

**Revised Pages of Q2 2006 Supplementary Financial Information  
June 1, 2006**

**Page 1 – Notes to Users**

The note relating to Revenue reclassification under Significant reporting changes made to this document in Q2/06 inadvertently omitted the first sentence of the note. Page 1 now reflects the complete note.

**Page 16 - Derivative Financial Instruments**

The Derivative financial instruments table on page 16 of the Q2 2006 Supplementary Financial Information has been revised to reflect corrections made to the Interest rate agreements amount and to the Total amount under the Q2/06 Contract/Notional column due to a compilation error. This error did not impact the Total risk adjusted assets amounts for Q2 2006. Page 16 now reflects the revised amounts.
