PART A – CONTRACTUAL TERMS

Any person making or intending to make an offer of these Australian Covered Bonds may only do so in circumstances in which no obligation arises for the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the EU Prospectus Regulation or section 85 of the FSMA, as applicable, or supplement a prospectus pursuant to Article 23 of the EU Prospectus Regulation or the UK Prospectus Regulation, in each case, in relation to such offer.

The Covered Bonds to which this Pricing Supplement relate comprise Australian Covered Bonds constituted by, and on the terms specified in, the Deed Poll executed by the Issuer and dated August 7, 2013 as supplemented by the Supplemental Deed Poll executed by the Issuer and dated May 4, 2022 (the “**Australian Deed Poll**”). The conditions set out in Schedule 1 to the Australian Deed Poll (as supplemented or modified by this Pricing Supplement) (the “**Australian Conditions**”) apply to the Australian Covered Bonds. Terms used herein will be deemed to be defined as such for the purposes of the Australian Conditions.

Royal Bank of Canada (the “**Bank**”) is registered in Australia as a “Foreign Company (Overseas)” and is a foreign “authorised deposit-taking institution” (“**foreign ADI**”) as that term is defined under the *Banking Act 1959* of the Commonwealth of Australia (“**Banking Act**”) in the category of a “Branch of a Foreign Bank”. As a foreign ADI, the Bank is regulated by the Australian Prudential Regulation Authority (“**APRA**”) in accordance with the Banking Act. However, the depositor protection provisions of Division 2 of Part II of the Banking Act do not apply to the Australian Covered Bonds issued by the Bank (including through the Sydney Branch). The Bank’s indebtedness in respect of the Australian Covered Bonds issued by the Issuer is affected by applicable laws which include (but are not limited to) section 11F of the Banking Act and section 86 of the *Reserve Bank Act 1959* of the Commonwealth of Australia (“**Reserve Bank Act**”). Section 11F of the Banking Act provides that, in the event that a foreign ADI such as the Bank (whether in or outside Australia) suspends payment or becomes unable to meet its obligations, the assets of the foreign ADI in Australia are to be available to meet its liabilities in Australia in priority to all other liabilities of the foreign ADI. Section 86 of the Reserve Bank Act provides that, notwithstanding anything contained in any law relating to the winding-up of companies, but subject to subsection 13A(3) of the Banking Act (which does not apply to the Bank as a foreign ADI), debts due to the Reserve Bank of Australia by an authorised deposit-taking institution (“**ADI**”) (including a foreign ADI) shall, in the winding-up of the foreign ADI, have priority over all other debts of the foreign ADI. The Australian Covered Bonds are not the obligations of any government and, in particular, are not guaranteed by the Commonwealth of Australia or the government of Canada.

The Guarantor LP is neither a bank nor an ADI authorised to carry on banking business under the Banking Act. The Guarantor LP is not supervised by APRA and is not registered as a foreign company or otherwise registered, authorised or qualified to carry on financial services or other business in Australia. The Covered Bond Guarantee is not the obligation of any government and, in particular, is not guaranteed by the Commonwealth of Australia or the government of Canada.

This document constitutes the applicable Pricing Supplement of the Australian Covered Bonds described herein. This document must be read in conjunction with the Information Memorandum dated May 4, 2022 (the “**Information Memorandum**”) in respect of the Australian Covered Bonds. The Information Memorandum must be read in conjunction with the Prospectus dated July 23, 2021 in respect of the Programme, as supplemented by the 1st Supplemental Prospectus dated August 31, 2021, the 2nd Supplemental Prospectus dated January 5, 2022 and the 3rd Supplemental Prospectus dated February 25, 2022 and as may be further amended and/or supplemented and/or restated from time to time (the “**Programme Prospectus**”). A copy as of the date hereof of the Programme Prospectus is annexed to and (together with all documents incorporated by reference therein) deemed to be incorporated in, and form part of, the Information Memorandum. Full information on the Issuer and the Guarantor LP and the offer of the Australian Covered Bonds is only available on the basis of the combination of this Pricing Supplement and the Information Memorandum. Copies of the Information Memorandum are available for viewing at the office of the Australian Agent. The Programme Prospectus and all documents incorporated by reference therein are available for viewing at http://www.rbc.com/investorrelations/fixed_income/covered-bonds-terms.html.
