and subject to the following terms and conditions:

For the purposes of this section, an "**Excluded Holder**" means a holder of the N Covered Bond who is subject to taxes by reason of his having some connection with the Relevant Jurisdiction other than the mere holding of the N Covered Bond as a non-resident of such Relevant Jurisdiction. "**Relevant Jurisdiction**" means and includes Canada, its provinces or territories and the jurisdiction in which the new Branch of Account is located, and "**taxes**" means and includes any tax, duty, assessment or other governmental charge imposed or levied in respect of the payment of the principal of the N Covered Bond or interest thereon for or on behalf of a Relevant Jurisdiction or any authority therein or thereof having power to tax.]

unconditionally and irrevocably guaranteed as to payments of interest and principal by

RBC Covered Bond Guarantor Limited Partnership
(established under the Limited Partnership Act (Ontario))
(the “**Guarantor LP**”)

The Issuer hereby certifies that _____ is, at the date hereof, entered in the Register as the holder of the aggregate Nominal Amount of _____ of a duly authorized issue of Covered Bonds of the Issuer (the “**Covered Bonds**”) of the Aggregate Nominal Amount, Specified Currency(ies) and Specified Denomination(s) as are specified in the Pricing Supplement applicable to the Covered Bonds (the “**Pricing Supplement**”), a copy of which is annexed hereto. References herein to the Conditions shall be to the Terms and Conditions of the Covered Bonds as set out in Schedule 1 to the Trust Deed (as defined below) as supplemented, replaced and modified by the Pricing Supplement

**** Delete if not deposited with DTC.

but, in the event of any conflict between the provisions of the said Conditions and the information in the Pricing Supplement, the Pricing Supplement will prevail.

Words and expressions defined in the Conditions shall bear the same meanings when used in this Global Covered Bond.

This Global Covered Bond is issued subject to, and with the benefit of, the Conditions and an Amended and Restated Trust Deed dated as of July 5, 2019 (such Amended and Restated Trust Deed as modified and/or supplemented and/or restated from time to time, the “**Trust Deed**”) and made between the Issuer, the Guarantor LP and Computershare Trust Company of Canada, as Bond Trustee, for, *inter alios*, the Covered Bondholders.

For value received, the Issuer, subject to and in accordance with the Conditions and the Trust Deed, promises to pay to such registered holder on each Instalment Date (if the Covered Bonds are repayable in instalments) and on the Final Maturity Date and/or on such earlier date(s) as all or any of the Covered Bonds represented by this Global Covered Bond may become due and repayable in accordance with the Conditions and the Trust Deed, the amount payable under the Conditions in respect of such Covered Bonds on each such date and to pay interest (if any) on the Principal Amount Outstanding of the Covered Bonds from time to time represented by this Global Covered Bond calculated and payable as provided in the Conditions and the Trust Deed together with any other sums payable under the Conditions and the Trust Deed, upon presentation and, at maturity, surrender of this Global Covered Bond at the office of the Registrar specified in the Pricing Supplement.

On any redemption or payment of an instalment or interest being made in respect of, or purchase and cancellation of, any of the Covered Bonds represented by this Global Covered Bond details of such redemption, payment, purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in the Register. Upon any such redemption, payment of an instalment, purchase and cancellation the nominal amount of this Global Covered Bond and the Covered Bonds represented by this Global Covered Bond shall be reduced by the Principal Amount Outstanding of such Covered Bonds so redeemed or purchased and cancelled or the amount of such instalment. The Principal Amount Outstanding from time to time of this Global Covered Bond and of the Covered Bonds represented by this Global Covered Bond following any such redemption, payment of an instalment, purchase and cancellation as aforesaid or any exchange as referred to below shall be the Principal Amount Outstanding most recently entered in the Register.

This Global Covered Bond may be exchanged (free of charge) in whole, but not in part, for Registered Definitive Covered Bonds without Receipts, Coupons and/or Talons attached (on the basis that all the appropriate details have been included on the face of such Registered Definitive Covered Bonds and the relevant information supplementing, replacing or modifying the Conditions appearing in the Pricing Supplement has been endorsed on or attached to such Registered Definitive Bearer Covered Bonds) either, (i) as specified in the applicable Pricing Supplement or (ii) upon the occurrence of an Exchange Event.

An “**Exchange Event**” means in the case of Covered Bonds registered in the name of a nominee for DTC, either (i) the Depository Trust Company (“**DTC**”) has notified the Issuer that it is unwilling or unable to continue to act as depository for the Covered Bonds and no alternative clearing system is available or (ii) DTC has ceased to constitute a clearing agency registered under the Exchange Act; or (iii) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Covered Bonds in definitive form and a certificate to such effect from two Authorized Signatories of the Issuer has been given to the Bond Trustee.

If this Global Covered Bond is exchangeable following the occurrence of an Exchange Event: the Issuer will promptly give notice to Covered Bondholders in accordance with Condition 14 (*Notices*) upon the occurrence of such Exchange Event; and, in the event of the occurrence of an Exchange Event as described in (iii) above, the Issuer may also give notice to the Registrar requesting exchange.

Any such exchange shall occur on a date specified in the notice not more than 10 days after the date of receipt of the first relevant notice by the Registrar.

The first notice requesting exchange in accordance with the above provisions shall give rise to the issue of Registered Definitive Covered Bonds for the Principal Amount Outstanding of Covered Bonds represented by this Global Covered Bond.

Registered Definitive Covered Bonds will be issued in the minimum denominations specified in the Pricing Supplement.

Any such exchange as aforesaid will be made upon presentation of this Global Covered Bond by the registered holder at the office of the Registrar or any Business Day in the place of presentation.

Covered Bonds represented by this Global Covered Bond are transferable only in accordance with, and subject to, the provisions hereof and the Amended and Restated Agency Agreement dated September 8, 2017 (as amended and/or supplemented and/or restated from time to time) and the rules and operating procedures of DTC.

On any exchange or transfer as aforesaid pursuant to which either (i) Covered Bonds represented by this Global Covered Bond are no longer so represented or (ii) if Covered Bonds not so represented are to be so represented details of such exchange or transfer shall be entered by or on behalf of the Issuer in the Register, whereupon the nominal amount of this Global Covered Bond and the Covered Bonds held by the registered holder hereof shall be increased or reduced (as the case may be) by the nominal amount so exchanged or transferred.

Until the exchange of the whole of this Global Covered Bond as aforesaid, the registered holder hereof shall (subject as provided in the next paragraph) in all respects be entitled to the same benefits as if he were the registered holder of Registered Definitive Covered Bonds in the form set out in Part A of Part 5 of Schedule 3 to the Trust Deed.

Subject as provided in the Trust Deed, each person who is for the time being shown in the records of DTC as entitled to a particular nominal amount of the Covered Bonds represented by this Global Covered Bond (in which regard any certificate or other document issued by DTC as to the nominal amount of such Covered Bonds standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest or proven error) shall be deemed to be the holder of such nominal amount of such Covered Bonds for all purposes other than with respect of payments on, and voting, giving consents and making requests in respect of, such nominal amount of such Covered Bonds for which purpose the registered holder of this Global Covered Bond shall be deemed to be the holder of such nominal amount of the Covered Bonds in accordance with and subject to the terms of this Global Covered Bond and the Trust Deed.

For the purposes of disclosure pursuant to the Interest Act (Canada) and not for any other purpose, where in any Covered Bond (i) a rate of interest is to be calculated on the basis of a year of 360 days, the yearly rate of interest to which the 360 day rate is equivalent is such rate multiplied by the number of days in the year of which such calculation is made

and divided by 360, or (ii) a rate of interest is to be calculated during a leap year, the yearly rate of interest to which such rate is equivalent is such rate multiplied by 366 and divided by 365.

The Issuer confirms that it fully understands and is able to calculate the rate of interest applicable to the Covered Bonds based on the methodology for calculating per annum rates provided for in the preceding paragraph above. The Issuer hereby irrevocably agrees not to plead or assert, whether by way of defence or otherwise, in any proceeding relating to the Covered Bonds or any transaction document, that the interest payable under the Covered Bonds and the calculation thereof has not been adequately disclosed to the Issuer, whether pursuant to Section 4 of the Interest Act (Canada) or any other applicable law or legal principle.

This Global Covered Bond is governed by, and shall be construed in accordance with, the laws of the Province of Ontario and the laws of Canada applicable therein.

This Global Covered Bond shall not be valid unless authenticated by the Registrar specified in the Pricing Supplement.

IN WITNESS whereof the Issuer has caused this Global Covered Bond to be signed manually or in facsimile by persons duly authorized on its behalf.

4. A person (who may but need not be a Covered Bondholder) nominated in writing by the Bond Trustee shall be entitled to take the chair at the relevant meeting or adjourned meeting but if no such nomination is made or if at any meeting or adjourned meeting the person nominated shall not be present within 15 minutes after the time appointed for holding the meeting or adjourned meeting the Covered Bondholders present shall choose one of their number to be Chairman, failing which the Issuer may appoint a Chairman. The Chairman of an adjourned meeting need not be the same person as was Chairman of the meeting from which the adjournment took place.
5. At any such meeting one or more persons present holding Definitive Covered Bonds or voting certificates or being proxies or representatives and holding or representing

in the aggregate not less than one twentieth of the Principal Amount Outstanding of the Covered Bonds of the relevant Series for the time being outstanding shall (except for the purpose of passing an Extraordinary Resolution or a Programme Resolution) form a quorum for the transaction of business and no business (other than the choosing of a Chairman) shall be transacted at any meeting unless the requisite quorum be present at the commencement of the relevant business. The quorum at any such meeting for passing an Extraordinary Resolution (subject as provided below) or a Programme Resolution shall be one or more persons present holding Definitive Covered Bonds or voting certificates or being proxies or representatives and holding or representing not less than a clear majority of the aggregate Principal Amount Outstanding of the Covered Bonds of the relevant Series for the time being outstanding or, of any adjourned meeting one or more persons being or representing holders of the Covered Bonds whatever the nominal amount of the Covered Bonds or the relevant Series so held or represented PROVIDED THAT at any meeting the business of which includes any of the following matters (other than in relation to a Programme Resolution) (each of which shall, subject only to Clause 20.2, only be capable of being effected after having been approved by Extraordinary Resolution) namely:

- (F) alteration of this proviso or the proviso to paragraph 6 below;

(each a “**Series Reserved Matter**”), the quorum shall be one or more persons present holding Definitive Covered Bonds or voting certificates or being proxies or representatives and holding or representing in the aggregate not less than two thirds of the Principal Amount Outstanding of the Covered Bonds of the relevant Series for the time being outstanding, or in the event quorum is not present at the initial meeting and notice is provided of any adjournment of such meeting, at such adjourned meeting one or more persons holding or representing not less than one third of the aggregate Principal Amount Outstanding of the Covered Bonds of such Series for the time being outstanding.

6. If within 15 minutes (or such longer period not exceeding 30 minutes as the Chairman may decide) after the time appointed for any such meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business (if any) for which a quorum is present, the meeting shall if convened upon the requisition of Covered Bondholders be dissolved. In any other case it shall stand adjourned to the same day in the next week (or if such day is a public holiday the next succeeding business day) at the same time and place (except in the case of a meeting at which an Extraordinary Resolution is to be proposed in which case it shall stand adjourned for such period, being not less than 13 clear days nor more than 42 clear days, and to such place as may be appointed by the Chairman either at or subsequent to such meeting and approved by the Bond Trustee). If within 15 minutes (or such longer period not exceeding 30 minutes as the Chairman may decide) after the time appointed for any adjourned meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business (if any) for which a quorum is present, the Chairman may either (with the approval of the Bond Trustee) dissolve such meeting or adjourn the same for such period, being not less than 13 clear days (but without any maximum number of clear days), and to such place as may be appointed by the Chairman either at or subsequent to such adjourned meeting and approved by the Bond Trustee, and the provisions of this sentence shall apply to all further adjourned such meetings. At any adjourned meeting one or more persons present holding Definitive Covered Bonds or voting certificates or being proxies (whatever the nominal amount of the Covered Bonds of the relevant Series so held or represented by them) shall (subject as provided below) form a quorum and shall have power to pass any Extraordinary Resolution, Programme Resolution or other resolution and to decide upon all matters which could properly have been dealt with at the meeting from which the adjournment took place had the requisite quorum been present PROVIDED THAT at any adjourned meeting the quorum for the transaction of business comprising any Series Reserved Matter shall be one or more persons present holding Definitive Covered Bonds or voting certificates or being proxies and holding or representing in the aggregate not less than one third of the Principal Amount Outstanding of the Covered Bonds of the relevant Series for the time being outstanding.
7. Notice of any adjourned meeting at which an Extraordinary Resolution is to be submitted shall be given in the same manner as notice of an original meeting but as if 10 were substituted for 21 in paragraph 3 above and such notice shall state the relevant quorum. Subject as aforesaid it shall not be necessary to give any notice of an adjourned meeting.
8. Every question submitted to a meeting shall be decided in the first instance by a show of hands and in case of equality of votes the Chairman shall both on a show of hands and on a poll have a casting vote in addition to the vote or votes (if any) to which he may be entitled as a Covered Bondholder or as a holder of a voting certificate or as a proxy or as a representative.
9. At any meeting unless a poll is (before or on the declaration of the result of the show of hands) demanded by the Chairman, the Issuer, the Guarantor LP, the Bond Trustee or any person present holding a Definitive Covered Bond or a voting certificate or being a proxy or representative (whatever the Principal Amount Outstanding of the Covered Bonds so held or represented by him) a declaration by the Chairman that a resolution has been carried or carried by a particular majority or lost or not carried by

a particular majority shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.

10. Subject to paragraph 12 below, if at any such meeting a poll is so demanded it shall be taken in such manner and subject as hereinafter provided either at once or after an adjournment as the Chairman directs and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded as at the date of the taking of the poll. The demand for a poll shall not prevent the continuance of the meeting for the transaction of any business other than the motion on which the poll has been demanded.
11. The Chairman may with the consent of (and shall if directed by) any such meeting adjourn the same from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully (but for lack of required quorum) have been transacted at the meeting from which the adjournment took place.
12. Any poll demanded at any such meeting on the election of a Chairman or on any question of adjournment shall be taken at the meeting without adjournment.
13. The Bond Trustee and its lawyers and any director, officer or employee of a corporation being a bond trustee under the Trust Deed and any director or officer of the Issuer or, as the case may be, the Guarantor LP and its or their lawyers and any other person authorized so to do by the Bond Trustee may attend and speak at any meeting. Save as aforesaid, but without prejudice to the proviso to the definition of “**outstanding**” as set out in the Master Definitions and Construction Agreement, no person shall be entitled to attend and speak nor shall any person be entitled to vote at any meeting of Covered Bondholders or join with others in requesting the convening of such a meeting or to exercise the rights conferred on Covered Bondholders by Condition 7 (*Events of Default*) unless he either produces the Definitive Covered Bond or Definitive Covered Bonds of which he is the holder or a voting certificate or is a proxy. No person shall be entitled to vote at any meeting in respect of Covered Bonds held by, for the benefit of, or on behalf of, the Issuer or the Guarantor LP. Nothing herein shall prevent any of the proxies named in any block voting instruction from being a director, officer or representative of or otherwise connected with the Issuer or the Guarantor LP.
14. Subject as provided in paragraph 13 hereof at any meeting:
 - (A) on a show of hands every person who is present in person and produces a Bearer Definitive Covered Bond or voting certificate or is the holder of a Registered Definitive Covered Bond or is a proxy or representative shall have one vote; and
 - (B) on a poll every person who is so present shall have one vote in respect of each €1 or such other amount as the Bond Trustee may in its absolute discretion stipulate (or, in the case of meetings of holders of Covered Bonds denominated in another currency, such amount in such other currency as the Bond Trustee in its absolute discretion may stipulate) in the Principal Amount Outstanding of the Bearer Definitive Covered Bonds so produced or represented by the voting certificate so produced or in respect of which he is a proxy or representative or in respect of which (being a Registered Definitive Covered Bond) he is the registered holder.

Without prejudice to the obligations of the proxies named in any block voting instruction or form of proxy any person entitled to more than one vote need not use all his votes or cast all the votes to which he is entitled in the same way.

15. The proxies named in any block voting instruction or form of proxy and representatives need not be Covered Bondholders.
16. Each block voting instruction together (if so requested by the Bond Trustee) with proof satisfactory to the Bond Trustee of its due execution or form of proxy on behalf of the relevant Paying Agent and each form of proxy should be deposited by one relevant Paying Agent or (as the case may be) by the Registrar or the relevant Transfer Agent at such place as the Bond Trustee shall approve not less than 24 hours before the time appointed for holding the meeting or adjourned meeting at which the proxies named in the block voting instruction propose to vote and in default the block voting instruction or form of proxy shall not be treated as valid unless the Chairman of the meeting decides otherwise before such meeting or adjourned meeting proceeds to business. A copy of each block voting instruction and form of proxy shall (if the Bond Trustee so requires) be deposited with the Bond Trustee before the commencement of the meeting or adjourned meeting but the Bond Trustee shall not thereby be obliged to investigate or be concerned with the validity of or the authority of the proxies named in any such block voting instruction or form of proxy.
17. Any vote given in accordance with the terms of a block voting instruction or form of proxy shall be valid notwithstanding the previous revocation or amendment of the block voting instruction or form of proxy or of any of the relevant Covered Bondholders' instructions pursuant to which it was executed PROVIDED THAT no intimation in writing of such revocation or amendment shall have been received from the relevant Paying Agent or in the case of a Registered Covered Bond from the holder thereof by the Issuer at its registered office (or such other place as may have been required or approved by the Bond Trustee for the purpose) by the time being 24 hours respectively before the time appointed for holding the meeting or adjourned meeting at which the block voting instruction or form of proxy is to be used.
18. A meeting of the Covered Bondholders shall in addition to the powers hereinbefore given have the following powers exercisable only by Extraordinary Resolution (subject to the provisions relating to quorum contained in paragraphs 5 and 6 above) namely:

 - (B) Power to sanction any abrogation, modification, compromise or arrangement in respect of the rights of the Bond Trustee, any Appointee, the Covered Bondholders, the Receiptholders, Couponholders, or the Issuer or the Guarantor LP or against any other or others of them or against any of their property whether such rights shall arise under the Trust Deed or the other Transaction Documents or otherwise.
 - (C) Power to assent to any modification of the provisions of the Trust Deed or the other Transaction Documents which shall be proposed by the Issuer, the Guarantor LP, the Bond Trustee or any Covered Bondholder.

19. Any resolution passed at a meeting of the Covered Bondholders duly convened and held in accordance with the Trust Deed shall be binding upon all the Covered Bondholders whether present or not present at such meeting and whether or not voting and upon all Receipholders and Couponholders and each of them shall be bound to give effect thereto accordingly and the passing of any such resolution shall be conclusive evidence that the circumstances justify the passing thereof. Notice of the result of the voting on any resolution duly considered by the Covered Bondholders shall be published in accordance with Condition 14 (*Notices*) by the Issuer within 14 days of such result being known PROVIDED THAT the non publication of such notice shall not invalidate such result.
20. The expression “**Extraordinary Resolution**” when used in the Trust Deed means (a) a resolution passed at a meeting of the Covered Bondholders duly convened and held in accordance with the Trust Deed by a majority consisting of not less than three fourths of the persons voting thereat upon a show of hands or if a poll is duly demanded by a majority consisting of not less than three fourths of the votes cast on such poll; or (b) a resolution in writing signed by or on behalf of Covered Bondholders holding not less than fifty per cent in Principal Amount Outstanding of the Covered Bonds, which resolution in writing may be contained in one document or in several documents in like form each signed by or on behalf of one or more of the Covered Bondholders.

21. Minutes of all resolutions and proceedings at every meeting of the Covered Bondholders shall be made and entered in books to be from time to time provided for that purpose by the Issuer and any such minutes as aforesaid if purporting to be signed by the Chairman of the meeting at which such resolutions were passed or proceedings transacted shall be conclusive evidence of the matters therein contained and until the contrary is proved every such meeting in respect of the proceedings of which minutes have been made shall be deemed to have been duly held and convened and all resolutions passed or proceedings transacted thereat to have been duly passed or transacted.
22. (A) If and whenever the Issuer shall have issued and have outstanding Covered Bonds of more than one Series the foregoing provisions of this Schedule shall have effect subject to the following modifications:
- (i) a resolution which in the opinion of the Bond Trustee affects the Covered Bonds of only one Series shall be deemed to have been duly passed if passed at a separate meeting of the holders of the Covered Bonds of that Series;
 - (ii) a resolution which in the opinion of the Bond Trustee affects the Covered Bonds of more than one Series but does not give rise to a conflict of interest between the holders of Covered Bonds of any of the Series so affected shall be deemed to have been duly passed if passed at a single meeting of the holders of the Covered Bonds of all the Series so affected;
 - (iii) a resolution which in the opinion of the Bond Trustee affects the Covered Bonds of more than one Series and gives or may give rise to a conflict of interest between the holders of the Covered Bonds of one Series or group of Series so affected and the holders of the Covered Bonds of another Series or group of Series so affected shall be deemed to have been duly passed only if passed at separate meetings of the holders of the Covered Bonds of each Series or group of Series so affected;
 - (iv) a Programme Resolution shall be deemed to have been duly passed only if passed at a single meeting of the Covered Bondholders of all Series; and

- (B) If the Issuer shall have issued and have outstanding Covered Bonds which are not denominated in euros in the case of any meeting of holders of Covered Bonds of more than one currency (whether in respect of the meeting or any adjourned such meeting or any poll resulting therefrom) the Principal Amount Outstanding of such Covered Bonds shall be the equivalent in euros at the rate set out in the applicable Final Terms or Pricing Supplement, as applicable. 23. Subject to all other provisions of the Trust Deed the Bond Trustee may without the consent of the Issuer, the Guarantor LP, the Covered Bondholders, the Receiptholders or the Couponholders prescribe such further regulations regarding the requisitioning and/or the holding of meetings of Covered Bondholders and attendance and voting thereat as the Bond Trustee may in its sole discretion think fit.
